

National Credit Union Administration

§ 760.2

(2) The Board shall make its determination concerning the appeal based on what is submitted in writing; there shall be no personal appearance before the Board in connection with an appeal under this paragraph.

(3) The Board shall make its determination concerning the appeal within 180 days from the date of its receipt of the appeal. The decision by the Board on appeal shall be provided to the appellant in writing, stating the reasons for the decision, and shall constitute a final agency decision. Failure by the Board to issue a decision on appeal within the 180-day period provided for under this section shall be deemed to be denial of such appeal.

(4) A final determination by the Board is reviewable in accordance with the provisions of chapter 7, title 5, United States Code, by the United States District Court for the Eastern District of Virginia or the U.S. District Court for the Federal judicial district where the FICU's principal place of business is located. Any request for judicial review under this section must be filed within 60 days of the date of the Board's final decision. If any appellant fails to file before the end of the 60-day period, the Board's decision shall be final, and the appellant shall have no further rights or remedies with respect to the request.

§ 750.7 Applicability in the event of liquidation or conservatorship.

The provisions of this part, or any consent or approval granted under the provisions of this part by NCUA, will not in any way bind any liquidating agent or conservator for a failed Federally insured credit union and will not in any way obligate the liquidating agent or conservator to pay any claim or obligation pursuant to any golden parachute, severance, indemnification or other agreement. Claims for employee welfare benefits or other benefits that are contingent, even if otherwise vested, when a liquidating agent or conservator is appointed for any Federally insured credit union, including any contingency for termination of employment, are not provable claims or actual, direct compensatory damage claims against such liquidating agent or conservator. Nothing in this part

may be construed to permit the payment of salary or any liability or legal expense of any IAP contrary to 12 U.S.C. 1786(t)(3).

The amount of insurance must be at least equal to the lesser of the outstanding principal balance of the designated loan or the maximum limit of coverage available for the particular type of property under the Act. Flood insurance coverage under the Act is limited to the overall value of the property securing the designated loan minus the value of the land on which the property is located.

(b) *Table funded loan.* A credit union that acquires a loan from a mortgage broker or other entity through table funding shall be considered to be making a loan for the purposes of this part.

§ 760.4 Exemptions.

The flood insurance requirement prescribed by § 760.3 does not apply with respect to:

(a) Any State-owned property covered under a policy of self-insurance satisfactory to the Director of FEMA, who publishes and periodically revises the list of States falling within this exemption; or

The credit union, or a servicer acting on behalf of the

National Credit Union Administration

§ 760.8

This escrow account will be subject to escrow requirements adopted pursuant to section 10 of the Real Estate Settlement Procedures Act of 1974 (12 U.S.C. 2609) (RESPA), which generally limits the amount that may be maintained in escrow accounts for certain types of loans and requires escrow account statements for those accounts, only if the loan is otherwise subject to RESPA. Following receipt of a notice from the Director of FEMA or other provider of flood insurance that premiums are due, the credit union, or a servicer acting on behalf of the credit union, shall pay the amount owed to the insurance provider from the escrow account by the date when such premiums are due.

§ 760.6 Required use of standard flood hazard determination form.

(a) *Use of form.* A credit union shall use the standard flood hazard determination form developed by the Director when determining whether the building or mobile home offered as collateral security for a loan is or will be located in a special flood hazard area in which flood insurance is available under the Act. Box 2012, Jessup, MD 20794-2012.

(b) *Retention of form.* A credit union shall retain a copy of the completed standard flood hazard determination form, in either hard copy or electronic form, for the period of time the credit union owns the loan.

[61 FR 45713, Aug. 29, 1996, as amended at 64 FR 71274, Dec. 21, 1999]

§ 760.7 Forced placement of flood insurance.

than the amount required under § 760.3, then the credit union or its servicer shall notify the borrower that the borrower should obtain flood insurance, at the borrower's expense, in an amount at least equal to the amount required under § 760.3, for the remaining term of the loan. If the borrower fails to obtain flood insurance within 45 days after notification, then the credit union or its servicer shall purchase insurance on the borrower's behalf. The credit union or its servicer may charge the borrower for the cost of premiums and fees incurred in purchasing the insurance.

[61 FR 45713, Aug. 29, 1996, as amended at 73 FR 30478, May 28, 2008]

§ 760.8 Determination fees.

(a) *General.* Notwithstanding any Federal or State law other than the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4001-4129), any credit union, or a servicer acting on behalf of the credit union, may charge a reasonable fee for determining whether the building or mobile home securing the loan is located or will be located in a special flood hazard area. A determination fee may also include, but is not limited to, a fee for life-of-loan monitoring.

(b) *Borrower fee.* The determination fee authorized by paragraph (a) of this section may be charged to the borrower if the determination:

(1) Is made in connection with a making, increasing, extending, or renewing of the loan that is initiated by the borrower;

(2) Reflects the Director of FEMA's revision or updating of floodplain areas or flood-risk zones;

(3) Reflects the Director of FEMA's publication of a notice or compendium that:

(i) Affects the area in which the building or mobile home securing the loan is located; or

(ii) By determination of the Director of FEMA, may reasonably require a determination whether the building or mobile home securing the loan is located in a special flood hazard area; or

(4) Results in the purchase of flood insurance coverage by the credit union or its servicer on behalf of the borrower under § 760.7.

§ 760.9

(c) *Purchaser or transferee fee.* The determination fee authorized by paragraph (a) of this section may be charged to the purchaser or transferee of a loan in the case of the sale or transfer of the loan.

§ 760.9 Notice of special flood hazards and availability of Federal disaster relief assistance.

(a) *Notice requirement.* When a credit union makes, increases, extends, or renews a loan secured by a building or a mobile home located or to be located in a special flood hazard area, the credit union shall mail or deliver a written notice to the borrower and to the servicer in all cases whether or not flood insurance is available under the Act for the collateral securing the loan.

(b) *Contents of notice.* The written notice must include the following information:

(1) A warning, in a form approved by the Director of FEMA, that the building or the mobile home is or will be located in a special flood hazard area;

(2) A description of the flood insurance purchase requirements set forth in section 102(b) of the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4012a(b));

(3) A statement, where applicable, that flood insurance coverage is available under the NFIP and may also be available from private insurers; and

(4) A statement whether Federal disaster relief assistance may be available in the event of damage to the building or mobile home caused by flooding in a Federally-declared disaster.

(c) *Timing of notice.* The credit union shall provide the notice required by paragraph (a) of this section to the borrower within a reasonable time before the completion of the transaction and to the servicer as promptly as practicable after the credit union provides notice to the borrower and in any event no later than the time the credit union provides other similar notices to the servicer concerning hazard insurance and taxes. Notice to the servicer may be made electronically or may take the form of a copy of the notice to the borrower.

(d) *Record of receipt.* The credit union shall retain a record of the receipt of

12 CFR Ch. VII (1–1–12 Edition)

the notices by the borrower and the servicer for the period of time the credit union owns the loan.

(e) *Alternate method of notice.* Instead of providing the notice to the borrower required by paragraph (a) of this section, a credit union may obtain satisfactory written assurance from a seller or lessor that, within a reasonable time before the completion of the sale or lease transaction, the seller or lessor has provided such notice to the purchaser or lessee. The credit union shall retain a record of the written assurance from the seller or lessor for the period of time the credit union owns the loan.

(f) *Use of prescribed form of notice.* A credit union will be considered to be in compliance with the requirement for notice to the borrower of this section providing written notice to the borrower containing the language presented in the appendix to this part within a reasonable time before the completion of the transaction. The notice presented in the appendix to this part satisfies the borrower notice requirements of the Act.

§ 760.10 Notice of servicer's identity.

(a) *Notice requirement.* When a credit union makes, increases, extends, renews, sells, or transfers a loan secured by a building or mobile home located or to be located in a special flood hazard area, the credit union shall notify the Director of FEMA (or the Director's designee) in writing of the identity of the servicer of the loan. The Director of FEMA has designated the insurance provider to receive the credit union's notice of the servicer's identity. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee.

(b) *Transfer of servicing rights.* The credit union shall notify the Director of FEMA (or the Director's designee) of any change in the servicer of a loan described in paragraph (a) of this section within 60 days after the effective date of the change. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA's designee. Upon any change in the servicing of a loan described in paragraph (a) of this section, the duty

National Credit Union Administration

§ 761.101

to provide notice under this paragraph (b) shall transfer to the transferee servicer.

APPENDIX TO PART 760—SAMPLE FORM OF NOTICE OF SPECIAL FLOOD HAZARDS AND AVAILABILITY OF FEDERAL DISASTER RELIEF ASSISTANCE

We are giving you this notice to inform you that:

The building or mobile home securing the loan for which you have applied is or will be located in an area with special flood hazards.

The area has been identified by the Director of the Federal Emergency Management Agency (FEMA) as a special flood hazard area using FEMA's *Flood Insurance Rate Map* or the *Flood Hazard Boundary Map* for the following community: _____. This area has at least a one percent (1%) chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. During the life of a 30-year mortgage loan, the risk of a 100-year flood in a special flood hazard area is 26 percent (26%).

Federal law allows a lender and borrower jointly to request the Director of FEMA to review the determination of whether the property securing the loan is located in a special flood hazard area. If you would like to make such a request, please contact us for further information.

The community in which the property securing the loan is located participates in the National Flood Insurance Program (NFIP). Federal law will not allow us to make you the loan that you have applied for if you do not purchase flood insurance. The flood insurance must be maintained for the life of the loan. If you fail to purchase or renew flood insurance on the property, Federal law authorizes and requires us to purchase the flood insurance for you at your expense.

- Flood insurance coverage under the NFIP may be purchased through an insurance agent who will obtain the policy either directly through the NFIP or through an insurance company that participates in the NFIP. Flood insurance also may be available from private insurers that do not participate in the NFIP.

- At a minimum, flood insurance purchased must cover *the lesser of*:
 - (1) the outstanding principal balance of the loan; *or*

- (2) the maximum amount of coverage allowed for the type of property under the NFIP.

Flood insurance coverage under the NFIP is limited to the overall value of the property securing the loan minus the value of the land on which the property is located.

- Federal disaster relief assistance (usually in the form of a low-interest loan) may

be available for damages incurred in excess of your flood insurance if your community's participation in the NFIP is in accordance with NFIP requirements.

Flood insurance coverage under the NFIP is not available for the property securing the loan because the community in which the property is located does not participate in the NFIP. In addition, if the non-participating community has been identified for at least one year as containing a special flood hazard area, properties located in the community will not be eligible for Federal disaster relief assistance in the event of a Federally-declared flood disaster.

AUTHORITY: 12 U.S.C. 1751 *et seq.* and 5101 *et seq.*

SOURCE: 75 FR 44704, July 28, 2010, unless otherwise noted.

§ 761.101 Authority, purpose, and scope.

(a) *Authority.* This part is issued pursuant to the Secure and Fair Enforcement for Mortgage Licensing Act of 2008, title V of the Housing and Economic Recovery Act of 2008 (S.A.F.E. Act) (Pub. L. 110-289, 122 Stat. 2654, 12 U.S.C. 5101 *et seq.*).

(b) *Purpose.* This part implements the S.A.F.E. Act's Federal registration requirement for mortgage loan originators. The S.A.F.E. Act provides that the objectives of this registration include aggregating and improving the flow of information to and between regulators; providing increased accountability and tracking of mortgage loan originators; enhancing member protections; reducing fraud in the residential mortgage loan origination process; and providing members with easily accessible information at no charge regarding the employment history of, and publicly adjudicated disciplinary and enforcement actions against, mortgage loan originators.
