

Small Business Administration

§ 127.503

409 Third Street, SW., Washington, DC 20416, or by fax to (202) 205-6390, marked "Attn: Request for Women-Owned Small Business Eligibility Examination."

(d) *Notice of receipt of request.* SBA will immediately notify the concern in writing once SBA receives its request for an examination. SBA will request that the concern provide documentation and information related to the concern's EDWOSB or WOSB eligibility and may draw an adverse inference if the concern fails to cooperate in providing the requested information.

(e) *Determination of eligibility.* The D/GC will send the concern a written decision finding that it either qualifies or does not qualify as an EDWOSB or WOSB.

(1) If the D/GC determines that the concern does not qualify as an EDWOSB or WOSB, the decision will explain the specific reasons for the adverse determination and advise the concern that it is prohibited from self-certifying as an EDWOSB or WOSB. If the concern self-certifies as an EDWOSB or WOSB notwithstanding SBA's adverse determination, the concern will be subject to the penalties under subpart G of this part.

(2) If the D/GC determines that the concern qualifies as an EDWOSB or WOSB, then the D/GC will send the concern a written decision to that effect and will advise the concern that it may self-certify as an EDWOSB or WOSB, as applicable.

(f) *Effect of decision.* The D/GC's decision is effective immediately and remains in full force and effect unless a new examination verifies the concern is an eligible EDWOSB or WOSB or the concern is certified by a third-party certifier. If the concern has already certified itself as a WOSB or EDWOSB on a pending procurement the concern must immediately inform the officials responsible for the procurement of the adverse determination.

(g) *Determinations of Ineligibility.* A concern that has been found to be ineligible shall not represent itself as a WOSB or EDWOSB until it cures the reason for its ineligibility and SBA determines that the concern qualifies as a WOSB or EDWOSB. A concern that believes in good faith that it has cured

the reason(s) for its ineligibility may request an examination under the procedures set forth in this section.

Subpart E—Federal Contract Assistance

§ 127.500 In what industries is a contracting officer authorized to restrict competition under this part?

A contracting officer may restrict competition under this part only in those industries in which SBA has determined that WOSBs are underrepresented or substantially underrepresented in Federal procurement, as specified in § 127.501.

§ 127.501 How will SBA determine the industries that are eligible for EDWOSB or WOSB requirements?

(a) Based upon its analysis, SBA will designate by NAICS Industry Subsector Code those industries in which WOSBs are underrepresented and substantially underrepresented.

(b) In determining the extent of disparity of WOSBs, SBA may request that the head of any Federal department or agency provide SBA, data or information necessary to analyze the extent of disparity of WOSBs.

§ 127.502 How will SBA identify and provide notice of the designated industries?

SBA will post on its Internet Web site at <http://www.sba.gov> a list of NAICS Industry Subsector industries it designates under § 127.501. The list of designated industries also may be obtained from the local SBA district office and may be posted on the General Services Administration Internet Web site.

§ 127.503 When is a contracting officer authorized to restrict competition under this part?

(a) *EDWOSB requirements.* For requirements in industries designated by SBA as underrepresented pursuant to § 127.501, a contracting officer may restrict competition to EDWOSBs if the contracting officer has a reasonable expectation based on market research that:

(1) Two or more EDWOSBs will submit offers for the contract;

(2) The anticipated award price of the contract (including options) does not exceed \$5,000,000, in the case of a contract assigned an NAICS code for manufacturing; or \$3,000,000, in the case of all other contracts; and

(3) Contract award may be made at a fair and reasonable price.

(b) *WOSB requirements.* For requirements in industries designated by SBA as substantially underrepresented pursuant to § 127.501, a contracting officer may restrict competition to WOSBs if the contracting officer has a reasonable expectation based on market research that:

(1) Two or more WOSBs will submit offers (this includes EDWOSBs, which are also WOSBs);

(2) The anticipated award price of the contract (including options) will not exceed \$5,000,000, in the case of a contract assigned an NAICS code for manufacturing, or \$3,000,000 in the case of all other contracts; and

(3) Contract award may be made at a fair and reasonable price.

(c) *8(a) BD requirements.* A contracting officer may not restrict competition to eligible EDWOSBs or WOSBs if an 8(a) BD Participant is currently performing the requirement under the 8(a) BD Program or SBA has accepted the requirement for performance under the authority of the 8(a) BD program, unless SBA consented to release the requirement from the 8(a) BD program.

(d) *Contracting Among Small Business Programs.*

(1) *Acquisitions Valued At or Below \$100,000/Simplified Acquisition Threshold.* The contracting officer shall set aside any acquisition with an anticipated dollar value exceeding \$3,000 (\$15,000 for acquisitions as described in the Federal Acquisition Regulation (FAR) at 48 CFR 13.201(g)(1)) but valued below \$100,000 (\$250,000 for acquisitions described in paragraph (1) of the Simplified Acquisition Threshold definition in the FAR at 48 CFR 2.101) for small business concerns when there is a reasonable expectation that offers will be obtained from at least two small business concerns that are competitive in terms of quality and delivery and award will be made at fair market prices. This requirement does not pre-

clude a contracting officer from setting aside a contract under the 8(a) BD, HUBZone, Service Disabled Veteran Owned (SDVO), or WOSB programs.

(2) *Acquisitions Valued Above \$100,000/Simplified Acquisition Threshold.*

(i) The contracting officer shall set aside any acquisition with an anticipated dollar value exceeding \$100,000 (\$250,000 for acquisitions described in paragraph (1) of the Simplified Acquisition Threshold definition in the FAR at 48 CFR 2.101) for small business concerns when there is a reasonable expectation that offers will be obtained from at least two small business concerns that are competitive in terms of quality and delivery and award will be made at fair market prices. However, after conducting market research, the contracting officer shall first consider a set-aside or sole source award (if the sole source award is permitted by statute or regulation) under the 8(a) BD, HUBZone, SDVO SBC or WOSB programs before setting aside the requirement as a small business set-aside. There is no order of precedence among the 8(a) BD, HUBZone, SDVO SBC or WOSB programs. The contracting officer must document the contract file with the rationale used to support the specific set-aside, including the type and extent of market research conducted. In addition, the contracting officer must document the contract file showing that the apparent successful offeror's ORCA certifications and associated representations were reviewed.

(ii) SBA believes that Progress in fulfilling the various small business goals, as well as other factors such as the results of market research, programmatic needs specific to the procuring agency, anticipated award price, and the acquisition history, will be considered in making a decision as to which program to use for the acquisition.

(e) *Contract file.* When restricting competition to WOSBs or EDWOSBs in accordance with § 127.503, the contracting officer must document the contract file accordingly, including the type and extent of market research and the fact that the NAICS code assigned to the contract is for an industry that SBA has designated as an underrepresented or, with respect to WOSBs,

substantially underrepresented, industry. In addition, the contracting officer must document the contract file showing that the apparent successful offeror's documents and ORCA certifications and associated representations were reviewed.

§ 127.504 What additional requirements must a concern satisfy to submit an offer on an EDWOSB or WOSB requirement?

(a) In order for a concern to submit an offer on a specific EDWOSB or WOSB requirement, the concern must ensure that the appropriate representations and certifications on ORCA are accurate and complete at the time it submits its offer to the contracting officer, including, but not limited to, the fact that:

(1) It is small under the size standard corresponding to the NAICS code assigned to the contract;

(2) It is listed on CCR and ORCA as an EDWOSB or WOSB; and

(3) There has been no material change in any of its circumstances affecting its EDWOSB or WOSB eligibility.

(b) The concern must also meet the applicable percentages of work requirement as set forth in § 125.6 of this chapter (limitations on subcontracting rule).

§ 127.505 May a non-manufacturer submit an offer on an EDWOSB or WOSB requirement for supplies?

An EDWOSB or WOSB that is a non-manufacturer, as defined in § 121.406(b) of this chapter, may submit an offer on an EDWOSB or WOSB contract for supplies, if it meets the requirements under the non-manufacturer rule set forth in § 121.406(b) of this chapter.

§ 127.506 May a joint venture submit an offer on an EDWOSB or WOSB requirement?

A joint venture may submit an offer on an EDWOSB or WOSB contract if the joint venture meets all of the following requirements:

(a) Except as provided in § 121.103(h)(3) of this chapter, the combined annual receipts or employees of the concerns entering into the joint venture must meet the applicable size

standard corresponding to the NAICS code assigned to the contract;

(b) The EDWOSB or WOSB participant of the joint venture must be designated on the CCR and the ORCA as an EDWOSB or WOSB;

(c) The parties to the joint venture must enter into a written joint venture agreement. The joint venture agreement must contain a provision:

(1) Setting forth the purpose of the joint venture.

(2) Designating an EDWOSB or WOSB as the managing venturer of the joint venture, and an employee of the managing venturer as the project manager responsible for the performance of the contract;

(3) Stating that not less than 51 percent of the net profits earned by the joint venture will be distributed to the EDWOSB or WOSB;

(4) Specifying the responsibilities of the parties with regard to contract performance, sources of labor, and negotiation of the EDWOSB or WOSB contract; and

(5) Requiring the final original records be retained by the managing venturer upon completion of the EDWOSB or WOSB contract performed by the joint venture.

(d) The joint venture must perform the applicable percentage of work required of the EDWOSB or WOSB offerors in accordance with § 125.6 of this chapter (limitations on subcontracting rule);

(e) The procuring activity will execute the contract in the name of the EDWOSB or WOSB or joint venture.

(f) The WOSB or EDWOSB must provide a copy of the joint venture agreement to the contracting officer.

§ 127.507 Are there EDWOSB and WOSB contracting opportunities at or below the simplified acquisition threshold?

If the requirement is at or below the simplified acquisition threshold, the contracting officer may set-aside the requirement as set forth in § 127.503.

§ 127.508 May SBA appeal a contracting officer's decision not to reserve a procurement for award as a WOSB Program contract?

The Administrator may appeal a contracting officer's decision not to make
