§ 1301.13 Procedures for requests pertaining to individual records in a record system.

(a) An individual may, in accordance with this section (1) request a TVA determination whether a record retrieved by the individual’s name or other personal identifier is maintained in a TVA system, and (2) request access to such a record. A request for determination may be combined with a request for access.

(b) Requests under this section shall:

(1) Be in writing and signed by the individual seeking the determination or access;

(2) Include the individual’s mailing address;

(3) Name the TVA system as listed in the TVA system notice;

(4) Include any additional identifying information specified in the paragraph headed “Notification procedure” in the applicable TVA system notice;

(5) Specify whether the request is for determination only or for both determination and access; and

(6) Include such proof of identity as may be required by §1301.14 and the applicable system notice.

Requests may be presented in person or by mail. In-person requests shall be presented during normal TVA business hours, as set out in §1301.14(g).

(c) Requests for determination only shall be presented to the official designated in the paragraph headed “Notification procedure” in the TVA system notice for the TVA system concerned. Requests for both determination and access shall be presented to the official designated in the paragraph headed “Access procedure” in the TVA system notice for the TVA system concerned. Certain TVA system notices designate officials at field locations of TVA systems. With respect to such TVA systems, an individual who believes his record is located at the field location may present a request to the designated official at the field location. If the record is not available at that field location, the request will be forwarded to the appropriate TVA office.

(d) If a request is for determination only, the determination will normally be made within 10 days after receipt of the request. If the determination cannot be made within 10 days after receipt of a request, the designated official will acknowledge the request in writing and state when the determination will be made. Upon making a determination, the designated official will notify the individual making the request whether the record exists. The notice will include any additional information necessary to enable the individual to request access to the record.

(e) A request which includes a request for access will be acknowledged within 10 days after receipt. If access can be granted as requested, the acknowledgment will provide a time and place for disclosure of the requested record. Disclosure will normally be made within 30 days of the date of the acknowledgement, but the designated official may extend the 30-day period for reasons found by him to be good cause. In case of an extension, TVA will notify the individual, in writing, that disclosure will be delayed, the reasons for delay, and the anticipated date on which the individual may expect the record to be disclosed. TVA will attempt to accommodate reasonable requests for disclosure at specified times and dates, as set forth in a request for access, so far as compatible with the conduct of TVA business.

§ 1301.14 Times, places, and requirements for identification of individuals making requests.

(a) TVA will require proof of identity, in accordance with this section,
before it will disclose a record under §1301.15 of this part to an individual requesting access to the record, and before it will disclose the existence of a record to a requester under §1301.13 of this part, if TVA determines that disclosure of the existence of such record would constitute an unwarranted invasion of personal privacy.

(b) Identification normally required would be an identification card such as a valid state driver's license or TVA or other employee identification card. A comparison of the signature of the requester with either the signature on the card or a signature in the record may be used to confirm identity.

(c) Because of the sensitivity of the subject matter in a TVA system, a TVA system notice may prescribe special identification requirements for the disclosure of the existence of or access to records in that TVA system. In such case, the special identification requirements prescribed in the TVA system notice shall apply in lieu of those prescribed by paragraph (b) of this section.

(d) If TVA deems it warranted by the nature of identification presented, the subject matter of the material to be disclosed, or other reasons found by TVA to be sufficient, TVA may require the individual requesting access to sign a statement asserting identity and stating that the individual understands that knowingly or willfully seeking or obtaining access to records about another person under false pretenses is punishable by a fine of up to $5,000.

(e) Where TVA is requested to provide access to records by mailing copies of records to the requester, the request shall contain or be accompanied by adequate identifying information to make it likely the requester is the person he purports to be and a notarized statement asserting identity and stating that the individual understands that knowingly or willfully seeking or obtaining access to records about another person under false pretenses is punishable by a fine of up to $5,000.

(f) Where sensitivity of record information may warrant (i.e., unauthorized access could cause harm or embarrassment to the individual) or disclosure by mail to third persons is requested, TVA may require in-person confirmation of identity. If in-person confirmation of identity is required, the individual may arrange with the designated TVA official to provide such identification at any of these TVA locations convenient to the individual: Knoxville, Nashville, and Chattanooga, Tennessee; Muscle Shoals, Alabama; Washington, DC, or another location agreed upon by the individual and the designated TVA official. Upon request the TVA official will provide an address and an appropriate time for such identification to be presented.

(g) In general, TVA offices located in the Eastern Time zone are open 8 a.m. to 4:45 p.m., and those in the Central Time zone 7:30 a.m. to 4:15 p.m. Offices are closed on Saturdays, Sundays, and the following holidays: New Year’s Day, Birthday of Martin Luther King, Jr., Presidents’ Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, and Christmas Day.
