Federal Aviation Administration, DOT

§ 158.83 Informal resolution.

The Administrator shall undertake informal resolution with the public agency or any other affected party if, after review under §158.71, the Administrator cannot determine that PFC revenue is being used for the approved projects in accordance with the terms of the Administrator’s approval to impose a PFC for those projects or with 49 U.S.C. 40117.

Subpart E—Termination

§ 158.81 General.

This subpart contains the procedures for termination of PFCs or loss of Federal airport grant funds for violations of this part or 49 U.S.C. 40117. This subpart does not address the circumstances under which the authority to collect PFCs may be terminated for violations of 49 U.S.C. 47523 through 47528.

§ 158.83 Informal resolution.

The Administrator shall undertake informal resolution with the public agency or any other affected party if, after review under §158.71, the Administrator cannot determine that PFC revenue is being used for the approved projects in accordance with the terms of the Administrator’s approval to impose a PFC for those projects or with 49 U.S.C. 40117.
