§ 123.401 What types of mitigation measures can your business include in an application for a pre-disaster mitigation loan?

(a) The mitigation measure, as described in the application, must serve the purpose of protecting your commercial real property (building) or leasehold improvements or contents from damage that may be caused by future disasters; and

(b) The mitigation measure must conform to the priorities and goals of the State or local government’s mitigation plan for the community in which the business subject to the measure is located. To show that this factor is satisfied your business must submit to SBA, as a part of your complete application, a written statement from a State or local emergency management coordinator confirming this fact (see §123.408).
