

**Subpart D—General Policy:
Environmental Review Procedures**

§ 50.18 General.

HUD may, from time to time, complete programmatic reviews that further avoid the necessity of complying with the laws and authorities in § 50.4 on a property-by-property basis.

§ 50.19 Categorical exclusions not subject to the Federal laws and authorities cited in § 50.4.

(a) *General.* The activities and related approvals of policy documents listed in paragraphs (b) and (c) of this section are not subject to the individual compliance requirements of the Federal laws and authorities cited in § 50.4, unless otherwise indicated below. These activities and approvals of policy documents are also categorically excluded from the EA required by NEPA except in extraordinary circumstances (§ 50.20(b)). HUD approval or implementation of these categories of activities and policy documents does not require environmental review, because they do not alter physical conditions in a manner or to an extent that would require review under NEPA or the other laws and authorities cited at § 50.4.

(13) Operating costs including maintenance, security, operation, utilities, furnishings, equipment, supplies, staff training and recruitment and other incidental costs; however, in the case of equipment, compliance with § 50.4(b)(1) is required.

(14) Economic development activities, including but not limited to, equipment purchase, inventory financing, interest subsidy, operating expenses and similar costs not associated with construction or physical expansion of existing facilities; however, in the case of equipment purchase, compliance with § 50.4(b)(1) is required.

§§ 50.4(b)(1) and (c)(1) and 24 CFR 51.303(a)(3) is required.

(18) HUD's endorsement of one-to-four family mortgage insurance for proposed construction under Improved Area processing; however, the Appraiser/Review Appraiser Checksheet (Form HUD-54891) must be completed.

(19) Activities of the Government National Mortgage Association under Title III of the National Housing Act (12 U.S.C. 1716 *et seq.*).

(21) Refinancing of HUD-insured mortgages that will not allow new construction or rehabilitation, nor result in any physical impacts or changes except for routine maintenance; however, compliance with § 50.4(b)(1) is required.

(22) Approval of the sale of a HUD-held mortgage.

(23) Approval of the foreclosure sale of a property with a HUD-held mortgage; however, appropriate restrictions will be imposed to protect historic properties.

(24) HUD guarantees under the Loan Guarantee Recovery Fund Program (24 CFR part 573) of loans that refinance existing loans and mortgages, where any new construction or rehabilitation financed by the existing loan or mortgage has been completed prior to the filing of an application under the program, and the refinancing will not allow further construction or rehabilitation, nor result in any physical impacts or changes except for routine maintenance; however, compliance with §§ 50.4 (b)(1) and (c)(1) and 51.303(a) is required.

(c) *Approval of policy documents.* (1) Approval of rules and notices proposed for publication in the FEDERAL REGISTER or other policy documents that do not:

(ii) Establish, revise, or provide for standards for construction or construction materials, manufactured housing, or occupancy.

(4) Approval of handbooks, notices and other documents that provide operating instructions and procedures in connection with activities under a FEDERAL REGISTER document that has previously been subject to a required environmental review.

(5) Approval of a Notice of Funding Availability (NOFA) that provides funding under, and does not alter any environmental requirements of, a regulation or program guideline that was previously published in the FEDERAL REGISTER, provided that

(i) The NOFA specifically refers to the environmental review provisions of the regulation or guideline; or

(ii) The regulation or guideline contains no environmental review provisions because it concerns only activities listed in paragraph (b) of this section.

(6) Statutorily required and/or discretionary establishment and review of interest rates, loan limits, building cost limits, prototype costs, fair market rent schedules, HUD-determined prevailing wage rates, income limits and exclusions with regard to eligibility for or calculation of HUD housing assistance or rental assistance, and similar rate and cost determinations and related external administrative or fiscal requirements or procedures which do not constitute a development decision that affects the physical condition of specific project areas or building sites.
