§ 416.2116 Medicaid eligibility determinations.

If a State requests, we may agree, under the conditions in this subpart, to make Medicaid eligibility determinations on behalf of the State. Under these agreements, we make the Medicaid determinations when determinations or redeterminations are necessary for SSI purposes. Our determinations may include non-SSI requirements that are mandated by Federal law. When we determine that a person is eligible for Medicaid in accordance with §416.2111 or that we are not making the determination, we notify the State of that fact.

§ 416.2130 Effect of the agreement and responsibilities of States.

(a) An agreement under this subpart does not change—

(1) The provisions of a State's Medicaid plan;
(2) The conditions under which the Secretary will approve a State's Medicaid plan; or
(3) A State's responsibilities under the State Medicaid plan.

(b) Following are examples of functions we will not agree to carry out for the State:

(1) Stationing of our employees at hospitals or nursing homes to take Medicaid applications;
(2) Determining whether a person is eligible for Medicaid for any period before he or she applied for SSI benefits;
(3) Giving approval for emergency medical care under Medicaid before a determination has been made on whether a person is eligible for SSI benefits;
(4) Setting up or running a State's system for requiring a person to pay part of the cost of services he or she receives under Medicaid; or
(5) Giving identification cards to people to show that they are eligible for Medicaid.

§ 416.2140 Liability for erroneous Medicaid eligibility determinations.

If the State suffers any financial loss, directly or indirectly, through using any information we provide under an agreement described in this subpart, we will not be responsible for that loss. However, if we erroneously tell a State that a person is eligible for Medicaid and the State therefore makes erroneous Medicaid payments, the State will be paid the Federal share of those payments under the Medicaid program as if they were correct.

§ 416.2145 Services other than Medicaid determinations.

We will agree under authority of section 1106 of the Act and 31 U.S.C. 6505 to provide services other than Medicaid determinations to help the State administer its Medicaid program. We will do this only if we determine it is the most efficient and economical way to accomplish the State's purpose and does not interfere with administration of the SSI program. The services can be part of a Medicaid eligibility determination agreement or a separate agreement. Under either agreement we will—

(a) Give the State basic information relevant to Medicaid eligibility from individuals' applications for SSI benefits;
(b) Give the State answers to certain purely Medicaid-related questions (in addition to any that may be necessary under §416.2111(b)), such as whether the SSI applicant has any unpaid medical expenses for the current month or the previous 3 calendar months;
(c) Conduct statistical or other studies for the State; and
(d) Provide other services the State and we agree on.

§ 416.2161 Charges to States.

(a) States with Medicaid eligibility determination agreement. A State with which we have an agreement to make Medicaid eligibility determinations is charged in the following manner:

(1) If making Medicaid determinations and providing basic SSI application information for a State causes us additional cost, the State must pay half of that additional cost. “Additional cost” in this section means cost in addition to costs we would have had anyway in administering the SSI program.
§ 416.2201

The State must pay half our additional cost caused by providing any information that we collect for Medicaid purposes and by any other services directly related to making Medicaid eligibility determinations.

(3) The State must pay our full additional cost for statistical or other studies and any other services that are not directly related to making Medicaid eligibility determinations.

(b) States without Medicaid eligibility determination agreement. A State with which we do not have an agreement to make Medicaid eligibility determinations is charged in the following manner:

(1) If providing basic SSI application information causes us additional cost, the State must pay our full additional cost.

(2) The State must pay our full additional cost caused by providing any information that we collect for Medicaid purposes and by any other services directly related to making Medicaid eligibility determinations.

§ 416.2166 Changing the agreement.

The State and we can agree in writing to change the agreement at any time.

§ 416.2171 Duration of agreement.

An agreement under this subpart is automatically renewed for 1 year at the end of the term stated in the agreement and again at the end of each 1-year renewal term, unless—

(a) The State and we agree in writing to end it at any time;

(b) Either the State or we end it at any time without the other’s consent by giving written notice at least 90 days before the end of a term, or 120 days before any other ending date selected by whoever wants to end the agreement; or

(c)(1) The State fails to pay our costs as agreed;

(2) We notify the State in writing, at least 30 days before the ending date we select, why we intend to end the agreement; and

(3) The State does not give a good reason for keeping the agreement in force beyond the ending date we select. If the State does not provide a good reason, the termination will be postponed or the agreement will be kept in force until the end of the term.

§ 416.2176 Disagreements between a State and us.

(a) If a State with which we have an agreement under this subpart and we are unable to agree about any question of performance under the agreement, the State may appeal the question to the Commissioner of Social Security. The Commissioner or his or her designee will, within 90 days after receiving the State’s appeal, give the State either a written decision or a written explanation of why a decision cannot be made within 90 days, what is needed before a decision can be made, and when a decision is expected to be made.

(b) The Commissioner’s decision will be the final decision of the Social Security Administration.

GENERAL PROVISIONS

§ 416.2201 General.

In general, sections 1615(d) and (e) of the Social Security Act (the Act) authorize payment from the general fund for the reasonable and necessary costs of vocational rehabilitation (VR) services provided certain disabled or blind individuals who are eligible for supplemental security income (SSI) benefits, special SSI eligibility status, or federally administered State supplementary payments. In this subpart, such benefits, status, or payments are referred to as disability or blindness benefits (see §416.2203). Subject to the provisions of this subpart, payment may be made for VR services provided an individual during a month(s) for which the individual is eligible for disability or blindness benefits, including the continuation of such benefits under section 1631(a)(6) of the Act, or for which the individual's
