§ 600.504 Information an applicant must submit.

(a) Any applicant for financial assistance under a covered program shall submit with the application for financial assistance, or at such later time as may be specified by DOE, evidence for DOE to consider in making findings required under §600.502(a) and findings concerning ownership status under §600.502(b).

(b) If an applicant for financial assistance is submitting evidence relating to future undertakings, such as an agreement under §600.503(c) to promote manufacture in the United States of products resulting from financial assistance being sought—

(1) To promote the manufacture within the United States of products resulting from that technology (taking into account the goals of promoting the competitiveness of United States industry); and

(2) To procure parts and materials from competitive suppliers.

§ 600.505 Other information DOE may consider.

In making the determination under §600.502(b)(2), DOE may—

(a) consider information on the relevant international and domestic law obligations of the country of incorporation of the parent company of an applicant;

(b) consider information relating to the policies and practices of the country of incorporation of the parent company of an applicant with respect to:

(1) The eligibility criteria for, and the experience of United States-owned company participation in, energy-related research and development programs;

(2) Local investment opportunities afforded to United States-owned companies; and

(3) Protection of intellectual property rights of United States-owned companies;

(c) Seek and consider advice from other federal agencies, as appropriate; and

(d) Consider any publicly available information in addition to the information provided by the applicant.
