§248.153 Incentives to extend low income use.

(a) Agreements by the Commissioner. After approving a plan of action filed pursuant to §248.145, from an owner of eligible low income housing that includes the owner’s plan to extend the low income affordability restrictions of the project, the Commissioner shall, subject to the availability of appropriations for such purpose, enter into such agreements as are necessary to enable the owner to—

(1) Receive the annual authorized return for the project as determined under §248.121 for each year after the approval of the plan of action;
(2) Pay debt service on the federally-assisted mortgage(s) covering the project;
(3) Pay debt service on any loan for rehabilitation of the project;
(4) Meet project operating expenses; and
(5) Establish adequate reserves.

(b) Permissible incentives. Such agreements may include one or more of the following incentives, as determined necessary by the Commissioner:

(1) Increased access to residual receipts accounts as necessary to enable the owner to realize the annual authorized return;
(2) An increase in the rents permitted under an existing project-based section 8 contract;
(3) Additional project-based section 8 assistance or an extension of any project-based assistance attached to the housing;
(4) An increase in the rents on non-section 8 units occupied by current tenants up to the maximum allowable rents;
(5) Financing of capital improvements under part 219 of this chapter;
(6) Financing of rehabilitation through provision of insurance for a second mortgage under part 241 of this chapter;
(7) Redirection of the Interest Reduction Payment subsidies to a second mortgage for projects which are insured, assisted, or held by the Commissioner or a State or State agency under part 236 of this chapter;
(8) Access by the owner to a portion of the preservation equity in the project through provision of insurance for an acquisition or equity loan insured under part 241, subpart E of this chapter or through a non-insured mortgage loan approved by the Commissioner and the mortgagee;
(9) An increase in the amount of allowable distributions up to the annual authorized return; and
(10) Other incentives authorized in law.

(c) Limitation on the provision of permissible incentives. (1) The total amount of incentives provided to a project under paragraphs (b)(2), (3), and (4) of this section shall not result in a projected rental income stream which exceeds the Federal cost limit.

(2) The debt service on the loan obtained by the owner under paragraph (b)(8) of this section, when added to the allowable distributions under paragraph (b)(9) of this section, shall not exceed the annual authorized return.

(d) Rent phase-in period. To the extent necessary to ensure that owners receive the annual authorized return during the tenant rent phase-in period established in §248.145(a)(6), the Commissioner shall permit owners to receive the following additional incentives:

(1) Access to residual receipts accounts;
(2) Deferred remittance of excess rent payments; and
(3) Increases in rents, as permitted under an existing Section 8 contract.

These incentives shall be provided to owners in the order listed. An owner will not be eligible to receive these additional incentives unless it can demonstrate that it is not receiving the annual authorized return. Once an owner has adequately demonstrated that it is not receiving the annual authorized return, the Commissioner will provide the owner with each incentive in turn during the rent phase-in period, until it has been determined that the owner is receiving the annual authorized return.

(e) Interest reduction subsidies. Where Interest Reduction Payment subsidies are sought to be redirected, pursuant to paragraph (b)(7) of this section, the lender may not unreasonably withhold its consent to such redirection.

(f) Recalculation of section 236 basic rent and market rent. With respect to any project with a mortgage insured or otherwise assisted pursuant to part 236
of this chapter, the basic rent and market rent, as defined in §236.2 of this chapter, for each unit in such project may be increased to take into account the allowable distributions permitted under this section and the debt service on any equity loan, rehabilitation loan or acquisition loan approved under a plan of action under subpart B of this part.

(iii) A community-based nonprofit organization which has the support of a majority of the tenants.

(2) If no bona fide offer to purchase the project is made and accepted during or at the end of the 6-month period specified in paragraph (c)(1) of this section, the owner may offer to sell the project during the next 6 months to any priority purchasers.

(3) If no bona fide offer to purchase the project is made and accepted during or at the end of the 6-month period specified in paragraph (c)(2) of this section, the owner may offer to sell the project during the 3 months immediately following that period only to qualified purchasers.

(d) Purchase price. The sale price, including assumption of the debt on the federally-assisted mortgage(s), or the amount of the debt on the federally-assisted mortgage(s) that the project is taken subject to, may not exceed the transfer preservation value of the project.

(e) Expression of interest. Any priority purchaser seeking to make an offer during the 6-month periods specified in paragraph (c) of this section shall, and other qualified purchasers may, submit written notice thereof to the Commissioner.
