Office of the Secretary, HUD § 85.52

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) Relationship to debarment and suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude a grantee or subgrantee from being subject to 2 CFR part 2424 (see § 85.35).

[53 FR 8068, 8087, Mar. 11, 1988, as amended at 72 FR 73493, Dec. 27, 2007]

§ 85.44 Termination for convenience.

Except as provided in § 85.43 awards may be terminated in whole or in part only as follows:

(a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated, or

(b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under either § 85.43 or paragraph (a) of this section.

Subpart D—After-the-Grant Requirements

§ 85.50 Closeout.

(a) General. The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) Reports. Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal agencies may extend this timeframe.

These may include but are not limited to:

(1) Final performance or progress report.

(2) The Federal financial report form, as well as other forms prescribed by the program.

(3) Invention disclosure (if applicable).

(4) Federally-owned property report: In accordance with § 85.32(f), a grantee must submit an inventory of all federally owned property (as distinct from property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

Subpart D—After-the-Grant Requirements

§ 85.52 Collection of amounts due.

(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:
(1) Making an administrative offset against other requests for reimbursements,
(2) Withholding advance payments otherwise due to the grantee, or
(3) Other action permitted by law.
(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.
