and reduce lead-based paint hazards and increase access to housing without such health hazards, how the plan for the reduction of lead-based hazards is related to the extent of lead poisoning and hazards, and how the plan for the reduction of lead-based hazards will be integrated into housing policies and programs.

(j) **Anti-poverty strategy.** The consolidated plan must provide a concise summary of the jurisdiction’s goals, programs, and policies for reducing the number of poverty-level families and how the jurisdiction’s goals, programs, and policies for producing and preserving affordable housing, set forth in the housing component of the consolidated plan, will be coordinated with other programs and services for which the jurisdiction is responsible and the extent to which they will reduce (or assist in reducing) the number of poverty-level families, taking into consideration factors over which the jurisdiction has control. These policies may include the jurisdiction’s policies for providing employment and training opportunities to section 3 residents pursuant to 24 CFR part 135.

(k) **Institutional structure.** The consolidated plan must provide a concise summary of the institutional structure, including private industry; non-profit organizations; community and faith-based organizations; philanthropic organizations; the Continuum of Care; and public institutions, departments and agencies through which the jurisdiction will carry out its housing, homeless, and community development plan; a brief assessment of the strengths and gaps in that delivery system; and a concise summary of what the jurisdiction will do to overcome gaps in the institutional structure for carrying out its strategy for addressing its priority needs.

(l) **Coordination.** The consolidated plan must provide a concise summary of the jurisdiction’s activities to enhance coordination among the Continuum of Care, public and assisted housing providers, and private and governmental health, mental health, and service agencies. The summary must address the jurisdiction’s efforts to coordinate housing assistance and services for homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) and persons who were recently homeless but now live in permanent housing. With respect to the public entities involved, the plan must describe the means of cooperation and coordination among the State and any units of general local government in the metropolitan area in the implementation of its consolidated plan. With respect to economic development, the jurisdiction should describe efforts to enhance coordination with private industry, businesses, developers, and social service agencies.

additional resources, including a description of how matching requirements of the HUD programs will be satisfied. Where the jurisdiction deems it appropriate, the jurisdiction may indicate publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan:

(3) Annual objectives. The consolidated plan must contain a summary of the annual objectives the jurisdiction expects to achieve during the forthcoming program year.

(d) Activities to be undertaken. The action plan must provide a description of the activities the jurisdiction will undertake during the next year to address priority needs and objectives. This description of activities shall estimate the number and type of families that will benefit from the proposed activities, the specific local objectives and priority needs (identified in accordance with §91.215) that will be addressed by the activities using formula grant funds and program income the jurisdiction expects to receive during the program year, proposed accomplishments, and a target date for completion of the activity. This information is to be presented in the form of a table prescribed by HUD. The plan must also describe the reasons for the allocation priorities and identify any obstacles to addressing underserved needs;

(e) Outcome measures. Each jurisdiction must provide outcome measures for activities included in its action plan in accordance with guidance to be issued by HUD.

(f) Geographic distribution. A description of the geographic areas of the jurisdiction (including areas of low-income and minority concentration) in which it will direct assistance during the ensuing program year, giving the rationale for the priorities for allocating investment geographically. When appropriate, jurisdictions should estimate the percentage of funds they plan to dedicate to target areas.

(g) Affordable housing. The jurisdiction must specify one-year goals for the number of homeless, non-homeless, and special-needs households to be provided affordable housing through activities that provide rental assistance, production of new units, rehabilitation of existing units, or acquisition of existing units using funds made available to the jurisdiction. The term affordable housing shall be as defined in 24 CFR 92.252 for rental housing and 24 CFR 92.254 for homeownership.

(h) Public housing. Actions it plans to take during the next year to address the needs of public housing and actions to encourage public housing residents to become more involved in management and participate in homeownership. If the public housing agency is designated as “troubled” by HUD under part 902 of this title, the jurisdiction must describe the manner in which it will provide financial or other assistance to improve its operations and remove the “troubled” designation.

(i) Homeless and other special needs activities. (1) The jurisdiction must describe its one-year goals and specific actions steps for reducing and ending homelessness through:

(i) Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs;

(ii) Addressing the emergency shelter and transitional housing needs of homeless persons; and

(iii) Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again; and

(iv) Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families who are:

(A) Being discharged from publicly funded institutions and systems of care, such as health-care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions; or

(B) Receiving assistance from public and private agencies that address housing, health, social services, employment, education, or youth needs.

(2) The jurisdiction must specify the activities that it plans to undertake during the next year to address the housing and supportive service needs identified in accordance with §91.215(e) with respect to persons who are not homeless but have other special needs.

(j) Barriers to affordable housing. Actions it plans to take during the next year to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing. Such policies, procedures and processes include, but are not limited to, land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment.

(k) Other actions. Actions it plans to take during the next year to address obstacles to meeting underserved needs, foster and maintain affordable housing, evaluate and reduce lead-based paint hazards, reduce the number of poverty-level families, develop institutional structure, and enhance coordination between public and private housing and social service agencies (see §91.215 (a), (b), (i), (j), (k), and (l)).

(1) Program-specific requirements—(1) CDBG. (i) A jurisdiction must describe activities planned with respect to all CDBG funds expected to be available during the program year (including program income that will have been received before the start of the next program year), except that an amount generally not to exceed ten percent of such total available CDBG funds may be excluded from the funds for which eligible activities are described if it has been identified for the contingency of cost overruns.

(ii) CDBG funds expected to be available during the program year includes the following:

(A) Any program income that will have been received before the start of the next program year and that has not yet been programmed;

(B) Proceeds from Section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in its strategic plan;

(C) Surplus from urban renewal settlements;

(D) Grant surplus funds returned to the line of credit for which the planned use has not been included in a prior statement or plan; and

(E) Income from float-funded activities. The full amount of income expected to be generated by a float-funded activity must be shown, whether or not some or all of the income is expected to be received in a future program year. To assure that citizens understand the risks inherent in undertaking float-funded activities, the recipient must specify the total amount of program income expected to be received and the month(s) and year(s) that it expects the float-funded activity to generate such program income.

(iii) An “urgent needs” activity (one that is expected to qualify under §570.208(c) of this title) may be included only if the jurisdiction identifies the activity in the action plan and certifies that the activity is designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and because other financial resources are not available.

(iv) The plan shall identify the estimated amount of CDBG funds that will be used for activities that benefit persons of low- and moderate-income. The information about activities shall be in sufficient detail, including location, to allow citizens to determine the degree to which they are affected.

(2) HOME. (i) For HOME funds, a participating jurisdiction shall describe other forms of investment that are not described in §92.205(b).

(ii) If the participating jurisdiction intends to use HOME funds for homebuyers, it must state the guidelines for resale or recapture, as required in §92.254.

(iii) If the participating jurisdiction intends to use HOME funds to refinance existing debt secured by multifamily housing that is being rehabilitated with HOME funds, it must state its refinancing guidelines required under 24 CFR 92.206(b). The guidelines
Office of the Secretary, HUD § 91.220

shall describe the conditions under which the participating jurisdictions will refinance existing debt. At minimum, the guidelines must:

(A) Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing.

(B) Require a review of management practices to demonstrate that disinvestment in the property has not occurred; that the long-term needs of the project can be met; and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated.

(C) State whether the new investment is being made to maintain current affordable units, create additional affordable units, or both.

(D) Specify the required period of affordability, whether it is the minimum 15 years or longer.

(E) Specify whether the investment of HOME funds may be jurisdiction-wide or limited to a specific geographic area, such as a neighborhood identified in a neighborhood revitalization strategy under 24 CFR 91.215(g) or a federally designated Empowerment Zone or Enterprise Community.

(F) State that HOME funds cannot be used to refinance multifamily loans made or insured by any federal program, including CDBG.

(iv) If the participating jurisdiction will receive funding under the American Dream Downpayment Initiative (ADDI) (see 24 CFR part 92, subpart M), it must include:

(A) A description of the planned use of the ADDI funds;

(B) A plan for conducting targeted outreach to residents and tenants of public and manufactured housing and to other families assisted by public housing agencies, for the purposes of ensuring that the ADDI funds are used to provide downpayment assistance for such residents, tenants, and families; and

(C) A description of the actions to be taken to ensure the suitability of families receiving ADDI funds to undertake and maintain homeownership.

(3) HOPWA. For HOPWA funds, the jurisdiction must specify one-year goals for the number of households to be provided housing through the use of HOPWA activities for: short-term rent, mortgage, and utility assistance payments to prevent homelessness of the individual or family; tenant-based rental assistance; and units provided in housing facilities that are being developed, leased, or operated with HOPWA funds and shall identify the method of selecting project sponsors (including providing full access to grassroots faith-based and other community organizations).

(4) ESG. (i) The jurisdiction must include its written standards for providing ESG assistance. The minimum requirements regarding these standards are set forth in 24 CFR 576.400(e)(1) and (e)(3).

(ii) If the Continuum of Care for the jurisdiction’s area has established a centralized or coordinated assessment system that meets HUD requirements, the jurisdiction must describe that centralized or coordinated assessment system. The requirements for using a centralized or coordinated assessment system, including the exception for victim service providers, are set forth under 24 CFR 576.400(d).

(iii) The jurisdiction must identify its process for making subawards and a description of how the jurisdiction intends to make its allocation available to private nonprofit organizations (including community and faith-based organizations), and in the case of urban counties, funding to participating units of local government.

(iv) If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering and making policies and decisions regarding any facilities or services that receive funding under ESG.

(v) The jurisdiction must describe the performance standards for evaluating ESG activities.

(vi) The jurisdiction must describe its consultation with each Continuum of Care that serves the jurisdiction in determining how to allocate ESG funds.
§ 91.225 Certifications.

(a) General. The following certifications, satisfactory to HUD, must be included in the annual submission to HUD. (See definition of "certification" in §91.5.)

(1) Affirmatively furthering fair housing. Each jurisdiction is required to submit a certification that it will affirmatively further fair housing, which means that it will conduct an analysis to identify impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting the analysis and actions in this regard.

(2) Anti-displacement and relocation plan. Each jurisdiction is required to submit a certification that it has in effect and is following a residential antidisplacement and relocation assistance plan in connection with any activity assisted with funding under the CDBG or HOME programs.

(3) Anti-lobbying. The jurisdiction must submit a certification with regard to compliance with restrictions on lobbying required by 24 CFR part 87, together with disclosure forms, if required by that part.

(4) Authority of jurisdiction. The jurisdiction must submit a certification that the consolidated plan is authorized under State and local law (as applicable) and that the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

(5) Consistency with plan. The jurisdiction must submit a certification that the housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan. Where the HOPWA funds are to be received by a city that is the most populous unit of general local government in an EMSA, it must obtain and keep on file certifications of consistency from the authorized public officials for each other locality in the EMSA in which housing assistance is provided.

(b) Community Development Block Grant program. For jurisdictions that seek funding under CDBG, the following certifications are required:

(1) Citizen participation. Each jurisdiction must certify that it is in full compliance and following a detailed citizen participation plan that satisfies the requirements of §91.105.

(2) Community development plan. A certification that this consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the statute authorizing the CDBG program, as described in 24 CFR 570.2, and requirements of this part and 24 CFR part 570.

(3) Following a plan. A certification that the jurisdiction is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

(4) Use of funds. A certification that the jurisdiction has complied with the following criteria:

(i) With respect to activities expected to be assisted with CDBG funds, the Action Plan has been developed so as to give the maximum feasible priority to activities that will benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The plan may also include...
