(i) Vote or direct the voting of the securities described therein; or

(ii) Acquire an additional beneficial ownership interest in any equity securities of the issuer of the securities, nor of any person controlling the issuer.

(ii) Acquire an additional beneficial ownership interest in any equity securities of the issuer of the securities, nor of any person controlling the issuer.

(g) Any person who has reported an acquisition of securities in a statement on Schedule 13G (§240.13d-102) pursuant to paragraph (b) of this section, or has become obligated to report on the Schedule 13G (§240.13d-102) but has not yet filed the Schedule, and thereafter ceases to be a person specified in paragraph (b)(1)(ii) of this section or determines that it no longer has acquired or holds the securities in the ordinary course of business shall immediately become subject to §240.13d-1(a) or §240.13d-1(c) (if the person satisfies the requirements specified in §240.13d-1(c)), and §§240.13d-2 (a), (b) or (d), and shall file, within 10 days thereafter, a statement on Schedule 13D (§240.13d-101) or amendment to Schedule 13G, as applicable, if the person is a beneficial owner at that time of more than five percent of the class of equity securities.

(h) Any person who has filed a Schedule 13D (§240.13d-101) pursuant to paragraph (e), (f) or (g) of this section may again report its beneficial ownership on Schedule 13G (§240.13d-102) pursuant to paragraphs (b) or (c) of this section provided the person qualifies thereunder, as applicable, by filing a Schedule 13G (§240.13d-102) once the person determines that the provisions of paragraph (e), (f) or (g) of this section no longer apply.

(i) For the purpose of this regulation, the term "equity security" means any equity security of a class which is registered pursuant to section 12 of that Act, or any equity security of any insurance company which would have been required to be so registered except for the exemption contained in section 12(g)(2)(G) of the Act, or any equity security issued by a closed-end investment company registered under the Investment Company Act of 1940; *Provided*, Such term shall not include securities of a class of non-voting securities.

(j) For the purpose of sections 13(d) and 13(g), any person, in determining the amount of outstanding securities of a class of equity securities, may rely

upon information set forth in the issuer's most recent quarterly or annual report, and any current report subsequent thereto, filed with the Commission pursuant to this Act, unless he knows or has reason to believe that the information contained therein is inaccurate.

(k)(1) Whenever two or more persons are required to file a statement containing the information required by Schedule 13D or Schedule 13G with respect to the same securities, only one statement need be filed: *Provided*, That:

(i) Each person on whose behalf the statement is filed is individually eligible to use the Schedule on which the information is filed;

(ii) Each person on whose behalf the statement is filed is responsible for the timely filing of such statement and any amendments thereto, and for the completeness and accuracy of the information concerning such person contained therein; such person is not responsible for the completeness or accuracy of the information concerning the other persons making the filing, unless such person knows or has reason to believe that such information is inaccurate; and

(iii) Such statement identifies all such persons, contains the required information with regard to each such person, indicates that such statement is filed on behalf of all such persons, and includes, as an exhibit, their agreement in writing that such a statement is filed on behalf of each of them.

(2) A group's filing obligation may be satisfied either by a single joint filing or by each of the group's members making an individual filing. If the group's members elect to make their own filings, each such filing should identify all members of the group but the information provided concerning the other persons making the filing need only reflect information which the filing person knows or has reason to know.

§ 240.13d-2 Filing of amendments to Schedules 13D or 13G.

(a) If any material change occurs in the facts set forth in the Schedule 13D (§ 240.13d-101) required by § 240.13d-1(a), including, but not limited to, any material increase or decrease in the percentage of the class beneficially owned, the person or persons who were required to file the statement shall promptly file or cause to be filed with the Commission an amendment disclosing that change. An acquisition or disposition of beneficial ownership of securities in an amount equal to one percent or more of the class of securities shall be deemed "material" for purposes of this section; acquisitions or dispositions of less than those amounts may be material, depending upon the facts and circumstances.

(b) Notwithstanding paragraph (a) of this section, and provided that the person filing a Schedule 13G (§ 240.13d-102) pursuant to § 240.13d-1(b) or § 240.13d-1(c) continues to meet the requirements set forth therein, any person who has filed a Schedule 13G (§ 240.13d-102) pursuant to § 240.13d-1(b), § 240.13d-1(c) or § 240.13d-1(d) shall amend the statement within forty-five days after the end of each calendar year if, as of the end of the calendar year, there are any changes in the information reported in the previous filing on that Schedule: *Provided, however,* That an amendment need not be filed with respect to a change in the percent of class outstanding previously reported if the change results solely from a change in the aggregate number of securities outstanding. Once an amendment has been filed reflecting beneficial ownership of five percent or less of the class of securities, no additional filings are required unless the person thereafter becomes the beneficial owner of more than five percent of the class and is required to file pursuant to § 240.13d-1.

(c) Any person relying on § 240.13d-1(b) that has filed its initial Schedule 13G (§ 240.13d-102) pursuant to that paragraph shall, in addition to filing any amendments pursuant to § 240.13d-2(b), file an amendment on Schedule 13G (§ 240.13d-102) within 10 days after the end of the first month in which the person's direct or indirect beneficial

ownership, computed as of the last day of the month, exceeds 10 percent of the class of equity securities. Thereafter, that person shall, in addition to filing any amendments pursuant to § 240.13d-2(b), file an amendment on Schedule 13G (§ 240.13d-102) within 10 days after the end of the first month in which the person's direct or indirect beneficial ownership, computed as of the last day of the month, increases or decreases by more than five percent of the class of equity securities. Once an amendment has been filed reflecting beneficial ownership of five percent or less of the class of securities, no additional filings are required by this paragraph (c).

(d) Any person relying on § 240.13d-1(c) and has filed its initial Schedule 13G (§ 240.13d-102) pursuant to that paragraph shall, in addition to filing any amendments pursuant to § 240.13d-2(b), file an amendment on Schedule 13G (§ 240.13d-102) promptly upon acquiring, directly or indirectly, greater than 10 percent of a class of equity securities specified in § 240.13d-1(d), and thereafter promptly upon increasing or decreasing its beneficial ownership by more than five percent of the class of equity securities. Once an amendment has been filed reflecting beneficial ownership of five percent or less of the class of securities, no additional filings are required by this paragraph (d).

(e) The first electronic amendment to a paper format Schedule 13D (§ 240.13d-101 of this chapter) or Schedule 13G (§ 240.13d-102 of this chapter) shall restate the entire text of the Schedule 13D or 13G, but previously filed paper exhibits to such Schedules are not required to be restated electronically. *See* Rule 102 of Regulation S-T (§ 232.102 of this chapter) regarding amendments to exhibits previously filed in paper format. Notwithstanding the foregoing, if the sole purpose of filing the first electronic Schedule 13D or 13G amendment is to report a change in beneficial ownership that would terminate the filer's obligation to report, the amendment need not include a restatement of the entire text of the Schedule being amended.

§ 240.13d-3 Determination of beneficial owner.

(a) For the purposes of sections 13(d) and 13(g) of the Act a beneficial owner of a security includes any person who, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise has or shares:

(1) Voting power which includes the power to vote, or to direct the voting of, such security; and/or,

(2) Investment power which includes the power to dispose, or to direct the disposition of, such security.

(b) Any person who, directly or indirectly, creates or uses a trust, proxy, power of attorney, pooling arrangement or any other contract, arrangement, or device with the purpose of effect of divesting such person of beneficial ownership of a security or preventing the vesting of such beneficial ownership as part of a plan or scheme to evade the reporting requirements of section 13(d) or (g) of the Act shall be deemed for purposes of such sections to be the beneficial owner of such security.

(c) All securities of the same class beneficially owned by a person, regardless of the form which such beneficial ownership takes, shall be aggregated in calculating the number of shares beneficially owned by such person.

(d) Notwithstanding the provisions of paragraphs (a) and (c) of this rule:

(1)(i) A person shall be deemed to be the beneficial owner of a security, subject to the provisions of paragraph (b) of this rule, if that person has the right

to acquire beneficial ownership of such security, as defined in Rule 13d-3(a) (§240.13d-3(a)) within sixty days, including but not limited to any right to acquire: (A) Through the exercise of any option, warrant or right; (B) through the conversion of a security; (C) pursuant to the power to revoke a trust, discretionary account, or similar arrangement; or (D) pursuant to the automatic termination of a trust, discretionary account or similar arrangement; provided, however, any person who acquires a security or power specified in paragraphs (d)(1)(i)(A), (B) or (C), of this section, with the purpose or effect of changing or influencing the control of the issuer, or in connection with or as a participant in any transaction having such purpose or effect, immediately upon such acquisition shall be deemed to be the beneficial owner of the securities which may be acquired through the exercise or conversion of such security or power. Any securities not outstanding which are subject to such options, warrants, rights or conversion privileges shall be deemed to be outstanding for the purpose of computing the percentage of outstanding securities of the class owned by such person but shall not be deemed to be outstanding for the purpose of computing the percentage of the class by any other person.

(ii) Paragraph (d)(1)(i) of this section remains applicable for the purpose of determining the obligation to file with respect to the underlying security even though the option, warrant, right or convertible security is of a class of equity security, as defined in §240.13d-1(i), and may therefore give rise to a separate obligation to file.

(2) A member of a national securities exchange shall not be deemed to be a beneficial owner of securities held directly or indirectly by it on behalf of another person solely because such member is the record holder of such securities and, pursuant to the rules of such exchange, may direct the vote of such securities, without instruction, on other than contested matters or matters that may affect substantially the rights or privileges of the holders of

the securities to be voted, but is otherwise precluded by the rules of such exchange from voting without instruction.

(3) A person who in the ordinary course of his business is a pledgee of securities under a written pledge agreement shall not be deemed to be the beneficial owner of such pledged securities until the pledgee has taken all formal steps necessary which are required to declare a default and determines that the power to vote or to direct the vote or to dispose or to direct the disposition of such pledged securities will be exercised, provided, that:

(i) The pledge agreement is bona fide and was not entered into with the purpose nor with the effect of changing or influencing the control of the issuer, nor in connection with any transaction having such purpose or effect, including any transaction subject to Rule 13d-3(b);

(ii) The pledgee is a person specified in Rule 13d-1(b)(ii), including persons meeting the conditions set forth in paragraph (G) thereof; and

(iii) The pledgee agreement, prior to default, does not grant to the pledgee;

(A) The power to vote or to direct the vote of the pledged securities; or

(B) The power to dispose or direct the disposition of the pledged securities, other than the grant of such power(s) pursuant to a pledge agreement under which credit is extended subject to regulation T (12 CFR 220.1 to 220.8) and in which the pledgee is a broker or dealer registered under section 15 of the act.

(4) A person engaged in business as an underwriter of securities who acquires securities through his participation in good faith in a firm commitment underwriting registered under the Securities Act of 1933 shall not be deemed to be the beneficial owner of such securities until the expiration of

forty days after the date of such acquisition.

NOTES: Attach as many copies of the second part of the cover page as are needed, one reporting person per page.

Filing persons may, in order to avoid unnecessary duplication, answer items on the schedules (Schedule 13D, 13G or TO) by appropriate cross references to an item or items on the cover page(s). This approach may only be used where the cover page item or items provide all the disclosure required by the schedule item. Moreover, such a use of a cover page item will result in the item becoming a part of the schedule and accordingly being considered as “filed” for purposes of section 18 of the Securities Exchange Act or otherwise subject to the liabilities of that section of the Act.

Reporting persons may comply with their cover page filing requirements by filing either completed copies of the blank forms available from the Commission, printed or typed facsimiles, or computer printed facsimiles, provided the documents filed have identical formats to the forms prescribed in the Commission’s regulations and meet existing Securities Exchange Act rules as to such matters as clarity and size (Securities Exchange Act Rule 12b-12).

SPECIAL INSTRUCTIONS FOR COMPLYING WITH SCHEDULE 13D

Under sections 13(d) and 23 of the Securities Exchange Act of 1934 and the rules and

regulations thereunder, the Commission is authorized to solicit the information required to be supplied by this schedule by certain security holders of certain issuers.

Disclosure of the information specified in this schedule is mandatory. The information will be used for the primary purpose of determining and disclosing the holdings of certain beneficial owners of certain equity securities. This statement will be made a matter of public record. Therefore, any information given will be available for inspection by any member of the public.

Because of the public nature of the information, the Commission can use it for a variety of purposes, including referral to other governmental authorities or securities self-regulatory organizations for investigatory purposes or in connection with litigation involving the federal securities laws or other civil, criminal or regulatory statutes or provisions.

Failure to disclose the information requested by this schedule may result in civil or criminal action against the persons involved for violation of the federal securities laws and rules promulgated thereunder.

Instructions. A. The item numbers and captions of the items shall be included but the text of the items is to be omitted. The answers to the items shall be so prepared as to indicate clearly the coverage of the items without referring to the text of the items. Answer every item. If an item is inapplicable or the answer is in the negative, so state.

B. Information contained in exhibits to the statement may be incorporated by reference in answer or partial answer to any item or sub-item of the statement unless it would render such answer misleading, incomplete, unclear or confusing. Material incorporated by reference shall be clearly identified in the reference by page, paragraph, caption or otherwise. An express statement that the specified matter is incorporated by reference shall be made at the particular place in the statement where the information is required. A copy of any information or a copy of the pertinent pages of a document containing such information which is incorporated by reference shall be submitted with this statement as an exhibit and shall be deemed to be filed with the Commission for all purposes of the Act.

C. If the statement is filed by a general or limited partnership, syndicate, or other group, the information called for by Items 2-6, inclusive, shall be given with respect to (i) each partner of such general partnership; (ii) each partner who is denominated as a general partner or who functions as a general partner of such limited partnership; (iii) each member of such syndicate or group; and (iv) each person controlling such partner or member. If the statement is filed by a corporation or if a person referred to in (i), (ii),

(iii) or (iv) of this Instruction is a corporation, the information called for by the above mentioned items shall be given with respect to (a) each executive officer and director of such corporation; (b) each person controlling such corporation; and (c) each executive officer and director of any corporation or other person ultimately in control of such corporation.

Item 1. Security and Issuer. State the title of the class of equity securities to which this statement relates and the name and address of the principal executive offices of the issuer of such securities.

If the person filing this statement or any person enumerated in Instruction C is a natural person, provide the information specified in (a) through (f) of this Item with respect to such person(s).

(e) Whether or not, during the last five years, such person was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws; and, if so, identify and describe such proceedings and summarize the terms of such judgment, decree or final order; and

(f) Citizenship.

Item 3. Source and Amount of Funds or Other Consideration. State the source and the amount of funds or other consideration used or to be used in making the purchases, and if any part of the purchase price is or will be represented by funds or other consideration borrowed or otherwise obtained for the purpose of acquiring, holding, trading or voting the securities, a description of the transaction and the names of the parties thereto. Where material, such information should

also be provided with respect to prior acquisitions not previously reported pursuant to this regulation. If the source of all or any part of the funds is a loan made in the ordinary course of business by a bank, as defined in section 3(a)(6) of the Act, the name of the bank shall not be made available to the public if the person at the time of filing the statement so requests in writing and files such request, naming such bank, with the Secretary of the Commission. If the securities were acquired other than by purchase, describe the method of acquisition.

Item 4. Purpose of Transaction. State the purpose or purposes of the acquisition of securities of the issuer. Describe any plans or proposals which the reporting persons may have which relate to or would result in:

(a) The acquisition by any person of additional securities of the issuer, or the disposition of securities of the issuer;

(f) Any other material change in the issuer's business or corporate structure, including but not limited to, if the issuer is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by section 13 of the Investment Company Act of 1940;

(g) Changes in the issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the issuer by any person;

(j) Any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer. (a) State the aggregate number and percentage of the class of securities identified pursuant to Item 1 (which may be based on the number of securities outstanding as contained in the most recently available filing with the Commission by the issuer unless the filing

person has reason to believe such information is not current) beneficially owned (identifying those shares which there is a right to acquire) by each person named in Item 2. The above mentioned information should also be furnished with respect to persons who, together with any of the persons named in Item 2, comprise a group within the meaning of section 13(d)(3) of the Act;

(b) For each person named in response to paragraph (a), indicate the number of shares as to which there is sole power to vote or to direct the vote, sole power to dispose or to direct the disposition, or shared power to dispose or to direct the disposition. Provide the applicable information required by Item 2 with respect to each person with whom the power to vote or to direct the vote or to dispose or direct the disposition is shared;

(c) Describe any transactions in the class of securities reported on that were effected during the past sixty days or since the most recent filing of Schedule 13D (§ 240.13d-101), whichever is less, by the persons named in response to paragraph (a).

Instruction. The description of a transaction required by Item 5(c) shall include, but not necessarily be limited to: (1) The identity of the person covered by Item 5(c) who effected the transaction; (2) the date of transaction; (3) the amount of securities involved; (4) the price per share or unit; and (5) where and how the transaction was effected.

(d) If any other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, such securities, a statement to that effect should be included in response to this item and, if such interest relates to more than five percent of the class, such person should be identified. A listing of the shareholders of an investment company registered under the Investment Company Act of 1940 or the beneficiaries of an employee benefit plan, pension fund or endowment fund is not required.

(e) If applicable, state the date on which the reporting person ceased to be the beneficial owner of more than five percent of the class of securities.

Instruction. For computations regarding securities which represent a right to acquire an underlying security, see Rule 13d-3(d)(1) and the note thereto.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer. Describe any contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the issuer, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, naming the

persons with whom such contracts, arrangements, understandings or relationships have been entered into. Include such information for any of the securities that are pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities except that disclosure of standard default and similar provisions contained in loan agreements need not be included.

Item 7. Material to be Filed as Exhibits. The following shall be filed as exhibits: Copies of written agreements relating to the filing of joint acquisition statements as required by Rule 13d-1(k) and copies of all written agreements, contracts, arrangements, understanding, plans or proposals relating to: (1) The borrowing of funds to finance the acquisition as disclosed in Item 3; (2) the acquisition of issuer control, liquidation, sale of assets, merger, or change in business or corporate structure, or any other matter as disclosed in Item 4; and (3) the transfer or voting of the securities, finder's fees, joint ventures, options, puts, calls, guarantees of loans, guarantees against loss or of profit, or the giving or withholding of any proxy as disclosed in Item 6.

(1) All written communications made by the issuer or affiliate relating to the issuer tender offer, from and including the first public announcement, as soon as practicable on the date of the communication;

(2) A Schedule TO (§240.14d-100), including all exhibits;

(3) An amendment to Schedule TO (§240.14d-100) reporting promptly any material changes in the information set forth in the schedule previously filed; and

(4) A final amendment to Schedule TO (§240.14d-100) reporting promptly the results of the issuer tender offer.

Instructions to §240.13e-4(c):

1. Pre-commencement communications must be filed under cover of Schedule TO (§240.14d-100) and the box on the cover page of the schedule must be marked.

2. Any communications made in connection with an exchange offer registered under the Securities Act of 1933 need only be filed under §230.425 of this chapter and will be deemed filed under this section.

3. Each pre-commencement written communication must include a prominent legend in clear, plain language advising security holders to read the tender offer statement when it is available because it contains important information. The legend also must advise investors that they can get the tender offer statement and other filed documents for free at the Commission's web site and explain which documents are free from the issuer.

4. See §§230.135, 230.165 and 230.166 of this chapter for pre-commencement communications made in connection with registered exchange offers.

5. "Public announcement" is any oral or written communication by the issuer, affiliate or any person authorized to act on their behalf that is reasonably designed to, or has the effect of, informing the public or security holders in general about the issuer tender offer.

(d) *Disclosure of tender offer information to security holders.* (1) The issuer or affiliate making the issuer tender offer must disclose, in a manner prescribed

§ 240.13e-4

17 CFR Ch. II (4-1-12 Edition)

by paragraph (e)(1) of this section, the following:

(i) The information required by Item 1 of Schedule TO (§240.14d-100) (summary term sheet); and

(ii) The information required by the remaining items of Schedule TO for issuer tender offers, except for Item 12 (exhibits), or a fair and adequate summary of the information.

(2) If there are any material changes in the information previously disclosed to security holders, the issuer or affiliate must disclose the changes promptly to security holders in a manner specified in paragraph (e)(3) of this section.

(3) If the issuer or affiliate disseminates the issuer tender offer by means of summary publication as described in paragraph (e)(1)(iii) of this section, the summary advertisement must not include a transmittal letter that would permit security holders to tender securities sought in the offer and must disclose at least the following information:

(i) The identity of the issuer or affiliate making the issuer tender offer;

(ii) The information required by §229.1004(a)(1) and §229.1006(a) of this chapter;

(iii) Instructions on how security holders can obtain promptly a copy of the statement required by paragraph (d)(1) of this section, at the issuer or affiliate's expense; and

(iv) A statement that the information contained in the statement required by paragraph (d)(1) of this section is incorporated by reference.

(e) *Dissemination of tender offers to security holders.* An issuer tender offer will be deemed to be published, sent or given to security holders if the issuer or affiliate making the issuer tender offer complies fully with one or more of the methods described in this section.

(1) For issuer tender offers in which the consideration offered consists solely of cash and/or securities exempt from registration under section 3 of the Securities Act of 1933 (15 U.S.C. 77c):

(i) Dissemination of cash issuer tender offers by long-form publication: By making adequate publication of the information required by paragraph (d)(1) of this section in a newspaper or news-

papers, on the date of commencement of the issuer tender offer.

(ii) Dissemination of any issuer tender offer by use of stockholder and other lists:

(A) By mailing or otherwise furnishing promptly a statement containing the information required by paragraph (d)(1) of this section to each security holder whose name appears on the most recent stockholder list of the issuer;

(B) By contacting each participant on the most recent security position listing of any clearing agency within the possession or access of the issuer or affiliate making the issuer tender offer, and making inquiry of each participant as to the approximate number of beneficial owners of the securities sought in the offer that are held by the participant;

(C) By furnishing to each participant a sufficient number of copies of the statement required by paragraph (d)(1) of this section for transmittal to the beneficial owners; and

(D) By agreeing to reimburse each participant promptly for its reasonable expenses incurred in forwarding the statement to beneficial owners.

(iii) Dissemination of certain cash issuer tender offers by summary publication:

(A) If the issuer tender offer is not subject to §240.13e-3, by making adequate publication of a summary advertisement containing the information required by paragraph (d)(3) of this section in a newspaper or newspapers, on the date of commencement of the issuer tender offer; and

(B) By mailing or otherwise furnishing promptly the statement required by paragraph (d)(1) of this section and a transmittal letter to any security holder who requests a copy of the statement or transmittal letter.

Instruction to paragraph (e)(1): For purposes of paragraphs (e)(1)(i) and (e)(1)(iii) of this section, adequate publication of the issuer tender offer may require publication in a newspaper with a national circulation, a newspaper with metropolitan or regional circulation, or a combination of the two, depending upon the facts and circumstances involved.

(2) For tender offers in which the consideration consists solely or partially of securities registered under the Securities Act of 1933, a registration statement containing all of the required information, including pricing information, has been filed and a preliminary prospectus or a prospectus that meets the requirements of Section 10(a) of the Securities Act (15 U.S.C. 77j(a)), including a letter of transmittal, is delivered to security holders. However, for going-private transactions (as defined by § 240.13e-3) and roll-up transactions (as described by Item 901 of Regulation S-K (§ 229.901 of this chapter)), a registration statement registering the securities to be offered must have become effective and only a prospectus that meets the requirements of Section 10(a) of the Securities Act may be delivered to security holders on the date of commencement.

Instructions to paragraph (e)(2):

1. If the prospectus is being delivered by mail, mailing on the date of commencement is sufficient.
2. A preliminary prospectus used under this section may not omit information under § 230.430 or § 230.430A of this chapter.
3. If a preliminary prospectus is used under this section and the issuer must disseminate material changes, the tender offer must remain open for the period specified in paragraph (e)(3) of this section.
4. If a preliminary prospectus is used under this section, tenders may be requested in accordance with § 230.162(a) of this chapter.

(3) If a material change occurs in the information published, sent or given to security holders, the issuer or affiliate must disseminate promptly disclosure of the change in a manner reasonably calculated to inform security holders of the change. In a registered securities offering where the issuer or affiliate disseminates the preliminary prospectus as permitted by paragraph (e)(2) of this section, the offer must remain open from the date that material changes to the tender offer materials are disseminated to security holders, as follows:

- (i) Five business days for a prospectus supplement containing a material change other than price or share levels;
- (ii) Ten business days for a prospectus supplement containing a change in price, the amount of securi-

ties sought, the dealer's soliciting fee, or other similarly significant change;

(iii) Ten business days for a prospectus supplement included as part of a post-effective amendment; and

(iv) Twenty business days for a revised prospectus when the initial prospectus was materially deficient.

(f) *Manner of making tender offer.* (1) The issuer tender offer, unless withdrawn, shall remain open until the expiration of:

(i) At least twenty business days from its commencement; and

(ii) At least ten business days from the date that notice of an increase or decrease in the percentage of the class of securities being sought or the consideration offered or the dealer's soliciting fee to be given is first published, sent or given to security holders.

Provided, however, That, for purposes of this paragraph, the acceptance for payment by the issuer or affiliate of an additional amount of securities not to exceed two percent of the class of securities that is the subject of the tender offer shall not be deemed to be an increase. For purposes of this paragraph, the percentage of a class of securities shall be calculated in accordance with section 14(d)(3) of the Act.

(2) The issuer or affiliate making the issuer tender offer shall permit securities tendered pursuant to the issuer tender offer to be withdrawn:

(i) At any time during the period such issuer tender offer remains open; and

(ii) If not yet accepted for payment, after the expiration of forty business days from the commencement of the issuer tender offer.

(3) If the issuer or affiliate makes a tender offer for less than all of the outstanding equity securities of a class, and if a greater number of securities is tendered pursuant thereto than the issuer or affiliate is bound or willing to take up and pay for, the securities taken up and paid for shall be taken up and paid for as nearly as may be pro rata, disregarding fractions, according to the number of securities tendered by each security holder during the period such offer remains open; *Provided, however,* That this provision shall not prohibit the issuer or affiliate making the issuer tender offer from:

(i) Accepting all securities tendered by persons who own, beneficially or of record, an aggregate of not more than a specified number which is less than one hundred shares of such security and who tender all their securities, before prorating securities tendered by others; or

(ii) Accepting by lot securities tendered by security holders who tender all securities held by them and who, when tendering their securities, elect to have either all or none or at least a minimum amount or none accepted, if the issuer or affiliate first accepts all securities tendered by security holders who do not so elect;

(4) In the event the issuer or affiliate making the issuer tender increases the consideration offered after the issuer tender offer has commenced, such issuer or affiliate shall pay such increased consideration to all security holders whose tendered securities are accepted for payment by such issuer or affiliate.

(5) The issuer or affiliate making the tender offer shall either pay the consideration offered, or return the tendered securities, promptly after the termination or withdrawal of the tender offer.

(6) Until the expiration of at least ten business days after the date of termination of the issuer tender offer, neither the issuer nor any affiliate shall make any purchases, otherwise than pursuant to the tender offer, of:

(i) Any security which is the subject of the issuer tender offer, or any security of the same class and series, or any right to purchase any such securities; and

(ii) In the case of an issuer tender offer which is an exchange offer, any security being offered pursuant to such exchange offer, or any security of the same class and series, or any right to purchase any such security.

(7) The time periods for the minimum offering periods pursuant to this section shall be computed on a concurrent as opposed to a consecutive basis.

(8) No issuer or affiliate shall make a tender offer unless:

(i) The tender offer is open to all security holders of the class of securities subject to the tender offer; and

(ii) The consideration paid to any security holder for securities tendered in the tender offer is the highest consideration paid to any other security holder for securities tendered in the tender offer.

(9) Paragraph (f)(8)(i) of this section shall not:

(i) Affect dissemination under paragraph (e) of this section; or

(ii) Prohibit an issuer or affiliate from making a tender offer excluding all security holders in a state where the issuer or affiliate is prohibited from making the tender offer by administrative or judicial action pursuant to a state statute after a good faith effort by the issuer or affiliate to comply with such statute.

(10) Paragraph (f)(8)(ii) of this section shall not prohibit the offer of more than one type of consideration in a tender offer, provided that:

(i) Security holders are afforded equal right to elect among each of the types of consideration offered; and

(ii) The highest consideration of each type paid to any security holder is paid to any other security holder receiving that type of consideration.

(11) If the offer and sale of securities constituting consideration offered in an issuer tender offer is prohibited by the appropriate authority of a state after a good faith effort by the issuer or affiliate to register or qualify the offer and sale of such securities in such state:

(i) The issuer or affiliate may offer security holders in such state an alternative form of consideration; and

(ii) Paragraph (f)(10) of this section shall not operate to require the issuer or affiliate to offer or pay the alternative form of consideration to security holders in any other state.

(12)(i) Paragraph (f)(8)(ii) of this section shall not prohibit the negotiation, execution or amendment of an employment compensation, severance or other employee benefit arrangement, or payments made or to be made or benefits granted or to be granted according to such an arrangement, with respect to any security holder of the issuer, where the amount payable under the arrangement:

(A) Is being paid or granted as compensation for past services performed,

future services to be performed, or future services to be refrained from performing, by the security holder (and matters incidental thereto); and

(B) Is not calculated based on the number of securities tendered or to be tendered in the tender offer by the security holder.

(ii) The provisions of paragraph (f)(12)(i) of this section shall be satisfied and, therefore, pursuant to this non-exclusive safe harbor, the negotiation, execution or amendment of an arrangement and any payments made or to be made or benefits granted or to be granted according to that arrangement shall not be prohibited by paragraph (f)(8)(ii) of this section, if the arrangement is approved as an employment compensation, severance or other employee benefit arrangement solely by independent directors as follows:

(A) The compensation committee or a committee of the board of directors that performs functions similar to a compensation committee of the issuer approves the arrangement, regardless of whether the issuer is a party to the arrangement, or, if an affiliate is a party to the arrangement, the compensation committee or a committee of the board of directors that performs functions similar to a compensation committee of the affiliate approves the arrangement; or

(B) If the issuer's or affiliate's board of directors, as applicable, does not have a compensation committee or a committee of the board of directors that performs functions similar to a compensation committee or if none of the members of the issuer's or affiliate's compensation committee or committee that performs functions similar to a compensation committee is independent, a special committee of the board of directors formed to consider and approve the arrangement approves the arrangement; or

(C) If the issuer or affiliate, as applicable, is a foreign private issuer, any or all members of the board of directors or any committee of the board of directors authorized to approve employment compensation, severance or other employee benefit arrangements under the laws or regulations of the home country approves the arrangement.

Instructions to paragraph (f)(12)(ii): For purposes of determining whether the members of the committee approving an arrangement in accordance with the provisions of paragraph (f)(12)(ii) of this section are independent, the following provisions shall apply:

1. If the issuer or affiliate, as applicable, is a listed issuer (as defined in § 240.10A-3 of this chapter) whose securities are listed either on a national securities exchange registered pursuant to section 6(a) of the Exchange Act (15 U.S.C. 78f(a)) or in an inter-dealer quotation system of a national securities association registered pursuant to section 15A(a) of the Exchange Act (15 U.S.C. 78o-3(a)) that has independence requirements for compensation committee members that have been approved by the Commission (as those requirements may be modified or supplemented), apply the issuer's or affiliate's definition of independence that it uses for determining that the members of the compensation committee are independent in compliance with the listing standards applicable to compensation committee members of the listed issuer.

2. If the issuer or affiliate, as applicable, is not a listed issuer (as defined in § 240.10A-3 of this chapter), apply the independence requirements for compensation committee members of a national securities exchange registered pursuant to section 6(a) of the Exchange Act (15 U.S.C. 78f(a)) or an inter-dealer quotation system of a national securities association registered pursuant to section 15A(a) of the Exchange Act (15 U.S.C. 78o-3(a)) that have been approved by the Commission (as those requirements may be modified or supplemented). Whatever definition the issuer or affiliate, as applicable, chooses, it must apply that definition consistently to all members of the committee approving the arrangement.

3. Notwithstanding Instructions 1 and 2 to paragraph (f)(12)(ii), if the issuer or affiliate, as applicable, is a closed-end investment company registered under the Investment Company Act of 1940, a director is considered to be independent if the director is not, other than in his or her capacity as a member of the board of directors or any board committee, an "interested person" of the investment company, as defined in section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)).

4. If the issuer or affiliate, as applicable, is a foreign private issuer, apply either the independence standards set forth in Instructions 1 and 2 to paragraph (f)(12)(ii) or the independence requirements of the laws, regulations, codes or standards of the home country of the issuer or affiliate, as applicable, for members of the board of directors or the committee of the board of directors approving the arrangement.

5. A determination by the issuer's or affiliate's board of directors, as applicable, that the members of the board of directors or the committee of the board of directors, as applicable, approving an arrangement in accordance with the provisions of paragraph (f)(12)(ii) are independent in accordance with the provisions of this instruction to paragraph (f)(12)(ii) shall satisfy the independence requirements of paragraph (f)(12)(ii).

Instruction to paragraph (f)(12): The fact that the provisions of paragraph (f)(12) of this section extend only to employment compensation, severance and other employee benefit arrangements and not to other arrangements, such as commercial arrangements, does not raise any inference that a payment under any such other arrangement constitutes consideration paid for securities in a tender offer.

(13) *Electronic filings.* If the issuer or affiliate is an electronic filer, the minimum offering periods set forth in paragraph (f)(1) of this section shall be tolled for any period during which it fails to file in electronic format, absent a hardship exemption (§§ 232.201 and 232.202 of this chapter), the Schedule TO (§240.14d-100), the tender offer material specified in Item 1016(a)(1) of Regulation M-A (§229.1016(a)(1) of this chapter), and any amendments thereto. If such documents were filed in paper pursuant to a hardship exemption (*see* §232.201 and §232.202 of this chapter), the minimum offering periods shall be tolled for any period during which a required confirming electronic copy of such Schedule and tender offer material is delinquent.

(g) The requirements of section 13(e)(1) of the Act and Rule 13e-4 and Schedule TO (§240.14d-100) thereunder shall be deemed satisfied with respect to any issuer tender offer, including any exchange offer, where the issuer is incorporated or organized under the laws of Canada or any Canadian province or territory, is a foreign private issuer, and is not an investment company registered or required to be registered under the Investment Company Act of 1940, if less than 40 percent of the class of securities that is the subject of the tender offer is held by U. S. holders, and the tender offer is subject to, and the issuer complies with, the laws, regulations and policies of Canada and/or any of its provinces or territories governing the conduct of the offer (unless the issuer has received an exemption(s)

from, and the issuer tender offer does not comply with, requirements that otherwise would be prescribed by this section), *provided that:*

(1) Where the consideration for an issuer tender offer subject to this paragraph consists solely of cash, the entire disclosure document or documents required to be furnished to holders of the class of securities to be acquired shall be filed with the Commission on Schedule 13E-4F (§240.13e-102) and disseminated to shareholders residing in the United States in accordance with such Canadian laws, regulations and policies; or

(2) Where the consideration for an issuer tender offer subject to this paragraph includes securities to be issued pursuant to the offer, any registration statement and/or prospectus relating thereto shall be filed with the Commission along with the Schedule 13E-4F referred to in paragraph (g)(1) of this section, and shall be disseminated, together with the home jurisdiction document(s) accompanying such Schedule, to shareholders of the issuer residing in the United States in accordance with such Canadian laws, regulations and policies.

NOTE: Notwithstanding the grant of an exemption from one or more of the applicable Canadian regulatory provisions imposing requirements that otherwise would be prescribed by this section, the issuer tender offer will be eligible to proceed in accordance with the requirements of this section if the Commission by order determines that the applicable Canadian regulatory provisions are adequate to protect the interest of investors.

(h) This section shall not apply to:

(1) Calls or redemptions of any security in accordance with the terms and conditions of its governing instruments;

(2) Offers to purchase securities evidenced by a scrip certificate, order form or similar document which represents a fractional interest in a share of stock or similar security;

(3) Offers to purchase securities pursuant to a statutory procedure for the purchase of dissenting security holders' securities;

(4) Any tender offer which is subject to section 14(d) of the Act;

(5) Offers to purchase from security holders who own an aggregate of not

more than a specified number of shares that is less than one hundred: *Provided, however, That:*

(i) The offer complies with paragraph (f)(8)(i) of this section with respect to security holders who own a number of shares equal to or less than the specified number of shares, except that an issuer can elect to exclude participants in a plan as that term is defined in § 242.100 of this chapter, or to exclude security holders who do not own their shares as of a specified date determined by the issuer; and

(ii) The offer complies with paragraph (f)(8)(ii) of this section or the consideration paid pursuant to the offer is determined on the basis of a uniformly applied formula based on the market price of the subject security;

(6) An issuer tender offer made solely to effect a rescission offer: *Provided, however, That* the offer is registered under the Securities Act of 1933 (15 U.S.C. 77a et seq.), and the consideration is equal to the price paid by each security holder, plus legal interest if the issuer elects to or is required to pay legal interest;

(7) Offers by closed-end management investment companies to repurchase equity securities pursuant to § 270.23c-3 of this chapter;

(8) *Cross-border tender offers (Tier 1)*. Any issuer tender offer (including any exchange offer) where the issuer is a foreign private issuer as defined in § 240.3b-4 if the following conditions are satisfied.

(i) Except in the case of an issuer tender offer that is commenced during the pendency of a tender offer made by a third party in reliance on § 240.14d-1(c), U.S. holders do not hold more than 10 percent of the subject class sought in the offer (as determined under Instructions 2 or 3 to paragraph (h)(8) and paragraph (i) of this section);

(ii) The issuer or affiliate must permit U.S. holders to participate in the offer on terms at least as favorable as those offered any other holder of the same class of securities that is the subject of the offer; however:

(A) *Registered exchange offers*. If the issuer or affiliate offers securities registered under the Securities Act of 1933 (15 U.S.C. 77a et seq.), the issuer or affiliate need not extend the offer to se-

curity holders in those states or jurisdictions that prohibit the offer or sale of the securities after the issuer or affiliate has made a good faith effort to register or qualify the offer and sale of securities in that state or jurisdiction, except that the issuer or affiliate must offer the same cash alternative to security holders in any such state or jurisdiction that it has offered to security holders in any other state or jurisdiction.

(B) *Exempt exchange offers*. If the issuer or affiliate offers securities exempt from registration under § 230.802 of this chapter, the issuer or affiliate need not extend the offer to security holders in those states or jurisdictions that require registration or qualification, except that the issuer or affiliate must offer the same cash alternative to security holders in any such state or jurisdiction that it has offered to security holders in any other state or jurisdiction.

(C) *Cash only consideration*. The issuer or affiliate may offer U.S. holders cash only consideration for the tender of the subject securities, notwithstanding the fact that the issuer or affiliate is offering security holders outside the United States a consideration that consists in whole or in part of securities of the issuer or affiliate, if the issuer or affiliate has a reasonable basis for believing that the amount of cash is substantially equivalent to the value of the consideration offered to non-U.S. holders, and either of the following conditions are satisfied:

(1) The offered security is a “margin security” within the meaning of Regulation T (12 CFR 220.2) and the issuer or affiliate undertakes to provide, upon the request of any U.S. holder or the Commission staff, the closing price and daily trading volume of the security on the principal trading market for the security as of the last trading day of each of the six months preceding the announcement of the offer and each of the trading days thereafter; or

(2) If the offered security is not a “margin security” within the meaning of Regulation T (12 CFR 220.2), the issuer or affiliate undertakes to provide, upon the request of any U.S. holder or the Commission staff, an opinion of an independent expert stating that

the cash consideration offered to U.S. holders is substantially equivalent to the value of the consideration offered security holders outside the United States.

(D) *Disparate tax treatment.* If the issuer or affiliate offers “loan notes” solely to offer sellers tax advantages not available in the United States and these notes are neither listed on any organized securities market nor registered under the Securities Act of 1933 (15 U.S.C. 77a et seq.), the loan notes need not be offered to U.S. holders.

(iii) *Informational documents.* (A) If the issuer or affiliate publishes or otherwise disseminates an informational document to the holders of the securities in connection with the issuer tender offer (including any exchange offer), the issuer or affiliate must furnish that informational document, including any amendments thereto, in English, to the Commission on Form CB (§ 249.480 of this chapter) by the first business day after publication or dissemination. If the issuer or affiliate is a foreign company, it must also file a Form F-X (§ 239.42 of this chapter) with the Commission at the same time as the submission of Form CB to appoint an agent for service in the United States.

(B) The issuer or affiliate must disseminate any informational document to U.S. holders, including any amendments thereto, in English, on a comparable basis to that provided to security holders in the home jurisdiction.

(C) If the issuer or affiliate disseminates by publication in its home jurisdiction, the issuer or affiliate must publish the information in the United States in a manner reasonably calculated to inform U.S. holders of the offer.

(iv) An investment company registered or required to be registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 et seq.), other than a registered closed-end investment company, may not use this paragraph (h)(8); or

(9) Any other transaction or transactions, if the Commission, upon written request or upon its own motion, exempts such transaction or transactions, either unconditionally, or on specified terms and conditions, as not

constituting a fraudulent, deceptive or manipulative act or practice comprehended within the purpose of this section.

(i) *Cross-border tender offers (Tier II).* Any issuer tender offer (including any exchange offer) that meets the conditions in paragraph (i)(1) of this section shall be entitled to the exemptive relief specified in paragraph (i)(2) of this section, provided that such issuer tender offer complies with all the requirements of this section other than those for which an exemption has been specifically provided in paragraph (i)(2) of this section. In addition, any issuer tender offer (including any exchange offer) subject only to the requirements of section 14(e) of the Act and Regulation 14E (§§ 240.14e-1 through 240.14e-8) thereunder that meets the conditions in paragraph (i)(1) of this section also shall be entitled to the exemptive relief specified in paragraph (i)(2) of this section, to the extent needed under the requirements of Regulation 14E, so long as the tender offer complies with all requirements of Regulation 14E other than those for which an exemption has been specifically provided in paragraph (i)(2) of this section:

(1) *Conditions.* (i) The issuer is a foreign private issuer as defined in § 240.3b-4 and is not an investment company registered or required to be registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 et seq.), other than a registered closed-end investment company; and

(ii) Except in the case of an issuer tender offer commenced during the pendency of a tender offer made by a third party in reliance on § 240.14d-1(d), U.S. holders do not hold more than 40 percent of the class of securities sought in the offer (as determined in accordance with Instructions 2 or 3 to paragraphs (h)(8) and (i) of this section).

(2) *Exemptions.* The issuer tender offer shall comply with all requirements of this section other than the following:

(i) *Equal treatment—loan notes.* If the issuer or affiliate offers loan notes solely to offer sellers tax advantages not available in the United States and these notes are neither listed on any organized securities market nor registered under the Securities Act (15 U.S.C. 77a et seq.), the loan notes need

not be offered to U.S. holders, notwithstanding paragraph (f)(8) and (h)(9) of this section.

(ii) *Equal treatment—separate U.S. and foreign offers.* Notwithstanding the provisions of paragraph (f)(8) of this section, an issuer or affiliate conducting an issuer tender offer meeting the conditions of paragraph (i)(1) of this section may separate the offer into multiple offers: one offer made to U.S. holders, which also may include all holders of American Depositary Shares representing interests in the subject securities, and one or more offers made to non-U.S. holders. The U.S. offer must be made on terms at least as favorable as those offered any other holder of the same class of securities that is the subject of the tender offers. U.S. holders may be included in the foreign offer(s) only where the laws of the jurisdiction governing such foreign offer(s) expressly preclude the exclusion of U.S. holders from the foreign offer(s) and where the offer materials distributed to U.S. holders fully and adequately disclose the risks of participating in the foreign offer(s).

(iii) *Notice of extensions.* Notice of extensions made in accordance with the requirements of the home jurisdiction law or practice will satisfy the requirements of § 240.14e-1(d).

(iv) *Prompt payment.* Payment made in accordance with the requirements of the home jurisdiction law or practice will satisfy the requirements of § 240.14e-1(c).

(v) *Suspension of withdrawal rights during counting of tendered securities.* The issuer or affiliate may suspend withdrawal rights required under paragraph (f)(2) of this section at the end of the offer and during the period that securities tendered into the offer are being counted, provided that:

(A) The issuer or affiliate has provided an offer period, including withdrawal rights, for a period of at least 20 U.S. business days;

(B) At the time withdrawal rights are suspended, all offer conditions have been satisfied or waived, except to the extent that the issuer or affiliate is in the process of determining whether a minimum acceptance condition included in the terms of the offer has

been satisfied by counting tendered securities; and

(C) Withdrawal rights are suspended only during the counting process and are reinstated immediately thereafter, except to the extent that they are terminated through the acceptance of tendered securities.

(vi) *Early termination of an initial offering period.* An issuer or affiliate conducting an issuer tender offer may terminate an initial offering period, including a voluntary extension of that period, if at the time the initial offering period and withdrawal rights terminate, the following conditions are met:

(A) The initial offering period has been open for at least 20 U.S. business days;

(B) The issuer or affiliate has adequately discussed the possibility of and the impact of the early termination in the original offer materials;

(C) The issuer or affiliate provides a subsequent offering period after the termination of the initial offering period;

(D) All offer conditions are satisfied as of the time when the initial offering period ends; and

(E) The issuer or affiliate does not terminate the initial offering period or any extension of that period during any mandatory extension required under U.S. tender offer rules.

Instructions to paragraph (h)(8) and (i) of this section:

1. *Home jurisdiction* means both the jurisdiction of the issuer's incorporation, organization or chartering and the principal foreign market where the issuer's securities are listed or quoted.

2. *U.S. holder* means any security holder resident in the United States. To determine the percentage of outstanding securities held by U.S. holders:

i. Calculate the U.S. ownership as of a date no more than 60 days before and no more than 30 days after the public announcement of the tender offer. If you are unable to calculate as of a date within these time frames, the calculation may be made as of the most recent practicable date before public announcement, but in no event earlier than 120 days before announcement;

ii. Include securities underlying American Depositary Shares convertible or exchangeable into the securities that are the subject of the tender offer when calculating the number of subject securities outstanding, as

well as the number held by U.S. holders. Exclude from the calculations other types of securities that are convertible or exchangeable into the securities that are the subject of the tender offer, such as warrants, options and convertible securities;

iii. Use the method of calculating record ownership in § 240.12g3-2(a), except that your inquiry as to the amount of securities represented by accounts of customers resident in the United States may be limited to brokers, dealers, banks and other nominees located in the United States, your jurisdiction of incorporation, and the jurisdiction that is the primary trading market for the subject securities, if different than your jurisdiction of incorporation;

iv. If, after reasonable inquiry, you are unable to obtain information about the amount of securities represented by accounts of customers resident in the United States, you may assume, for purposes of this definition, that the customers are residents of the jurisdiction in which the nominee has its principal place of business; and

v. Count securities as beneficially owned by residents of the United States as reported on reports of beneficial ownership that are provided to you or publicly filed and based on information otherwise provided to you.

3. If you are unable to conduct the analysis of U.S. ownership set forth in Instruction 2 above, U.S. holders will be presumed to hold 10 percent or less of the outstanding subject securities (40 percent for Tier II) so long as there is a primary trading market outside the United States, as defined in § 240.12h-6(f)(5) of this chapter, unless:

i. Average daily trading volume of the subject securities in the United States for a recent twelve-month period ending on a date no more than 60 days before the public announcement of the tender offer exceeds 10 percent (or 40 percent) of the average daily trading volume of that class of securities on a worldwide basis for the same period; or

ii. The most recent annual report or annual information filed or submitted by the issuer with securities regulators of the home jurisdiction or with the Commission or any jurisdiction in which the subject securities trade before the public announcement of the offer indicates that U.S. holders hold more than 10 percent (or 40 percent) of the outstanding subject class of securities; or

iii. You know or have reason to know, before the public announcement of the offer, that the level of U.S. ownership of the subject securities exceeds 10 percent (or 40 percent) of such securities. As an example, you are deemed to know information about U.S. ownership of the subject class of securities that is publicly available and that appears in any filing with the Commission or any regulatory body in the home jurisdiction and, if different, the non-U.S. jurisdiction in which the primary trading market for the subject

class of securities is located. You are also deemed to know information obtained or readily available from any other source that is reasonably reliable, including from persons you have retained to advise you about the transaction, as well as from third-party information providers. These examples are not intended to be exclusive.

4. *United States* means the United States of America, its territories and possessions, any State of the United States, and the District of Columbia.

5. The exemptions provided by paragraphs (h)(8) and (i) of this section are not available for any securities transaction or series of transactions that technically complies with paragraph (h)(8) and (i) of this section but are part of a plan or scheme to evade the provisions of this section.

(j)(1) It shall be a fraudulent, deceptive or manipulative act or practice, in connection with an issuer tender offer, for an issuer or an affiliate of such issuer, in connection with an issuer tender offer:

(i) To employ any device, scheme or artifice to defraud any person;

(ii) To make any untrue statement of a material fact or to omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; or

(iii) To engage in any act, practice or course of business which operates or would operate as a fraud or deceit upon any person.

(2) As a means reasonably designed to prevent fraudulent, deceptive or manipulative acts or practices in connection with any issuer tender offer, it shall be unlawful for an issuer or an affiliate of such issuer to make an issuer tender offer unless:

(i) Such issuer or affiliate complies with the requirements of paragraphs (b), (c), (d), (e) and (f) of this section; and

(ii) The issuer tender offer is not in violation of paragraph (j)(1) of this section.

GENERAL INSTRUCTIONS

I. ELIGIBILITY REQUIREMENTS FOR USE OF SCHEDULE 13E-4F

A. Schedule 13E-4F may be used by any foreign private issuer if: (1) The issuer is incorporated or organized under the laws of Canada or any Canadian province or territory; (2) the issuer is making a cash tender or exchange offer for the issuer's own securities; and (3) less than 40 percent of the class of such issuer's securities outstanding that is the subject of the tender offer is held by U.S. holders. The calculation of securities held by U.S. holders shall be made as of the end of the issuer's last quarter or, if such quarter terminated within 60 days of the filing date, as of the end of the issuer's preceding quarter.

Instructions

- 1. For purposes of this Schedule, "foreign private issuer" shall be construed in accordance with Rule 405 under the Securities Act.
2. For purposes of this Schedule, the term "U.S. holder" shall mean any person whose address appears on the records of the issuer, any voting trustee, any depositary, any share transfer agent or any person acting in a similar capacity on behalf of the issuer as being located in the United States.
3. If this Schedule is filed during the pendency of one or more ongoing cash tender or exchange offers for securities of the class subject to this offer that was commenced or was eligible to be commenced on Schedule 14D-1F and/or Form F-3 or Form F-80, the date for calculation of U.S. ownership for

purposes of this Schedule shall be the same as that date used by the initial bidder or issuer.

4. For purposes of this Schedule, the class of subject securities shall not include any securities that may be converted into or are exchangeable for the subject securities.

B. Any issuer using this Schedule must extend the cash tender or exchange offer to U.S. holders of the class of securities subject to the offer upon terms and conditions not less favorable than those extended to any other holder of the same class of such securities, and must comply with the requirements of any Canadian federal, provincial and/or territorial law, regulation or policy relating to the terms and conditions of the offer.

C. This Schedule shall not be used if the issuer is an investment company registered or required to be registered under the Investment Company Act of 1940.

II. FILING INSTRUCTIONS AND FEES

A.(1) The issuer must file this Schedule and any amendment to the Schedule (see Part I, Item 1.(b)), including all exhibits and other documents filed as part of the Schedule or amendment, in electronic format via the Commission's Electronic Data Gathering, Analysis, and Retrieval (EDGAR) system in accordance with the EDGAR rules set forth in Regulation S-T (17 CFR Part 232). For assistance with technical questions about EDGAR or to request an access code, call the EDGAR Filer Support Office at (202) 551-8900. For assistance with the EDGAR rules, call the Office of EDGAR and Information Analysis at (202) 551-3610.

(2) If filing the Schedule in paper under a hardship exemption in 17 CFR 232.201 or 232.202 of Regulation S-T, or as otherwise permitted, the issuer must file with the Commission at its principal office five copies of the complete Schedule and any amendment, including exhibits and all other documents filed as a part of the Schedule or amendment. The issuer must bind, staple or otherwise compile each copy in one or more parts without stiff covers. The issuer must further bind the Schedule or amendment on the side or stitching margin in a manner that leaves the reading matter legible. The issuer must provide three additional copies of the Schedule or amendment without exhibits to the Commission.

B. An electronic filer must provide the signatures required for the Schedule or amendment in accordance with 17 CFR 232.302 of Regulation S-T. An issuer filing in paper must have the original and at least one copy of the Schedule and any amendment signed in accordance with Exchange Act Rule 12b-11(d) (17 CFR 12b-11(d)) by the persons whose signatures are required for this Schedule or amendment. The issuer must also conform the unsigned copies.

C. At the time of filing this Schedule with the Commission, the issuer shall pay to the Commission in accordance with Rule 0-11 of the Exchange Act, a fee in U.S. dollars in the amount prescribed by section 13(e)(3) of the Exchange Act. See also Rule 0-9 of the Exchange Act.

(1) The value of the securities to be acquired solely for cash shall be the amount of cash to be paid for them, calculated into U.S. dollars.

(2) The value of the securities to be acquired with securities or other non-cash consideration, whether or not in combination with a cash payment for the same securities, shall be based on the market value of the securities to be acquired by the issuer as established in accordance with paragraph (3) of this section.

(3) When the fee is based upon the market value of the securities, such market value shall be established by either the average of the high and low prices reported on the consolidated reporting system (for exchange-traded securities and last sale reported for over-the-counter securities) or the average of the bid and asked price (for other over-the-counter securities) as of a specified date within 5 business days prior to the date of filing the Schedule. If there is no market for the securities to be acquired by the issuer, the value shall be based upon the book value of such securities computed as of the latest practicable date prior to the date of filing of the Schedule, unless the issuer of the securities is in bankruptcy or receivership or has an accumulated capital deficit, in which case one-third of the principal amount, par value or stated value of such securities shall be used.

D. If at any time after the initial payment of the fee the aggregate consideration offered is increased, an additional filing fee based upon such increase shall be paid with the required amended filing.

E. The issuer must file the Schedule or amendment in electronic format in the English language in accordance with 17 CFR 232.306 of Regulation S-T. The issuer may file part of the Schedule or amendment, or exhibit or other attachment to the Schedule or amendment, in both French and English if the issuer included the French text to comply with the requirements of the Canadian securities administrator or other Canadian authority and, for an electronic filing, if the filing is an HTML document, as defined in 17 CFR 232.11 of Regulation S-T. For both an electronic filing and a paper filing, the issuer may provide an English translation or English summary of a foreign language document as an exhibit or other attachment to the Schedule or amendment as permitted by the rules of the applicable Canadian securities administrator.

F. A paper filer must number sequentially the signed original of the Schedule or

amendment (in addition to any internal numbering that otherwise may be present) by handwritten, typed, printed or other legible form of notation from the first page through the last page of the Schedule or amendment, including any exhibits or attachments. A paper filer must disclose the total number of pages on the first page of the sequentially numbered Schedule or amendment.

III. COMPLIANCE WITH THE EXCHANGE ACT

A. Pursuant to Rule 13e-4(g) under the Exchange Act, the issuer shall be deemed to comply with the requirements of section 13(e)(1) of the Exchange Act and Rule 13e-4 and Schedule TO thereunder in connection with a cash tender or exchange offer for securities that may be made pursuant to this Schedule, *provided that*, if an exemption has been granted from the requirements of Canadian federal, provincial and/or territorial laws, regulations or policies, and the tender offer does not comply with requirements that otherwise would be prescribed by Rule 13e-4, the issuer (absent an order from the Commission) shall comply with the provisions of section 13(e)(1) of the Exchange Act and Rule 13e-4 and Schedule TO thereunder.

B. Any cash tender or exchange offer made pursuant to this Schedule is not exempt from the antifraud provisions of section 10(b) of the Exchange Act and Rule 10b-5 thereunder, section 13(e)(1) of the Exchange Act and Rule 13e-4(b)(1) thereunder, and section 14(e) of the Exchange Act and Rule 14e-3 thereunder, and this Schedule shall be deemed "filed" for purposes of section 18 of the Exchange Act.

C. The issuer's attention is directed to Regulation M (§§242.100 through 242.105 of this chapter), in the case of an issuer exchange offer, and to Rule 14e-5 under the Exchange Act (§240.14e-5), in the case of an issuer cash tender offer or issuer exchange offer. [See Exchange Act Release No. 29355 (June 21, 1991) containing an exemption from Rule 10b-13, the predecessor to Rule 14e-5.]

Part I—Information Required To Be Sent to Shareholders

Item 1. Home Jurisdiction Documents

Financial statements included herein, if any, have been prepared in accordance with foreign generally accepted accounting principles and thus may not be comparable to financial statements of United States companies.

"The enforcement by investors of civil liabilities under the federal securities laws may be affected adversely by the fact that the issuer is located in a foreign country, and that some or all of its officers and directors are residents of a foreign country.

"Investors should be aware that the issuer or its affiliates, directly or indirectly, may bid for or make purchases of the securities of the issuer subject to the offer, or of its related securities, during the period of the issuer tender offer, as permitted by applicable Canadian laws or provincial laws or regulations."

§ 240.13f-1 Reporting by institutional investment managers of information with respect to accounts over which they exercise investment discretion.

(a)(1) Every institutional investment manager which exercises investment discretion with respect to accounts holding section 13(f) securities, as defined in paragraph (c) of this section, having an aggregate fair market value on the last trading day of any month of any calendar year of at least \$100,000,000 shall file a report on Form 13F (§249.325 of this chapter) with the Commission within 45 days after the last day of such calendar year and within 45 days after the last day of each of the first three calendar quarters of the subsequent calendar year.

(2) An amendment to a Form 13F (§249.325 of this chapter) report, other than one reporting only holdings that were not previously reported in a public filing for the same period, must set forth the complete text of the Form

13F. Amendments must be numbered sequentially.

(b) For the purposes of this rule, "investment discretion" has the meaning set forth in section 3(a)(35) of the Act (15 U.S.C. 78c(a)(35)). An institutional investment manager shall also be deemed to exercise "investment discretion" with respect to all accounts over which any person under its control exercises investment discretion.

(c) For purposes of this rule "section 13(f) securities" shall mean equity securities of a class described in section 13(d)(1) of the Act that are admitted to trading on a national securities exchange or quoted on the automated quotation system of a registered securities association. In determining what classes of securities are section 13(f) securities, an institutional investment manager may rely on the most recent list of such securities published by the Commission pursuant to section 13(f)(4) of the Act (15 U.S.C. 78m(f)(4)). Only securities of a class on such list shall be counted in determining whether an institutional investment manager must file a report under this rule (§240.13f-1(a)) and only those securities shall be reported in such report. Where a person controls the issuer of a class of equity securities which are "section 13(f) securities" as defined in this rule, those securities shall not be deemed to be "section 13(f) securities" with respect to the controlling person, provided that such person does not otherwise exercise investment discretion with respect to accounts with fair market value of at least \$100,000,000 within the meaning of paragraph (a) of this section.
