§ 92.255 Converting rental units to homeownership units for existing tenants.

The participating jurisdiction may permit the owner of HOME-assisted rental units to convert the rental units to homeownership units by selling, donating, or otherwise conveying the units to the existing tenants to enable the tenants to become homeowners in accordance with the requirements of §92.254. If no additional HOME funds are used to enable the tenants to become homeowners, the homeownership units are subject to a minimum period of affordability equal to the remaining affordable period if the units continued as rental units. If additional HOME funds are used to directly assist the tenants to become homeowners, the minimum period of affordability is the affordability period under §92.254(a)(4), based on the amount of direct homeownership assistance provided.

§ 92.256 [Reserved]

§ 92.257 Faith-based activities.

(a) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the HOME program. Neither the Federal government nor a State or local government receiving funds under HOME programs shall discriminate against an organization on the basis of the organization’s religious character or affiliation.

(b) Organizations that are directly funded under the HOME program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the assistance funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the assistance funded under this part, and participation must be voluntary for the beneficiaries of the assistance provided.

(c) A religious organization that participates in the HOME program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct HOME funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities, without removing religious art, icons, scriptures, or other religious symbols. In addition, a HOME-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization’s name, select its board members on a religious basis, and include religious references in its organization’s mission statements and other governing documents.

(d) An organization that participates in the HOME program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(e) HOME funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. HOME funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, HOME funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to HOME funds in this part. Sanctuaries, chapels, or other rooms that a HOME-funded religious congregation uses as its principal place of worship, however, are ineligible for HOME-funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property disposition (see 24 CFR parts 84 and 85).

(f) If a state or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the
funds are commingled, this section applies to all of the commingled funds.

§ 92.258 Elder cottage housing opportunity (ECHO) units.

(a) General. HOME funds may be used for the initial purchase and initial placement costs of elder cottage housing opportunity (ECHO) units that meet the requirements of this section, and that are small, free-standing, barrier-free, energy-efficient, removable, and designed to be installed adjacent to existing single-family dwellings.

(b) Eligible owners. The owner of a HOME-assisted ECHO unit may be:

(1) The owner-occupant of the single-family host property on which the ECHO unit will be located;
(2) A participating jurisdiction; or
(3) A non-profit organization.

(c) Eligible tenants. During the affordability period, the tenant of a HOME-assisted ECHO unit must be an elderly or disabled family as defined in 24 CFR 5.403 and must also be a low-income family.

(d) Applicable requirements. The requirements of §92.252 apply to HOME-assisted ECHO units, with the following modifications:

(1) Only one ECHO unit may be provided per host property.
(2) The ECHO unit owner may choose whether or not to charge the tenant of the ECHO unit rent, but if a rent is charged, it must meet the requirements of §92.252.
(3) The ECHO housing must remain affordable for the period specified in §92.252(e). If within the affordability period the original occupant no longer occupies the unit, the ECHO unit owner must:

(i) Rent the unit to another eligible occupant on site;
(ii) Move the ECHO unit to another site for occupancy by an eligible occupant; or
(iii) If the owner of the ECHO unit is the host property owner-occupant, the owner may repay the HOME funds in accordance with the recapture provisions imposed by the participating jurisdiction consistent with §92.254(a)(5)(ii). The participating jurisdiction must use the recaptured HOME funds for additional HOME activities.

(4) The participating jurisdiction has the responsibility to enforce the project requirements applicable to ECHO units.

Subpart G—Community Housing Development Organizations

§92.300 Set-aside for community housing development organizations (CHDOs).

(a)(1) Within 24 months after HUD notifies the participating jurisdiction of HUD’s execution of the HOME Investment Partnerships Agreement, the participating jurisdiction must reserve not less than 15 percent of the HOME allocation for investment only in housing to be developed, sponsored, or owned by community housing development organizations. For a State, the HOME allocation includes funds reallocated under §92.451(c)(2)(i) and, for a unit of general local government, funds transferred from a State under §92.102(b). The funds are reserved when a participating jurisdiction enters into a written agreement with the community housing development organization. The funds must be provided to a community housing development organization, its subsidiary, or a partnership of which it or its subsidiary is the managing general partner. If a CHDO owns the project in partnership, it or its wholly owned for-profit or non-profit subsidiary must be the managing general partner. In acting in any of the capacities specified, the community housing development organization must have effective project control. In addition, a community housing development organization in connection with housing it develops, sponsors or owns with HOME funds provided under this section, may provide direct homeownership assistance (e.g. downpayment assistance) and not be considered a subrecipient.

(2) The participating jurisdiction determines the form of assistance, e.g., grant or loan, that the community housing development organization receives and whether any proceeds must
