§ 232.535 Loan multiples—minimum principal.

The loan shall involve a principal obligation in multiples of $100, and the minimum principal obligation shall be $10,000.

[40 FR 4908, Feb. 3, 1975]

§ 232.540 Method of loan payment and amortization period.

(a) Monthly payments. The loan shall provide for monthly payments on the first day of each month on account of interest and principal and shall provide for payment in accordance with the amortization plan as agreed upon by the borrower, the lender and the Commissioner.

(b) Amortization period. (1) The loan shall have an amortization of either 5, 10, or 15 years by providing for either 60, 120, or 180 monthly amortization payments. No fire safety loan shall have an amortization period in excess of 15 years unless the amount of the loan exceeds $50,000.00, in which event the amortization period may be increased to 20 years, with a provision for 240 monthly amortization payments.

(2) In any event, the loan shall have a maturity satisfactory to the Commissioner of not less than 5 or more than 20 years from the date of the beginning of amortization or the Commissioner’s estimate of the remaining economic life of the structure, whichever is the lesser.

(3) The Commissioner shall establish the date of the first payment to the principal.

§ 232.545 Covenant against liens.

(a) The security instrument shall contain a covenant against the creation by the borrower of additional liens against the property superior or inferior to the lien of such instrument, except with the prior approval of the Commissioner.

(b) The covenant required under paragraph (a) of this section shall not apply where a lien inferior to the lien of the insured mortgage is given in favor of a Federal, State or local governmental agency or instrumentality under such circumstances as may be approved by the Commissioner, provided the source of funds for repayment of the inferior lien is limited to surplus cash or residual receipts.

§ 232.550 Accumulation of next premium.

The security instrument shall provide for payments by the borrower to the lender on each interest payment date of an amount sufficient to accumulate in the hands of the lender one payment period prior to its due date the next annual insurance premium payable by the borrower to the Commissioner.

§ 232.555 Security instrument and lien.

The security instrument shall cover the entire property included in the project, shall be a lien on the real property of the project under the laws of the jurisdiction in which the project is located, and may be junior to such prior liens or mortgages indebtedness as the Commissioner may approve. The Commissioner may from time to time require such other security, in lieu of, or in addition to, a lien on real property as he may prescribe.

§ 232.560 Interest rate.

(a) The loan shall bear interest at the rate agreed upon by the lender and the borrower.

(b) Interest shall be payable in monthly installments on the principal amount of the loan outstanding on the due date of each installment.

§ 232.565 Maximum loan amount.

The principal amount of the loan shall not exceed the lower of the Commissioner’s estimate of the cost of the fire safety equipment, including the cost of installation, or the amount supported by the residual income, which is the amount of net income remaining after payment of all existing debt service requirements and deduction of the proprietary earnings, as determined by the Commissioner. The cost of installation may include the cost of such other work to be performed on the project necessary to meet the requirements of
