§ 73.2575 Titanium dioxide.

(a) Identity and specifications. The color additive titanium dioxide shall conform in identity and specifications to the requirements of §73.1645 (a)(1) and (b).

(b) Uses and restrictions. The color additive titanium dioxide may be safely used in coloring cosmetics generally, including cosmetics intended solely or in part for coloring purposes shall bear, in addition to any other information required by law, labeling in accordance with the provisions of §70.25 of this chapter.

(c) Labeling. The color additive and any mixture prepared therefrom intended solely or in part for coloring purposes shall bear, in addition to any information required by law, labeling in accordance with the provisions of §70.25 of this chapter.

(d) Exemption from certification. Certification of the color additive is not necessary for the protection of the public health and therefore batches thereof are exempt from the certification pursuant to section 721(c) of the act.
