All documents required by this section, except those detached under paragraph (c) of this section, shall be returned to the aircraft commander or agent for filing at the next entry airport.

§ 122.86 Substitution of aircraft.

(b) *Clearance and entry.* Clearance and entry of substitute aircraft is required as provided in this subpart for other aircraft.

(c) *Identification.* An identification of all substitute aircraft shall be clearly made on all clearance and entry documents.

(d) *Transporting cargo—(1) Forwarding.* The carrier may forward all cargo which arrived on one aircraft by transferring it to another aircraft of the same airline to complete the inbound flight. The transfer shall be done under Customs supervision.

(2) *Conditions.* All of the residue cargo from more than one inbound flight of an airline may be laden on one substitute aircraft of the airline. The substitute aircraft shall finish the inbound transport of the residue cargo.

§ 122.87 Other requirements.

Section 4.85 of this chapter, relating to vessels with residue cargo for domestic ports, applies to aircraft residue cargo, except as stated in this subpart.
