§ 120.475 Change of ownership or control.

(a) Any change of ownership or control without prior written approval of SBA is prohibited. An SBLC must request approval of any such change from the appropriate Office of Capital Access official in accordance with Delegations of Authority. Pending the approval, the SBLC may not register the proposed new owners on its transfer books nor permit them to participate in any manner in the conduct of the SBLC’s affairs. Change of ownership or control includes:

(1) Any transfer of 10 percent or more of any class of the SBLC’s stock, and any agreement providing for such transfer;

(2) Any transfer that could result in the beneficial ownership by any person or group of persons acting in concert of 10 percent or more of any class of its stock, and any agreement providing for such transfer;

(3) Any merger, consolidation, or reorganization; or

(4) Any other transaction or agreement that transfers control of the SBLC.

(b) If transfer of ownership or control is subject to the approval of any State or Federal chartering, licensing, or other regulatory authority, copies of any documents filed with such authority must, at the same time, be transmitted to the appropriate Office of Capital Access official in accordance with Delegations of Authority.

§ 120.476 Prohibited financing.

An SBLC may not make a loan to a small business that has received financing (or a commitment for financing) from an SBIC that is an Associate of the SBLC.

§ 120.490 Audits.

Every SBLC is subject to periodic audits by SBA’s Office of Inspector General, Auditing Division, and the cost of such audits will be assessed against the SBLC, except for the first audit. Fees are structured based on the SBLC’s assets as of the date of the latest audited financial statement submitted to SBA before the audit. The fee schedule is set forth in SBA’s Standard Operating Procedures manual.

Subpart E—Servicing, Liquidation and Debt Collection Litigation of 7(a) and 504 Loans

A Lender may demand in writing that SBA honor its guarantee if the Borrower is in default on any installment for more than 60 calendar days (or less if SBA agrees) and the default has not been cured, provided all business personal property securing the defaulted SBA loan has been liquidated. A Lender may also submit a request for purchase of a defaulted 7(a) loan when a Borrower files for federal bankruptcy once a period of at least 60 days has elapsed since the last full installment payment. If a Borrower cures a default before a Lender requests purchase by SBA, the Lender’s right to request purchase on that default lapses. SBA considers liquidation of business personal property collateral to be completed when a Lender has exhausted all prudent and commercially reasonable efforts to collect upon these assets. In addition, SBA, in its sole discretion, may purchase the guaranteed portion of a loan at any time whether in default or not, with or without the request from a Lender.

(2) For loans approved before May 14, 2007. The regulations applicable to the time that a Lender may make demand for purchase that were in effect immediately prior to this date will govern such loans.

(b) Documentation for purchase. SBA will not purchase its guaranteed portion of a loan from a Lender unless the Lender has submitted to SBA documentation that SBA deems sufficient to allow SBA to determine whether
