date of the billing until payment is received by the Board. The Board shall follow the provisions of the Debt Collection Act of 1982 (Pub. L. 97–365, 96 Stat. 1749), as amended.

(d) Aggregating requests. If the Board reasonably believes that a requestor or a group of requestors acting together is trying to divide a request into a series of smaller requests for the purpose of avoiding fees, the Board may aggregate the requests and charge accordingly. The Board shall assume that multiple requests of the same type made within a 30-day period have been made in order to avoid fees. If requests are separated by a longer period, the Board shall aggregate them only if there is a solid basis for determining that aggregation is warranted. Multiple requests involving unrelated matters shall not be aggregated.

(e) Advance payments. Where a requestor has previously failed to pay promptly a properly charged FOIA fee to the Board or another agency, the Board shall require proof that full payment has been made to that agency before it begins to process that requestor’s FOIA. The Board shall also require advance payment of the full amount of the anticipated fee. When advance payment is required, the request is not considered received until payment has been made.

§ 1303.111 Requirements for waiver or reduction of fees.

(a) Records shall be furnished without charge or at a reduced charge if the Board determined that:

(1) Disclosure is in the public interest and the information is likely to contribute significantly to public understanding of the activities of the government; and

(2) Disclosure is not primarily in the commercial interest of the requestor.

(b) In determining whether the first requirement is met, the Board shall consider:

(1) Subject: Do the requested records concern identifiable activities of the federal government?

(2) Informative value: Will the disclosure contribute to an understanding of government activities? Do records contain information on activities “likely to contribute” to an increased public understanding? If the information or similar information is already in the public domain, the record(s) would not increase the public’s understanding.

(3) Would the disclosure contribute to the understanding of a reasonably broad audience, as opposed to the individual understanding of the requestor? A requestor’s expertise in the subject and intention to convey information to the public shall be considered. Being a valid representative of the news media shall satisfy this consideration.

(4) Is the disclosure likely to contribute significantly to public understanding of government activities? The level of understanding after the disclosure versus that before the disclosure must be enhanced to a significant extent. However, the Board shall not make value judgments about whether information contributing to public understanding of government activities is important enough to release.

(c) In determining whether the second requirement is met, the Board shall consider:

(1) The existence and extent of the commercial interest: Would a commercial interest be substantially furthered by the disclosure? The Board shall consider the commercial interest (see paragraph (a)(2) of this section) of either the requestor or of any person on whose behalf they may be acting that would be furthered by the disclosure. During the administrative process, requestors shall be given an opportunity to provide additional information about this concern.

(2) The primary interest for disclosure: Whether the commercial interest of the requestor is sufficiently large in comparison to the public interest, that disclosure is “primarily in the commercial interest of the requestor.” A fee waiver is justified if the public interest standard under paragraph (b) of this section is satisfied and if that public interest is greater than any commercial interest. The Board shall presume that when news media requestors satisfy this standard, primarily the public interest is served.

(d) If only some of the records to be released satisfy the requirements for a waiver of fees, a waiver shall be granted only for those records.
§ 1303.112 Denials.

(a) When denying a request in any respect, the Board shall notify the requestor of that determination in writing. The types of denials include:

(1) Denials of requests, consisting of a determination:
   (i) To withhold any requested record in whole or in part;
   (ii) That a requested record does not exist or cannot be located;
   (iii) That a record is not readily reproducible in the form or format sought;
   (iv) That what has been requested is not a record subject to the FOIA; and
   (v) That the material requested is not a Board record (e.g., material produced by another agency or organization).

(2) A determination on any disputed fee matter, including a denial of a request for a fee waiver.

(3) A denial of a request for expedited processing.

(b) The denial letter shall be signed by the Director of Administration, the Deputy Director, or their designee, and shall include all of the following:

(1) The name and title of the person responsible for the denial.

(2) A brief statement of the reason(s) for the denial, including any FOIA exemptions applied in denying the request.

(3) An estimate of the volume of records withheld, in number of pages or in some other reasonable form of estimation. This estimate does not need to be provided if it would harm an interest protected by an applicable exemption.

(4) A statement that the denial may be appealed under §1303.114 and a description of the requirements of §1303.114.

§ 1303.113 Business information.

(a) In general. Business information obtained by the Board from a submitter shall be disclosed under the FOIA only under this section.

(b) Definitions. For purposes of this section:

(1) Business information—commercial or financial records obtained by the Board that may be protected from disclosure under Exemption 4 of the Freedom of Information Act (FOIA).

(2) Submitter—any person or entity from which the Board obtains business records, either directly or indirectly. The term includes, but is not limited to, corporations, and state, local, tribal, and foreign governments.

(c) Designation of business information. Submitters of business information shall designate any part of the record considered to be protected from disclosure under Exemption 4 of the FOIA by appropriately marking the material. This may be done either at the time the record is submitted or at a reasonable time thereafter. This designation lasts for 10 years after submittal unless the submitter requests and provides justification for a longer period.

(d) Notice to submitters. The Board shall provide a business submitter with prompt written notice of any FOIA request or appeal that seeks its business information under paragraph (e) of this section, except as provided in paragraph (h) of this section, to give the submitter an opportunity to object to that disclosure under paragraph (f) of this section. The notice shall either describe the records requested or include copies of the records.

(e) Required notice. Notice shall be given to a submitter when:

(1) The submitter has designated that the information is considered protected from disclosure under Exemption 4 of the FOIA; or

(2) The Board has reason to believe that the information may be protected from disclosure under Exemption 4 of the FOIA.

(f)(1) Objecting to disclosure. A submitter shall have 30 days to respond to the notice described in paragraph (d) of this section. If a submitter has an objection to disclosure, they are required to submit a detailed written statement including:
