§ 570.904 Equal opportunity and fair housing review criteria.

(a) General. (1) Where the criteria in this section are met, the Department will presume that the recipient has carried out its CDBG-funded program in accordance with civil rights certifications and civil rights requirements of the Act relating to equal employment opportunity, equal opportunity in services, benefits and participation, and is affirmatively furthering fair housing unless:

(i) There is evidence which shows, or from which it is reasonable to infer, that the recipient, motivated by considerations of race, color, religion where applicable, sex, national origin, age or handicap, has treated some persons less favorably than others, or

(ii) There is evidence that a policy, practice, standard or method of administration, although neutral on its face, operates to deny or affect adversely in a significantly disparate way the provision of employment or services, benefits or participation to persons of a particular race, color, religion where applicable, sex, national origin, age or handicap, or fair housing to persons of a particular race, color, religion, sex, or national origin, or

(iii) Where the Secretary required a further assurance pursuant to §570.304 in order to accept the recipient’s prior civil rights certification, the recipient has failed to meet any such assurance.

(2) In such instances, or where the review criteria in this section are not met, the recipient will be afforded an opportunity to present evidence that it has not failed to carry out the civil rights certifications and fair housing requirements of the Act. The Secretary’s determination of whether there has been compliance with the applicable requirements will be made based on a review of the recipient’s performance, evidence submitted by the recipient, and all other available evidence. The Department may also initiate separate compliance reviews under title VI of the Civil Rights Act of 1964 or section 109 of the Act.

(b) Review for equal opportunity. Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.), and implementing regulations in 24 CFR part 1, together with section 109 of the Act (see §570.602), prohibit discrimination in any program or activity funded in whole or in part with funds made available under this part.

(1) Review for equal employment opportunity. The Department will presume that a recipient’s hiring and employment practices have been carried out in compliance with its equal opportunity certifications and requirements of the Act. This presumption may be rebutted where, based on the totality of circumstances, there has been a deprivation of employment, promotion, or training opportunities by a recipient to any person within the meaning of section 109.

(i) There is evidence which shows, or from which it is reasonable to infer, that the recipient, motivated by considerations of race, color, religion where applicable, sex, national origin, age or handicap, has treated some persons less favorably than others, or

(ii) There is evidence that a policy, practice, standard or method of administration, although neutral on its face, operates to deny or affect adversely in a significantly disparate way the provision of employment or services, benefits or participation to persons of a particular race, color, religion where applicable, sex, national origin, age or handicap, or fair housing to persons of a particular race, color, religion, sex, or national origin, or

(iii) Where the Secretary required a further assurance pursuant to §570.304 in order to accept the recipient’s prior civil rights certification, the recipient has failed to meet any such assurance.

(2) Review of equal opportunity in services, benefits and participation. The Department will presume a recipient is carrying out its programs and activities in accordance with the civil rights certifications and requirements of the Act. This presumption may be rebutted where, based on the totality of circumstances, there has been a deprivation of services, benefits, or participation in any program or activity funded in whole or in part with block grant funds by a recipient to any person within the meaning of section 109. The extent to which persons of a particular race, gender, or ethnic background participate in a program or activity may in certain circumstances be considered,
§ 570.905 Review of continuing capacity to carry out CDBG funded activities in a timely manner.

If HUD determines that the recipient has not carried out its CDBG activities and certifications in accordance with the requirements and criteria described in §570.901 or 570.902, HUD will undertake a further review to determine whether or not the recipient has the continuing capacity to carry out its activities in a timely manner. In making the determination, the Department will consider the nature and extent of the recipient’s performance deficiencies, types of corrective actions the recipient has undertaken and the success or likely success of such actions.
