§ 401.34 Submission of project required.

Any project which may have a substantial effect on the water resources of the Basin, except as provided in paragraph (d) of this section, shall be submitted to the Commission for a determination as to whether the project impairs or conflicts with the Comprehensive Plan, as follows:

(a) Where the project is subject to review by a state or federal agency which has entered into an Administrative Agreement with the Commission, such project will be referred to the Commission in accordance with the terms of the Administrative Agreement.

(b) Where the project is not subject to review by such an agency, the project shall be submitted to the Commission.

(c) The Commission shall consider the project and make a determination as to whether the project impairs or conflicts with the Comprehensive Plan.

§ 401.35 Appeals.

Any determination of the Commission made under this section may be appealed to the Water Resources Board of Appeals established under Section 3.9 of the Compact.
