

§ 113.12

19 CFR Ch. I (4–1–12 Edition)

adequate security for the transaction(s). A bond relating to repayment of an erroneous drawback payment containing the bond conditions set forth in §113.65 shall be filed with the appropriate drawback office for approval.

§ 113.12 Bond application.

(a) *Single entry bond application.* In order to insure that the revenue is adequately protected the port director may require a person who will be engaged in a single Customs transaction relating to the importation or entry of merchandise to file a written bond application which may be in the form of a letter. The application shall identify the value and nature of the merchandise involved in the transaction to be secured. When the proper bond in a sufficient amount is filed with the entry summary or with the entry, or when the entry summary is filed at the time of entry, an application will not be required.

(b) *Continuous bond application.* If a person wants to secure multiple transactions relating to the importation or entry of merchandise or the operation of a bonded smelting or refining warehouse, a bond application, which may be in the form of a letter, shall be submitted to the port director.

(1) *Information required.* The application shall contain the following information:

(i) The general character of the merchandise to be entered; and

(ii) The total amount of ordinary Customs duties (including any taxes required by law to be treated as duties) accruing on all merchandise imported by the principal during the calendar year preceding the date of the application, plus the estimated amount of any other tax or taxes on the merchandise to be collected by Customs. The total amount of duties and taxes shall be that which would have been required to be deposited had the merchandise been entered for consumption even though some or all of the merchandise may have been entered under bond. If the value or nature of the merchandise to be imported will change in any material respect during the next year the change shall be identified. If no imports were made during the calendar

year prior to the application, a statement of the duties and taxes it is estimated will accrue on all importations during the current year shall be submitted.

(2) *Application updates.* If the port director approves a bond based upon the application, whenever there is a significant change in the information provided under this paragraph, the principal on the bond shall submit a new application containing an update of the information required by paragraph (b)(1) of this section. The new application shall be filed no later than 30 days after the new facts become known to the principal.

(c) *Certification.* Any application submitted under this section shall be signed by the applicant and contain the following certification:

I certify that the factual information contained in this application is true and accurate and any information provided which is based upon estimates is based upon the best information available on the date of this application.

§ 113.13 Amount of bond.

(a) *Minimum amount of bond.* The amount of any Customs bond shall not be less than \$100, except when the law or regulation expressly provides that a lesser amount may be taken. Fractional parts of a dollar shall be disregarded in computing the amount of a bond. The bond always shall be stated as the next highest dollar.

(b) *Guidelines for determining amount of bond.* In determining whether the amount of a bond is sufficient, the port director or drawback office in the case of a bond relating to repayment of erroneous drawback payment (see §113.11) should at least consider:

(1) The prior record of the principal in timely payment of duties, taxes, and charges with respect to the transaction(s) involving such payments;

(2) The prior record of the principal in complying with Customs demands for redelivery, the obligation to hold unexamined merchandise intact, and other requirements relating to enforcement and administration of Customs and other laws and regulations;

(3) The value and nature of the merchandise involved in the transaction(s) to be secured;
