§ 151.15 Federal-aid Airport Program: Policy affecting runway or taxiway remarking.

No project for developing or improving an airport may be approved for the Program unless it provides for runway or taxiway remarking if the present marking is obliterated by construction, alteration or repair work included in a FAAAP project or by the required routing of construction equipment used therein.

Subpart B—Rules and Procedures for Airport Development Projects

(Authority: 49 U.S.C. 106(g), 40113, 47151, 47153.
