§ 158.33 Duration of authority to impose a PFC before project implementation.

(a) A public agency shall not impose a PFC beyond the lesser of the following—

1. 2 years after approval to use PFC revenue on an approved project if the project has not been implemented, or
2. 5 years after the charge effective date; or
3. 5 years after the FAA's decision on the application (if the charge effective date is more than 60 days after the decision date) if an approved project is not implemented.

(b) If, in the Administrator's judgment, the public agency has not made sufficient progress toward implementation of an approved project within the times specified in paragraph (a) of this section, the Administrator begins termination proceedings under subpart E of this part.

(c) The authority to impose a PFC following approval shall automatically expire without further action by the Administrator on the following dates:

1. 3 years after the charge effective date; or 3 years after the FAA's decision on the application if the charge effective date is more than 60 days after the decision date unless—
   (i) The public agency has filed an application for approval to use PFC revenue for an eligible project that is pending before the FAA;
   (ii) An application to use PFC revenue has been approved; or
   (iii) A request for extension (not to exceed 2 years) to submit an application for project approval, under §158.35, has been granted; or
2. 5 years after the charge effective date; or 5 years after the FAA's decision on the application (if the charge effective date is more than 60 days after the decision date) unless the public agency has obtained project approval.

(d) If the authority to impose a PFC expires under paragraph (c) of this section, the public agency must provide
§ 158.35 Extension of time to submit application to use PFC revenue.

(a) A public agency may request an extension of time to submit an application to use PFC revenue after approval of an application to impose PFC's. At least 30 days prior to submitting such request, the public agency shall publish notice of its intention to request an extension in a local newspaper of general circulation and shall request comments. The notice shall include progress on the project, a revised schedule for obtaining project approval and reasons for the delay in submitting the application.

(b) The request shall be submitted at least 120 days prior to the charge expiration date and, unless otherwise authorized by the Administrator, shall be accompanied by the following:

(1) A description of progress on the project application to date.

(2) A revised schedule for submitting the application.

(3) An explanation of the reasons for delay in submitting the application.

(4) A summary financial report depicting the total amount of PFC revenue collected plus interest, the projected amount to be collected during the period of the requested extension, and any public agency funds used on the project for which reimbursement may be sought.

(5) A summary of any further consultation with air carriers and foreign air carriers operating at the airport.

(6) A summary of comments received in response to the local notice.

(c) The Administrator reviews the request for extension and accompanying information, to determine whether—

(1) The public agency has shown good cause for the delay in applying for project approval;

(2) The revised schedule is satisfactory; and

(3) Further collection will not result in excessive accumulation of PFC revenue.

(d) The Administrator, upon determining that the agency has shown good cause for the delay and that other elements of the request are satisfactory, grants the request for extension to the public agency. The Administrator advises the public agency in writing not more than 90 days after receipt of the request. The duration of the extension shall be as specified in §158.33 of this part.

§ 158.37 Amendment of approved PFC.

(a)(1) A public agency may amend the FAA's decision with respect to an approved PFC to:

(i) Increase or decrease the level of PFC the public agency wants to collect from each passenger,

(ii) Increase or decrease the total approved PFC revenue,

(iii) Change the scope of an approved project,

(iv) Delete an approved project, or

(v) Establish a new class of carriers under §158.11 or amend any such class previously approved.

(2) A public agency may not amend the FAA's decision with respect to an approved PFC to add projects, change an approved project to a different facility type, or alter an approved project to accomplish a different purpose.

(b) The public agency must file a request to the Administrator to amend the FAA's decision with respect to an approved PFC. The request must include or demonstrate:

(1)(i) Further consultation with the air carriers and foreign air carriers and seek public comment in accordance with §§158.23 and 158.24 when applying for those requests to:

(A) Amend the approved PFC amount for a project by more than 25 percent of
