

(b) *Review of initial rents.* Before calculating the amount of any retroactive payment, the PHA, if directed by HUD, will review whether rents were excessive when initially set.

(c) *Physical condition of projects.* If the most recent physical inspection report by the PHA shows significant deficiencies that have not been addressed to the satisfaction of the PHA by the date the retroactive payment is deposited into the project account, the payment will not be made available until the deficiencies are resolved or a plan for their resolution has been approved by the PHA.

§ 888.420 One-time Contract Rent determination.

(a) *Determining the amount of the new Contract Rent.* Project owners eligible for retroactive payments, as described in § 888.401(c), may request a one-time Contract Rent determination, to be effective as described in paragraph (c) of this section. The request for a one-time rent determination must be made when submitting a request for retroactive payments, as described in § 888.415. If no claim for retroactive payments is made, an owner may submit only the request for a one-time rent determination, provided the owner is eligible for retroactive payments. The new Contract Rent under this provision will be the greater of:

(1) The Contract Rent currently approved by the PHA; or

(2) An amount equal to the Contract Rent as adjusted to May 31, 1991 under § 888.405(a).

(b) *Currently approved rent.* The Contract Rent currently approved by the PHA is the Contract Rent stated in the most recent amendment to the HAP Contract signed by both the PHA and the owner.

(c) *Effective date of new Contract Rent.* The new Contract Rent, determined under paragraph (a) of this section, will be effective on May 31, 1991.

Subpart A—General Program Requirements

§ 891.100 Purpose and policy.

(a) *Purpose.* The Section 202 Program of Supportive Housing for the Elderly

and the Section 811 Program of Supportive Housing for Persons with Disabilities provide Federal capital advances and project rental assistance under section 202 of the Housing Act of 1959 (12 U.S.C. 1701q) (section 202) and section 811 of the National Affordable Housing Act (42 U.S.C. 8013) (section 811), respectively, for housing projects serving elderly households and persons with disabilities. Section 202 projects shall provide a range of services that are tailored to the needs of the residents. Owners of Section 811 projects shall ensure that the residents are provided with any necessary supportive services that address their individual needs.

(b) *General policy*—(1) *Supportive Housing for the Elderly*. A capital advance and contract for project rental assistance provided under this program shall be used for the purposes described in Section 202 (12 U.S.C. 1701q(b)).

(2) *Supportive Housing for Persons with Disabilities*. A capital advance and contract for project rental assistance provided under this program shall be used for the purposes described in Section 811 (42 U.S.C. 8013(b)).

(c) *Use of capital advance funds*. No part of the funds reserved may be transferred by the Sponsor, except to the Owner caused to be formed by the Sponsor. This action must be accomplished prior to issuance of a commitment for capital advance funding.

(d) *Amendments*. Subject to the availability of funds, HUD may amend the amount of an approved capital advance only after initial closing has occurred.

§ 891.105 Definitions.

The following definitions apply, as appropriate, throughout this part. Other terms with definitions unique to the particular program are defined in §§ 891.205, 891.305, and 891.505, as applicable.

Adjusted income as defined in part 5, subpart F of subtitle A of this title.

Affiliated entities means entities that the field office determines to be related to each other in such a manner that it is appropriate to treat them as a single entity. Such relationship shall include any identity of interest among such entities or their principals and the use by any otherwise unaffiliated entities of a

single Sponsor or of Sponsors (or of a single Borrower or of Borrowers, as applicable) that have any identity of interest themselves or their principals.

Annual income as defined in part 5, subpart F of subtitle A of this title. In the case of an individual residing in an intermediate care facility for the developmentally disabled that is assisted under title XIX of the Social Security Act and this part, the annual income of the individual shall exclude protected personal income as provided under that Act. For purposes of determining the total tenant payment, the income of such individuals shall be imputed to be the amount that the household would receive if assisted under title XVI of the Social Security Act.

Family is defined in 24 CFR 5.403.

Household (eligible household) means an elderly or disabled household (as defined in §§ 891.205 or 891.305, respectively), as applicable, that meets the project occupancy requirements approved by HUD and, if the household occupies an assisted unit, meets the very low-income requirements described in § 813.102 of this chapter, as modified by the definition of annual income in this section.

Housing and related facilities means rental housing structures constructed, rehabilitated, or acquired as permanent residences for use by elderly or disabled households, as applicable. The term includes necessary community space. Except for intermediate care facilities for individuals with developmental disabilities, this term does not include nursing homes, hospitals, intermediate care facilities, or transitional care facilities. For the Loans for the Elderly and Persons with Disabilities Program, see § 891.505.

Low-income families shall have the same meaning provided in section 3(b)(2) of the United States Housing Act of 1937 (42 U.S.C. 1437a).

National Sponsor means a Sponsor that has one or more Section 202 or one or more Section 811 project(s) under reservation, construction, or management in two or more different HUD geographical regions.

Operating costs means HUD-approved expenses related to the provision of housing and includes:

§ 891.110

24 CFR Ch. VIII (4–1–12 Edition)

(1) Administrative expenses, including salary and management expenses related to the provision of shelter and, in the case of the Section 202 Program, the coordination of services;

(2) Maintenance expenses, including routine and minor repairs and groundskeeping;

(3) Security expenses;

(4) Utilities expenses, including gas, oil, electricity, water, sewer, trash removal, and extermination services. The term “*operating costs*” excludes telephone services for households;

(5) Taxes and insurance;

(6) Allowances for reserves; and

(7) Allowances for services (in the Section 202 Program only).

Project rental assistance contract (PRAC) means the contract entered into by the Owner and HUD setting forth the rights and duties of the parties with respect to the project and the payments under the PRAC.

Project rental assistance payment means the payment made by HUD to the Owner for assisted units as provided in the PRAC. The payment is the difference between the total tenant payment and the HUD-approved per unit operating expenses except for expenses related to items not eligible under design and cost provisions. An additional payment is made to a household occupying an assisted unit when the utility allowance is greater than the total tenant payment. A project rental assistance payment, known as a “vacancy payment,” may be made to the Owner when an assisted unit is vacant, in accordance with the terms of the PRAC.

Rehabilitation means the improvement of the condition of a property from deteriorated or substandard to good condition. Rehabilitation may vary in degree from the gutting and extensive reconstruction to the cure of substantial accumulation of deferred maintenance. Cosmetic improvements alone do not qualify as rehabilitation under this definition. Rehabilitation may also include renovation, alteration, or remodeling for the conversion or adaptation of structurally sound property to the design and condition required for use under this part, or the repair or replacement of major building systems or components in danger of

failure. Improvement of an existing structure must require 15 percent or more of the estimated development cost to rehabilitate the project to a useful life of 55 years.

Replacement reserve account means a project account into which funds are deposited, which may be used only with the approval of the Secretary for repairs, replacement, capital improvements to the section 202 or section 811 units, and retrofitting to reduce the number of units as provided by 24 CFR 891.405(d).

Section 202 means section 202 of the Housing Act of 1959 (12 U.S.C. 1701q), as amended, or the Supportive Housing for the Elderly Program authorized by that section.

Section 811 means section 811 of the National Affordable Housing Act (42 U.S.C. 8013), as amended, or the Supportive Housing for Persons with Disabilities Program authorized by that section.

Start-up expenses mean necessary costs (to plan a Section 202 or Section 811 project, as applicable) incurred by the Sponsor or Owner prior to initial closing.

Tenant payment to Owner equals total tenant payment less utility allowance, if any.

Total tenant payment means the monthly amount defined in, and determined in accordance with part 5, subpart F of subtitle A of this title.

Utility allowance is defined in part 5, subpart F of this subtitle A of this title and is determined or approved by HUD.

Very low-income families shall have the same meaning provided in section 3(b)(2) of the United States Housing Act of 1937 (42 U.S.C. 1437a).

[61 FR 11956, Mar. 22, 1996, as amended at 66 FR 6225, Jan. 19, 2001; 66 FR 8175, Jan. 30, 2001; 68 FR 67320, Dec. 1, 2003; 70 FR 54209, Sept. 13, 2005; 77 FR 5675, Feb. 3, 2012]

§ 891.110 Allocation of authority.

In accordance with 24 CFR part 791, the Assistant Secretary will separately allocate the amounts available for capital advances for the development of housing for elderly households and for disabled households, less amounts set aside by Congress for specific types of projects, and for amendments of fund reservations made in prior years, for

technical assistance, and for other contracted services.

§ 891.115 Notice of funding availability.

Following an allocation of authority under § 891.110, HUD shall publish a separate Notice of Funding Availability (NOFA) for the Section 202 Program of Supportive Housing for the Elderly and for the Section 811 Program of Supportive Housing for Persons with Disabilities in the FEDERAL REGISTER. The NOFAs will contain specific information on how and when to apply for the available capital advance authority, the contents of the application, and the selection process.

§ 891.120 Project design and cost standards.

In addition to the special project standards described in §§ 891.210 and 891.310, as applicable, the following standards apply:

(a) *Property standards.* Projects under this part must comply with HUD Minimum Property Standards, unless otherwise indicated in this part.

(b) *Accessibility requirements.* Projects under this part must comply with the Uniform Federal Accessibility Standards (See 24 CFR 40.7 for availability), section 504 of the Rehabilitation Act of 1973 and HUD's implementing regulations (24 CFR part 8), and for new construction multifamily housing projects, the design and construction requirements of the Fair Housing Act and HUD's implementing regulations at 24 CFR part 100. For the Section 811 Program of Supportive Housing for Persons with Disabilities, see additional accessibility requirements in § 891.310(b).

(c) *Restrictions on amenities.* Projects must be modest in design. In individual units in supportive housing for the elderly and in independent living facilities for persons with disabilities, amenities not eligible for HUD funding include individual unit balconies and decks, atriums, bowling alleys, swimming pools, saunas, Jacuzzis, trash compactors, washers and dryers. However, HUD funding is eligible to pay for washers and dryers in group homes for persons with disabilities. Sponsors may include certain excess amenities, but

must pay for them from sources other than the section 202 or 811 capital advance. They must also pay for the continuing operating costs associated with any excess amenities from sources other than the section 202 or 811 project rental assistance contract.

(d) *Smoke detectors.* After October 30, 1992, each dwelling unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each level of the unit.

(e) Projects under this part may have on their sites commercial facilities for the benefit of residents of the project and of the community in which the project is located, so long as the commercial facilities are not subsidized with funding under the supportive housing programs for the elderly or persons with disabilities. Such commercial facilities are considered public accommodations under Title III of the Americans with Disabilities Act and must be accessible under the requirements of that Act.

[61 FR 11956, Mar. 22, 1996, as amended at 68 FR 67320, Dec. 1, 2003; 73 FR 29985, May 23, 2008]

§ 891.125 Site and neighborhood standards.

All sites must meet the following site and neighborhood requirements:

(a) The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed, and adequate utilities (water, sewer, gas, and electricity) and streets must be available to service the site.

(b) The site and neighborhood must be suitable from the standpoint of facilitating and furthering full compliance with the applicable provisions of Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Executive Order 11063 (27 FR 11527, 3 CFR, 1958-1963 Comp., p. 652); as amended by Executive Order 12259, (46 FR 1253, 3 CFR, 1980 Comp., p. 307)); section 504 of the Rehabilitation Act of 1973, and implementing HUD regulations.

(c) New construction sites must meet the following site and neighborhood requirements:

(1) The site must not be located in an area of minority concentration (or minority elderly concentration under the

Section 202 Program) except as permitted under paragraph (c)(2) of this section, and must not be located in a racially mixed area if the project will cause a significant increase in the proportion of minority to nonminority residents (or minority elderly to nonminority elderly residents, under the Section 202 Program) in the area.

(2) A project may be located in an area of minority concentration (or minority elderly concentration, under the Section 202 Program) only if:

(i) Sufficient, comparable opportunities exist for housing for minority elderly households or minority disabled households, as applicable (or minority families, for projects funded under §§ 891.655 through 891.790), in the income range to be served by the proposed project, outside areas of minority concentration (see paragraph (c)(3) of this section for further guidance on this criterion); or

(ii) The project is necessary to meet overriding housing needs that cannot be met in that housing market area (see paragraph (c)(4) of this section for further guidance on this criterion).

(3)(i) *Sufficient* does not require that in every locality there be an equal number of assisted units within and outside of areas of minority concentration. Rather, application of this standard should produce a reasonable distribution of assisted units each year which over a period of several years will approach an appropriate balance of housing opportunities within and outside areas of minority concentration. An appropriate balance in any jurisdiction must be determined in light of local conditions affecting the range of housing choices available for very low-income minority elderly or disabled households, as applicable (or low-income minority families, for projects funded under §§ 891.655 through 891.790), and in relation to the racial mix of the locality's population.

(ii) Units may be considered to be *comparable opportunities* if they have the same household type (elderly or disabled, as applicable) and tenure type (owner/renter); require approximately the same total tenant payment; serve the same income group; are located in the same housing market; and are in standard condition.

(iii) Application of this sufficient, comparable opportunities standard involves assessing the overall impact of HUD-assisted housing on the availability of housing choices for very low-income minority elderly or disabled households, as applicable (or low-income minority families, for projects funded under §§ 891.655 through 891.790), in and outside areas of minority concentration, and must take into account the extent to which the following factors are present, along with any other factor relevant to housing choice:

(A) A significant number of assisted housing units are available outside areas of minority concentration.

(B) There is significant integration of assisted housing projects constructed or rehabilitated in the past ten years, relative to the racial mix of the eligible population.

(C) There are racially integrated neighborhoods in the locality.

(D) Programs are operated by the locality to assist minority elderly or disabled households, as applicable (or minority families, for projects funded under §§ 891.655 through 891.790), that wish to find housing outside areas of minority concentration.

(E) Minority elderly or disabled households, as applicable (or minority families, for projects funded under §§ 891.655 through 891.790), have benefited from local activities (e.g., acquisition and write-down of sites, tax relief programs for homeowners, acquisitions of units for use as assisted housing units) undertaken to expand choice for minority households (or families) outside of areas of minority concentration.

(F) A significant proportion of minority elderly or disabled households, as applicable (or minority households, for projects funded under §§ 891.655 through 891.790), have been successful in finding units in nonminority areas under the Section 8 Certificate and Housing Voucher programs.

(G) Comparable housing opportunities have been made available outside areas of minority concentration through other programs.

(4) Application of the *overriding housing needs* criterion, for example, permits approval of sites that are an integral part of an overall local strategy

for the preservation or restoration of the immediate neighborhood and of sites in a neighborhood experiencing significant private investment that is demonstrably changing the economic character of the area (a “revitalizing area”). An *overriding housing need*, however, may not serve as the basis for determining that a site is acceptable if the only reason the need cannot otherwise be feasibly met is that discrimination on the basis of race, color, creed, sex, or national origin renders sites outside areas of minority concentration unavailable, or if the use of this standard in recent years has had the effect of circumventing the obligation to provide housing choice.

(d) The neighborhood must not be one that is seriously detrimental to family life or in which substandard dwellings or other undesirable conditions predominate, unless there is actively in progress a concerted program to remedy the undesirable conditions.

(e) The housing must be accessible to social, recreational, educational, commercial, and health facilities and services, and other municipal facilities and services that are at least equivalent to those typically found in neighborhoods consisting largely of unassisted, standard housing of similar market rents.

(f) For the Section 811 Program of Supportive Housing for Persons with Disabilities, the additional site and neighborhood requirements in § 891.320 apply.

§ 891.130 Prohibited relationships.

This section shall apply to capital advances under the Section 202 Program and the Section 811 Program, as well as to loans financed under §§ 891.655 through 891.790.

(a) *Conflicts of interest.* (1) Officers and Board members of either the Sponsor or the Owner (or Borrower, as applicable) may not have any financial interest in any contract with the Owner or in any firm which has a contract with the Owner. This restriction applies so long as the individual is serving on the Board and for a period of three years following resignation or final closing, whichever occurs later.

(2) The following contracts between the Owner (or Borrower, as applicable) and the Sponsor or the Sponsor’s non-

profit affiliate will not constitute a conflict of interest if no more than two persons salaried by the Sponsor or management affiliate serve as non-voting directors on the Owner’s board of directors:

(i) Management contracts (including associated management fees);

(ii) Supportive services contracts (including service fees) under the Supportive Housing for the Elderly Program; and

(iii) Developer (consultant) contracts.

(b) *Identity of interest.* An identity of interest between the Sponsor or Owner (or Borrower, as applicable) and any development team member or between development team members is prohibited until two years after final closing.

(c) *Mixed-finance projects.* Section 891.832 of this part applies to mixed-finance projects for the elderly and for persons with disabilities.

[61 FR 11956, Mar. 22, 1996, as amended at 70 FR 54209, Sept. 13, 2005]

§ 891.135 Amount and terms of capital advances.

(a) *Amount of capital advances.* The amount of capital advances approved shall be the amount stated in the notification of fund reservation, including any adjustment required by HUD before the final closing. The amount of the capital advance may not exceed the appropriate development cost limit.

(b) *Estimated development cost.* The amount of the capital advance may not exceed the total estimated development cost of the project (as determined by HUD), less the incremental development cost associated with excess amenities and design features to be paid for by the Sponsor under § 891.120.

§ 891.140 Development cost limits.

(a) HUD shall use the development cost limits, established by Notice in the FEDERAL REGISTER and adjusted by locality, to calculate the fund reservation amount of the capital advance to be made available to individual Owners. Owners that incur actual development costs that are less than the amount of the initial fund reservation shall be entitled to retain 50 percent of the savings in a Replacement Reserve

§ 891.145

Account. Such percentage shall be increased to 75 percent for Owners that add energy efficiency features.

(b) The Replacement Reserve Account established under paragraph (a) of this section may only be used for repairs, replacements, and capital improvements to the project.

§ 891.145 Owner deposit (Minimum Capital Investment).

As a Minimum Capital Investment, the Owner must deposit in a special escrow account one-half of one percent (0.5%) of the HUD-approved capital advance, not to exceed \$10,000, to assure the Owner's commitment to the housing. Under the Section 202 Program, if an Owner has a National Sponsor or a National Co-Sponsor, the Minimum Capital Investment shall be one-half of one percent (0.5%) of the HUD-approved capital advance, not to exceed \$25,000.

§ 891.150 Operating cost standards.

HUD shall establish operating cost standards based on the average annual operating cost of comparable housing for the elderly or for persons with disabilities in each field office, and shall adjust the standard annually based on appropriate indices of increases in housing costs such as the Consumer Price Index. The operating cost standards shall be developed based on the number of units. However, under the Section 811 Program and for projects funded under §§ 891.655 through 891.790, the operating cost standard for group homes shall be based on the number of residents. HUD may adjust the operating cost standard applicable to an approved project to reflect such factors as differences in costs based on location within the field office jurisdiction. The operating cost standard will be used to determine the amount of the project assistance initially reserved for a project.

§ 891.155 Other Federal requirements.

In addition to the requirements set forth in 24 CFR part 5, the following requirements in this § 891.155 apply to the Section 202 and Section 811 Programs, as well as projects funded under §§ 891.655 through 891.790. Other requirements unique to a particular program

24 CFR Ch. VIII (4–1–12 Edition)

are described in subparts B and C of this part, as applicable.

(a) *Affirmative fair housing marketing.*

(1) The affirmative fair housing marketing requirements of 24 CFR part 200, subpart M and the implementing regulations at 24 CFR part 108; and

(2) The fair housing advertising and poster guidelines at 24 CFR parts 109 and 110.

(b) *Environmental.* The National Environmental Policy Act of 1969, HUD's implementing regulations at 24 CFR part 50, including the related authorities described in 24 CFR 50.4. § 891.185 Preemption of rent control laws.

The Department finds that it is necessary and desirable to assist project owners to preserve the continued viability of each project assisted under this part (except subpart E) as a housing resource for very low-income elderly persons or persons with disabilities. The Department also finds that it is necessary to protect the substantial economic interest of the Federal Government in those projects. Therefore, the Department concludes that it is in the national interest to preempt, and it does hereby preempt, the entire field of rent regulation by local rent control boards or other authority acting pursuant to state or local law as it affects those projects. Part 246 of this title applies to projects covered by subpart E of this part.

Project facilities may not include infirmaries, nursing stations, spaces dedicated to the delivery of medical treatment or physical therapy, padded rooms, or space for respite care or sheltered workshops, even if paid for from sources other than the HUD capital advance or loan. Except for office space used by the Owner (or Borrower, if applicable) exclusively for the administration of the project, project facilities may not include office space.

Subpart D—Project Management

§ 891.400 Responsibilities of owner.

(a) *Marketing.* (1) The Owner must commence and continue diligent marketing activities not later than 90 days before the anticipated date of availability of the first unit or occupancy of the group home. Market activities shall include the provision of notices of the availability of housing under the program to operators of temporary housing for the homeless in the same housing market.

(2) Marketing must be done in accordance with a HUD-approved affirmative fair housing marketing plan and all Federal, State or local fair housing and equal opportunity requirements. The purpose of the plan and requirements is to achieve a condition in which eligible households of similar income levels in the same housing market area have a like range of housing choices available to them regardless of discriminatory considerations such as their race, color, creed, religion, familial status, disability, sex or national origin.

(3) At the time of PRAC execution, the Owner must submit to HUD a list of leased and unleased assisted units (or in the case of a group home, leased and unleased residential spaces) with a justification for the unleased units or residential spaces, in order to qualify for vacancy payments for the unleased units or residential spaces.

(b) *Management and maintenance.* The Owner is responsible for all management functions. These functions include selection and admission of tenants, required reexaminations of incomes for households occupying assisted units or residential spaces, collection of tenant payments, termination of tenancy and eviction, and all repair and maintenance functions (including ordinary and extraordinary maintenance and replacement of capital items). All functions must be performed in compliance with equal opportunity requirements.

(c) *Contracting for services.* (1) With HUD approval, the Owner may contract with a private or public entity for performance of the services or duties required in paragraphs (a) and (b) of this section. However, such an arrangement does not relieve the Owner of responsibility for these services and duties. All such contracts are subject to the restrictions governing prohibited contractual relationships described in § 891.130. (These prohibitions do not extend to management contracts entered into by the Owner with the Sponsor or its nonprofit affiliate.)

(2) Consistent with the objectives of Executive Order No. 11625 (36 FR 19967, 3 CFR, 1971–1975 Comp., p. 616; as amended by Executive Order No. 12007 (42 FR 42839, 3 CFR, 1977 Comp., p. 139)); Executive Order No. 12432 (48 FR 32551, 3 CFR, 1983 Comp., p. 198); and Executive Order No. 12138 (44 FR 29637, 3 CFR, 1979 Comp., p. 393; as amended by Executive Order No. 12608 (52 FR 34617, 3 CFR, 1987 Comp., p. 245)), the Owner will promote awareness and participation of minority and women's business enterprises in contracting and procurement activities.

(d) *Submission of financial and operating statements.* The Owner must submit to HUD:

(1) Within 60 days after the end of each fiscal year of project operations, financial statements for the project audited by an independent public accountant and in the form required by HUD; and

(2) Other statements regarding project operation, financial conditions and occupancy as HUD may require to administer the PRAC and to monitor project operations.

(e) *Use of project funds.* The Owner shall maintain a separate interest bearing project fund account in a depository or depositories which are members of the Federal Deposit Insurance Corporation or National Credit Union Share Insurance Fund and shall deposit all tenant payments, charges, income and revenues arising from project operation or ownership to this account. All project funds are to be deposited in Federally insured accounts. All balances shall be fully insured at all times, to the maximum extent possible. Project funds must be used for the operation of the project (including required insurance coverage), and to make required deposits to the replacement reserve under § 891.405, in accordance with HUD-approved budget. Any remaining project funds in the project funds account (including earned interest) following the expiration of the fiscal year shall be deposited in a Federally-insured residual receipts account within 60 days following the end of the fiscal year. Withdrawals from this account may be made only for project purposes and with the approval of HUD. If there are funds remaining in the residual receipts account when the mortgage is satisfied, such funds shall be returned to HUD.

(f) *Reports.* The Owner shall submit such reports as HUD may prescribe to demonstrate compliance with applicable civil rights and equal opportunity requirements. See § 891.410(a).

(Approved by the Office of Management and Budget under control number 2502-0470)

§ 891.405 Replacement reserve.

(a) *Establishment of reserve.* The Owner shall establish and maintain a replacement reserve to aid in funding extraordinary maintenance and repair and replacement of capital items.

(b) *Deposits to reserve.* The Owner shall make monthly deposits to the replacement reserve in an amount determined by HUD.

(c) *Level of reserve.* The reserve must be built up to and maintained at a level determined by HUD to be sufficient to meet projected requirements. Should the reserve reach that level, the amount of the deposit to the reserve may be reduced with the approval of HUD.

§ 891.410

24 CFR Ch. VIII (4–1–12 Edition)

(d) *Administration of reserve.* Replacement reserve funds must be deposited with HUD or in a Federally-insured depository in an interest-bearing account(s) whose balances(s) are fully insured at all times. All earnings including interest on the reserve must be added to the reserve. Funds may be drawn from the reserve and used only in accordance with HUD guidelines and with the approval of, or as directed by, HUD. With HUD approval, reserves may be used to reduce the number of dwelling units, provided that the purpose for the reduction is the retrofitting of obsolete or unmarketable units.

[61 FR 11956, Mar. 22, 1996, as amended at 68 FR 67321, Dec. 1, 2003]

§ 891.410 Selection and admission of tenants.

(a) *Written procedures.* The Owner shall adopt written tenant selection procedures that ensure nondiscrimination in the selection of tenants and that are consistent with the purpose of improving housing opportunities for very low-income elderly persons and persons with disabilities (as applicable); and reasonably related to program eligibility and an applicant's ability to perform the obligations of the lease. Owners shall promptly inform in writing any rejected applicant of the grounds for any rejection. Additionally, Owners shall maintain a written, chronological waiting list showing the name, race, gender, ethnicity, and date of each person applying for the program.

(b) *Application for admission.* The Owner must accept applications for admission to the project in the form prescribed by HUD, and (under the Section 202 Program only) is obligated to confirm all information provided by applicant families on the application. Applicant households applying for assisted units (or residential spaces in a group home) must complete a certification of eligibility as part of the application for admission. Applicant households must meet the disclosure and verification requirements for Social Security Numbers, as provided by 24 CFR part 5, subpart B. Applicant families must sign and submit consent forms for the obtaining of wage and claim information

from State Wage Information Collection Agencies, as provided by 24 CFR part 5, subpart B. Both the Owner and the applicant household must complete and sign the application for admission. On request, the Owner must furnish copies of all applications for admission to HUD.

(c) *Determination of eligibility and selection of tenants.* (1) The Owner is responsible for determining whether applicants are eligible for admission and for the selection of households. To be eligible for admission, an applicant must be an elderly person or a person with disabilities, as applicable (as defined in §§ 891.205 and 891.305, respectively); must meet the disclosure and verification requirements for Social Security Numbers, as provided by 24 CFR part 5, subpart B; must sign and submit consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies, as provided by 24 CFR part 5, subpart B; and must be a very low-income family, as defined in § 891.105.

(2) Under the Section 811 Program:

(i) In order to be eligible for admission, the applicant must also meet any project occupancy requirements approved by HUD.

(ii) Owners shall make selections in a nondiscriminatory manner without regard to considerations such as race, religion, color, sex, national origin, familial status, or disability. An Owner may, with the approval of the Secretary, limit occupancy within housing developed under this part 891 to persons with disabilities who have similar disabilities and require a similar set of supportive services in a supportive housing environment. However, the Owner must permit occupancy by any qualified person with a disability who could benefit from the housing and/or services provided regardless of the person's disability.

(d) *Unit assignment.* If the Owner determines that the household is eligible and is otherwise acceptable and units (or residential spaces in a group home) are available, the Owner will assign the household a unit or residential space in a group home. If the household will occupy an assisted unit, the Owner will assign the household a unit of the appropriate size in accordance with

HUD's general occupancy guidelines. If no suitable unit (or residential space in a group home) is available, the Owner will place the household on a waiting list for the project and notify the household when a suitable unit or residential space may become available. If the waiting list is so long that the applicant would not be likely to be admitted for the next 12 months, the Owner may advise the applicant that no additional applications for admission are being considered for that reason.

(e) *Ineligibility determination.* If the Owner determines that an applicant is ineligible for admission or the Owner is not selecting the applicant for other reasons, the Owner will promptly notify the applicant in writing of the determination, the reasons for the determination, and the applicant's right to request a meeting to review the rejection, in accordance with HUD requirements. The review, if requested, may not be conducted by a member of the Owner's staff who made the initial decision to reject the applicant. The applicant may also exercise other rights (e.g., rights granted under Federal, State or local civil rights laws) if the applicant believes he or she is being discriminated against on a prohibited basis.

(f) *Records.* Records on applicants and approved eligible households, which provide racial, ethnic, gender and place of previous residency data required by HUD, must be retained for three years. See § 891.410(a).

(g) *Reexamination of household family income and composition—*(1) *Regular reexaminations.* The Owner must reexamine the income and composition of the household at least every 12 months. Upon verification of the information, the Owner must make appropriate adjustments in the total tenant payment in accordance with part 813 of this chapter, as modified by § 891.105, and must determine whether the household's unit size is still appropriate. The Owner must adjust tenant payment and the project rental assistance payment, and must carry out any unit transfer in accordance with HUD standards. At the time of reexamination under paragraph (g)(1) of this section, the Owner must require the household to meet the dis-

closure and verification requirements for Social Security Numbers, as provided by 24 CFR part 5, subpart B. For requirements regarding the signing and submitting of consent forms by families for obtaining of wage and claim information from State Wage Information Collection Agencies, see 24 CFR part 5, subpart B.

(2) *Interim reexaminations.* The household must comply with the provisions in its lease regarding interim reporting of changes in income. If the Owner receives information concerning a change in the household's income or other circumstances between regularly scheduled reexaminations, the Owner must consult with the household and make any adjustments determined to be appropriate. See 24 CFR part 5, subpart B for the requirements for the disclosure and verification of Social Security Number at interim reexaminations involving new household members. For requirements regarding the signing and submitting of consent forms by families for the obtaining of wage and claim information from State Wage Information Collection Agencies, see 24 CFR part 5, subpart B. Any change in the household's income or other circumstances that result in an adjustment in the total tenant payment, tenant payment, and project rental assistance payment must be verified.

(3) *Continuation of project rental assistance payment.* (i) A household shall remain eligible for project rental assistance payment until the total tenant payment equals or exceeds the gross rent (or a pro rata share of the gross rent in a group home). The termination of subsidy eligibility will not affect the household's other rights under its lease. Project rental assistance payment may be resumed if, as a result of changes in income, rent or other relevant circumstances during the term of the PRAC, the household meets the income eligibility requirements of 24 CFR part 813 (as modified in § 891.105) and project rental assistance is available for the unit or residential space under the terms of the PRAC. The household will not be required to establish its eligibility for admission to the project under the remaining requirements of paragraph (c) of this section.

§ 891.415

(ii) A household's eligibility for project rental assistance payment may be terminated in accordance with HUD requirements for such reasons as failure to submit requested verification information, including information related to disclosure and verification of Social Security Numbers, as provided by 24 CFR part 5, subpart B or failure to sign and submit consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies (as provided by 24 CFR part 5, subpart B).

§ 891.415 Obligations of the household or family.

This section shall apply to capital advances under the Section 202 Program and the Section 811 Program, as well as loans financed under subpart E of this part.

(a) *Requirements.* The household (or family, as applicable) shall:

(1) Pay amounts due under the lease directly to the Owner (or Borrower, as applicable);

(2) Supply such certification, release of information, consent, completed forms or documentation as the Owner (or Borrower, as applicable) or HUD determines necessary, including information and documentation relating to the disclosure and verification of Social Security Numbers, as provided by 24 CFR part 5, subpart B, and the signing and submission of consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies, as provided by 24 CFR part 5, subpart B;

(3) Allow the Owner (or Borrower, as applicable) to inspect the dwelling unit or residential space at reasonable times and after reasonable notice;

(4) Notify the Owner (or Borrower, as applicable) before vacating the dwelling unit or residential space; and

(5) Use the dwelling unit or residential space solely for residence by the household (or family, as applicable) and as the household's (or family's) principal place of residence.

(b) *Prohibitions.* The household (or family, as applicable) shall not:

(1) Assign the lease or transfer the unit or residential space; or

(2) Occupy, or receive assistance for the occupancy of, a unit or residential space governed under this part 891 while occupying, or receiving assistance for the occupancy of, another unit assisted under any Federal housing assistance program, including any section 8 program.

(Approved by the Office of Management and Budget under control number 2502-0470)

§ 891.420 Overcrowded and underoccupied units.

If the Owner determines that because of change in household size, an assisted unit is smaller than appropriate for the eligible household to which it is leased, or that the assisted unit is larger than appropriate, project rental assistance payment with respect to the unit will not be reduced or terminated until the eligible household has been relocated to an appropriate alternate unit. If possible, the Owner will, as promptly as possible, offer the household an appropriate alternate unit. The Owner may receive vacancy payments for the vacated unit if the Owner complies with the requirements of § 891.445.

§ 891.425 Lease requirements.

This section shall apply to capital advances under the Section 202 Program and the Section 811 Program, as well as loans financed under subpart E of this part.

(a) *Term of lease.* The term of the lease may not be less than one year. Unless the lease has been terminated by appropriate action, upon expiration of the lease term, the household and Owner (or family and Borrower, as applicable) may execute a new lease for a term not less than one year, or may take no action. If no action is taken, the lease will automatically be renewed for successive terms of one month.

(b) *Termination by the household (or family, as applicable).* All leases may contain a provision that permits the household (or family) to terminate the lease upon 30 days advance notice. A lease for a term that exceeds one year must contain such provision.

(c) *Form.* The Owner (or Borrower, as applicable) shall use the lease form prescribed by HUD. In addition to required provisions of the lease form, the

Owner (or Borrower) may include a provision in the lease permitting the Owner (or Borrower) to enter the leased premises at any time without advance notice when there is reasonable cause to believe that an emergency exists or that health or safety of a family member is endangered.

§ 891.430 Denial of admission, termination of tenancy, and modification of lease.

(a) The provisions of part 5, subpart I, of this title apply to Section 202 and Section 811 capital advance projects.

(b) The provisions of part 247 of this title apply to all decisions by an owner to terminate the tenancy or modify the lease of a household residing in a unit (or residential space in a group home).

[66 FR 28798, May 24, 2001]

§ 891.435 Security deposits.

This section shall apply to capital advances under the Section 202 Program and the Section 811 Program, as well as loans financed under subpart E of this part. For loans financed under subpart E of this part, the requirements in § 891.635 also apply.

(a) *Collection of security deposits.* At the time of the initial execution of the lease, the Owner (or Borrower, as applicable) will require each household (or family, as applicable) occupying an assisted unit or residential space in a group home to pay a security deposit in an amount equal to one month's tenant payment or \$50, whichever is greater. The household (or family) is expected to pay the security deposit from its own resources and other available public or private resources. The Owner (or Borrower) may collect the security deposit on an installment basis.

(b) *Security deposit provisions applicable to units—(1) Administration of security deposit.* The Owner (or Borrower, as applicable) must place the security deposits in a segregated interest-bearing account. The amount of the segregated, interest-bearing account maintained by the Owner (or Borrower) must at all times equal the total amount collected from the households (or families, as applicable) then in occupancy plus any accrued interest and less allowable administrative cost adjustments. The Owner (or Borrower) must comply with

any applicable State and local laws concerning interest payments on security deposits.

(2) *Household (or family, as applicable) notification requirement.* In order to be considered for the refund of the security deposit, a household (or family) must provide the Owner (or Borrower, as applicable) with a forwarding address or arrange to pick up the refund.

(3) *Use of security deposit.* The Owner (or Borrower, as applicable), subject to State and local law and the requirements of paragraphs (b)(1) and (b)(3) of this section, may use the household's (or family's, as applicable) security deposit balance as reimbursement for any unpaid amounts that the household (or family) owes under the lease. Within 30 days (or shorter time if required by State or local law) after receiving notification under paragraph (b)(2) of this section, the Owner (or Borrower) must:

(i) Refund to a household (or family) that does not owe any amount under the lease the full amount of the household's (or family's) security deposit balance;

(ii) Provide to a household (or family) owing amounts under the lease a list itemizing each amount, along with a statement of the household's (or family's) rights under State and local law. If the amount that the Owner (or Borrower) claims is owed by the household (or family) is less than the amount of the household's (or family's) security deposit balance, the Owner (or Borrower) must refund the excess balance to the household (or family). If the Owner (or Borrower) fails to provide the list, the household (or family) will be entitled to the refund of the full amount of the household's (or family's) security deposit balance.

(4) *Disagreements.* If a disagreement arises concerning reimbursement of the security deposit, the household (or family, if applicable) will have the right to present objections to the Owner (or Borrower, if applicable) in an informal meeting. The Owner (or Borrower) must keep a record of any disagreements and meetings in a tenant file for inspection by HUD. The procedures of this paragraph do not preclude the household (or family) from exercising its rights under State or local law.

§ 891.440

(5) *Decedent's interest in security deposit.* Upon the death of a member of a household (or family, as applicable), the decedent's interest, if any, in the security deposit will be governed by State or local law.

(c) *Reimbursement by HUD for assisted units.* If the household's (or family's, if applicable) security deposit balance is insufficient to reimburse the Owner (or Borrower, if applicable) for any amount that the household (or family) owes under the lease for an assisted unit or residential space, and the Owner (or Borrower) has provided the household (or family) with the list required by paragraph (b)(3)(ii) of this section, the Owner (or Borrower) may claim reimbursement from HUD for an amount not to exceed the lesser of:

(1) The amount owed the Owner (or Borrower); or

(2) One month's per unit operating cost (or contract rent, if applicable), minus the amount of the household's (or family's) security deposit balance. Any reimbursement under this section will be applied first toward any unpaid tenant payment (or rent, if applicable) due under the lease. No reimbursement may be claimed for any unpaid tenant payment (or rent) for the period after termination of the tenancy. The Owner (or Borrower) may be eligible for vacancy payments following a vacancy in accordance with the requirements of § 891.445 (or §§ 891.650 or 891.790, as applicable).

§ 891.440 Adjustment of utility allowances.

This section shall apply to projects funded under the Section 202 Program, to independent living complexes funded under Section 811 Program, and to projects financed with loans under subpart E of this part. The Owner (or Borrower, as applicable) must submit an analysis of any utility allowances applicable. Such data as changes in utility rates and other facts affecting utility consumption should be provided as part of this analysis to permit appropriate adjustments in the utility allowances for assisted units. In addition, when utility rate changes would result in a cumulative increase of 10 percent or more in the most recently approved utility allowances, the Owner (or Bor-

24 CFR Ch. VIII (4-1-12 Edition)

rower) must advise HUD and request approval of new utility allowances. Whenever a utility allowance for an assisted unit is adjusted, the Owner (or Borrower) will promptly notify affected households (or families, as applicable) and make a corresponding adjustment of the tenant payment (or rent, as applicable) and the amount of the project rental assistance payment (or housing or project assistance payment, as applicable).

(Approved by the Office of Management and Budget under control number 2502-0470)

§ 891.445 Conditions for receipt of vacancy payments for assisted units.

(a) *General.* Vacancy payments under the PRAC will not be made unless the conditions for receipt of these project rental assistance payments set forth in this section are fulfilled.

(b) *Vacancies during rent-up.* For each unit (or residential space in a group home) that is not leased as of the effective date of the PRAC, the Owner is entitled to vacancy payments in the amount of 50 percent of the per unit operating cost (or pro rata share of the group home operating cost) for the first 60 days of vacancy, if the Owner:

(1) Conducted marketing in accordance with § 891.400(a) and otherwise complied with § 891.400;

(2) Has taken and continues to take all feasible actions to fill the vacancy; and

(3) Has not rejected any eligible applicant except for good cause acceptable to HUD.

(c) *Vacancies after rent-up.* If an eligible household vacates an assisted unit (or residential space in a group home) the Owner is entitled to vacancy payments in the amount of 50 percent of the approved per unit operating cost (or pro rata share of the group home operating cost) for the first 60 days of vacancy if the Owner:

(1) Certifies that it did not cause the vacancy by violating the lease, the PRAC, or any applicable law;

(2) Notified HUD of the vacancy or prospective vacancy and the reasons for the vacancy upon learning of the vacancy or prospective vacancy;

(3) Has fulfilled and continues to fulfill the requirements specified in

§ 891.400(a) (2) and (3) and § 891.445(b) (2) and (3); and

(4) For any vacancy resulting from the Owner's eviction of an eligible household, certifies that it has complied with § 891.430.

(d) *Prohibition of double compensation for vacancies.* If the Owner collects payments for vacancies from other sources (tenant payment, security deposits, payments under § 891.435(c), or governmental payments under other programs), the Owner shall not be entitled to collect vacancy payments to the extent these collections from other sources plus the vacancy payment exceed the approved per unit operating cost.

§ 891.450 HUD review.

HUD shall conduct periodic on-site management reviews of the Owner's compliance with the requirements of this part.

Subpart E—Loans for Housing for the Elderly and Persons with Disabilities

§ 891.500 Purpose and policy.

(a) *Purpose.* The program under subpart E of this part provides direct Federal loans under section 202 of the Housing Act of 1959 (42 U.S.C. 1701q) for housing projects serving elderly or handicapped families and individuals. The housing projects shall provide the necessary services for the occupants which may include, but are not limited to: Health, continuing education, welfare, informational, recreational, homemaking, meal and nutritional services, counseling, and referral services, as well as transportation where necessary to facilitate access to these services.

(b) *General policy.* A loan made under subpart E of this part shall be used to finance the construction or the substantial rehabilitation of projects for elderly or handicapped families, or for the acquisition with or without moderate rehabilitation of existing housing and related facilities for group homes for nonelderly handicapped individuals.

(c) *Applicability.* Subpart E of this part applies to all fund reservations made before October 1, 1990, except for loans not initially closed that were

converted to capital advances. Specifically, § 891.520 through 891.650 of subpart E apply to projects for elderly or handicapped families that received reservations under section 202 of the Housing Act of 1959 (12 U.S.C. 1701q) and housing assistance under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437 *et seq.*). Sections 891.655 through 891.790 of subpart E apply to projects for nonelderly handicapped families receiving reservations under section 202 and project assistance payments under section 202(h) of the Housing Act of 1959.

No part of the net earnings of the Borrower may inure to the benefit of any private shareholder, contributor, or individual, and the Borrower may not be controlled by or under the direction of persons or firms seeking to derive profit or gain therefrom. Because of the nonprofit nature of the Section 202 program, no officer or director, or trustee, member, stockholder or authorized representative of the Borrower is permitted to have any financial interest in any contract in connection with the rendition of services, the provision of goods or supplies, project management, procurement of furnishings and equipment, construction of the project, procurement of the site or other matters whatsoever.

Housing and related facilities means rental or cooperative housing structures constructed or substantially rehabilitated as permanent residences for use by elderly or handicapped families, or acquired with or without moderate rehabilitation for use by nonelderly handicapped families as group homes. The term includes structures suitable for use by families residing in the project or in the area, such as cafeterias or dining halls, community rooms, or buildings, or other essential service facilities. In the case of acquisition with or without moderate rehabilitation, at least three years must have elapsed from the later of the date of completion of the project or the beginning of occupancy to the date of the application for a Section 202 fund reservation. § 891.510 Displacement, relocation, and real property acquisition.

(a) *Minimizing displacement.* Consistent with the other goals and objectives of subpart E of this part, Sponsors and Borrowers shall assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted under subpart E of this part.

(b) *Relocation assistance for displaced persons.* A displaced person (defined in paragraph (f) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA) (42 U.S.C. 4201–4655), as implemented by 49 CFR part 24. A displaced person shall be advised of his or her rights under the Fair Housing Act (42 U.S.C. 3601–3619). If the comparable replacement dwellings are located in areas of minority concentration, minority persons also must be given, if possible, referrals to suitable, decent, safe, and sanitary replacement dwellings not located in such areas.

(c) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(d) *Appeals.* A person who disagrees with the Sponsor's/Borrower's determination concerning whether the person qualifies as a "displaced person," or with the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the Sponsor/Borrower. A

low-income person who is dissatisfied with the Sponsor's/Borrower's determination on his or her appeal may submit a written request for review of that determination to the HUD field office.

(e) *Responsibility of Sponsor/Borrower.* The Sponsor/Borrower shall certify that it will comply (i.e., provide assurance of compliance, as required by 49 CFR part 24) with the URA, the regulations at 49 CFR part 24, and the requirements of this section, and shall ensure such compliance notwithstanding any third party's contractual obligation to comply with these provisions. The Sponsor/Borrower shall maintain records in sufficient detail to demonstrate compliance with the provisions of this section. The Sponsor/Borrower shall maintain data on the race, ethnic, gender, and handicap status of displaced persons.

(f) *Definition of a displaced person.* (1) For purposes of this section, the term *displaced person* means a person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under this part. This includes any permanent, involuntary move for an assisted project including any permanent move from the real property that is made:

(i) After notice by the Sponsor/Borrower to move permanently from the property if the move occurs on or after:

(A) The date of the submission of an application to HUD that is later approved, if the Sponsor has control of an appropriate site; or

(B) The date that the Sponsor obtains control of an approvable site, if such control is obtained after the submission of an application to HUD:

(ii) Before the date described in paragraph (f)(1)(i) of this section, if the Sponsor, Borrower or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the project;

(iii) By a tenant-occupant of a dwelling unit, if any one of the following three situations occurs;

(A) The tenant moves after execution of the Agreement between the Sponsor/

§ 891.515

Borrower and HUD, and the move occurs before the tenant is provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe, and sanitary dwelling in the same building/complex upon completion of the project under reasonable terms and conditions. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(1) The tenant's monthly rent and estimated average monthly utility costs before the Agreement; or

(2) The total tenant payment, as determined under 24 CFR 813.107, if the tenant is low-income, or 30 percent of gross household income, if the tenant is not low-income; or

(B) The tenant is required to relocate temporarily, does not return to the building/complex, and either:

(1) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation; or

(2) Other conditions of the temporary relocation are not reasonable; or

(C) The tenant is required to move to another dwelling in the same building/complex but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move, or other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (f)(1) of this section, however, a person does not qualify as a "displaced person" (and is not eligible for relocation assistance at URA levels), if:

(i) The person has been evicted for cause based upon a serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable Federal, State, or local law, or other good cause, and HUD determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance.

(ii) The person moved into the property after the submission of the application and, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., displacement, temporary relocation or a

24 CFR Ch. VIII (4–1–12 Edition)

rent increase) and the fact that he or she will not qualify as a displaced person as a result of the project;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project;

(3) The Sponsor/Borrower may request, at any time, a HUD determination of whether a displacement is or would be covered by this section.

§ 891.515 Audit requirements.

Nonprofits receiving assistance under this part are subject to the audit requirements in 24 CFR part 45.

SECTION 202 PROJECTS FOR THE ELDERLY OR HANDICAPPED—SECTION 8 ASSISTANCE

§ 891.520 Definitions applicable to 202/8 projects.

The following definitions apply to projects for eligible families receiving assistance under section 8 of the United States Housing Act of 1937 in addition to reservations under section 202 of the Housing Act of 1959 (202/8 projects):

Adjusted income as defined in part 5, subpart F of subtitle A of this title.

Assisted unit means a dwelling unit eligible for assistance under a HAP contract.

Contract rent means the total amount of rent specified in the HAP contract as payable by HUD and the tenant to the Borrower for an assisted unit.

Family (eligible family) means an elderly or handicapped family that meets the project occupancy requirements approved by HUD and, if the family occupies an assisted unit, meets the requirements described in part 813 of this chapter.

Gross rent is defined in part 5, subpart F of subtitle A of this title.

HAP contract (housing assistance payments contract) means the contract entered into by the Borrower and HUD setting forth the rights and duties of the parties with respect to the project and the payments under the HAP contract.

Housing assistance payment means the payment made by HUD to the Borrower

for assisted units as provided in the HAP contract. The payment is the difference between the contract rent and the tenant rent. An additional payment is made to a family occupying an assisted unit when the utility allowance is greater than the total tenant payment. A housing assistance payment, known as a “vacancy payment,” may be made to the Borrower when an assisted unit is vacant, in accordance with the terms of the HAP contract.

Project account means a specifically identified and segregated account for each project that is established in accordance with § 891.570(b) out of the amounts by which the maximum annual commitment exceeds the amount actually paid out under the HAP contract each year.

Project occupancy requirements means that eligible populations to be served under the Section 202 program are qualified individuals or families whose head of household or spouse is elderly, physically handicapped, developmentally disabled, or chronically mentally ill. Projects are designed to meet the special needs of the particular tenant population that the Borrower was selected to serve. Individuals from one eligible group may not be accepted for occupancy in a project designed for a different tenant group. However, a Sponsor can propose to house eligible tenant groups other than the one it was selected to serve, but must apply to the HUD field office for permission to do so, based on a plan that demonstrates that it can adequately serve the proposed tenant group. Upon review and recommendation by the field office, HUD Headquarters will approve or disapprove the request.

Rent, in the case of a unit in a cooperative project, means the carrying charges payable to the cooperative with respect to occupancy of the unit.

Tenant rent means the monthly amount defined in, and determined in accordance with part 5, subpart F of subtitle A of this title.

Total tenant payment means the monthly amount defined in, and determined in accordance with part 5, subpart F of subtitle A of this title.

Utility allowance is defined in part 5, subpart F of subtitle A of this title and is determined or approved by HUD.

Utility reimbursement is defined in part 5, subpart F of subtitle A of this title.

Vacancy payment means the housing assistance payment made to the Borrower by HUD for a vacant assisted unit if certain conditions are fulfilled, as provided in the HAP contract. The amount of the vacancy payment varies with the length of the vacancy period and is less after the first 60 days of any vacancy.

[61 FR 11956, Mar. 22, 1996, as amended at 66 FR 6225, Jan. 19, 2001; 66 FR 8174, Jan. 30, 2001]

§ 891.525 Amount and terms of financing.

(a) The amount of financing approved shall be the amount stated in the Notice of Section 202 Fund Reservation, including any increase approved by the field office prior to the final closing of a loan; provided, however, that the amount of financing provided shall not exceed the lesser of:

(1) The dollar amounts stated in paragraphs (b) through (f) of this section; or

(2) The total development cost of the project as determined by the field office.

(b) For such part of the property or project attributable to dwelling use (excluding exterior land improvements, as defined by the Assistant Secretary) the maximum loan amount, depending on the number of bedrooms, may not exceed:

(1) \$28,032 per family unit without a bedroom.

(2) \$32,321 per family unit with one bedroom.

(3) \$38,979 per family unit with two bedrooms.

(c) In order to compensate for the higher costs incident to construction of elevator type structures of sound standards of construction and design, the field office may increase the dollar limitations per family unit, as provided in paragraph (b) of this section, to not to exceed:

(1) \$29,500 per family unit without a bedroom.

(2) \$33,816 per family unit with one bedroom.

(3) \$41,120 per family unit with two bedrooms.

(d) *Reduced loan amount—leaseholds.* In the event the loan is secured by a leasehold estate rather than a fee simple estate, the allowable cost of the property upon which the loan amount is based shall be reduced by the value of the leased fee.

(e) *Adjusted loan amount—rehabilitation projects.* A loan amount that involves a project to be rehabilitated shall be subject to the following additional limitations:

(1) *Property held in fee.* If the Borrower is the fee simple owner of the project not encumbered by a mortgage, the maximum loan amount shall not exceed 100 percent of the cost of the proposed rehabilitation.

(2) *Property subject to existing mortgage.* If the Borrower owns the project subject to an outstanding indebtedness, which is to be refinanced with part of the Section 202 loan, the maximum loan amount shall not exceed the cost of rehabilitation plus such portion of the outstanding indebtedness as does not exceed the fair market value of such land and improvements prior to the rehabilitation, as determined by the field office.

(3) *Property to be acquired.* If the project is to be acquired by the Borrower and the purchase price is to be financed with a part of the Section 202 loan, the maximum loan amount shall not exceed the cost of the rehabilitation plus such portion of the purchase price as does not exceed the fair market value of such land and improvements prior to the rehabilitation, as determined by the field office.

(f) *Increased Mortgage Limits—High Cost Areas.* (1)(i) The Assistant Secretary may increase the dollar amount limitations in paragraphs (b) and (c) of this section:

(A) By not to exceed 110 percent in any geographical area in which the Assistant Secretary finds that cost levels so require; and

(B) By not to exceed 140 percent where the Assistant Secretary determines it necessary on a project-by-project basis.

(ii) In no case, however, may any such increase exceed 90 percent, where the Assistant Secretary determines that there is involved a mortgage purchased or to be purchased by the Gov-

ernment National Mortgage Association (GNMA) in implementing its Special Assistance Functions under section 305 of the National Housing Act (as section 305 existed immediately before its repeal on November 30, 1983).

(2) If the Assistant Secretary finds that because of high costs in Alaska, Guam, or Hawaii it is not feasible to construct dwellings without the sacrifice of sound standards of construction, design, and livability within the limitations of maximum loan amounts provided in this section, the principal amount of mortgages may be increased by such amounts as may be necessary to compensate for such costs, but not to exceed in any event the maximum, including high cost area increases, if any, otherwise applicable by more than one-half thereof.

(g) *Loan interest rate.* Loans shall bear interest at a rate determined by HUD in accordance with this section.

(1) *Annual interest rate.* Except as provided under paragraph (g)(2), loans shall bear interest at the rate in effect at the time the loan is made. The loan interest rate shall not exceed:

(i) The average yield on the most recently issued 30-year marketable obligations of the United States during the 3-month period immediately preceding the fiscal year in which the loan is made (adjusted to the nearest one-eighth of one percent), plus an allowance to cover administrative costs and probable losses under the program; and

(ii) Any applicable statutory ceiling on the loan interest rate including the allowance to cover administrative costs and probable losses.

(2) *Optional interest rate.* The Borrower may elect an optional loan interest rate. To elect the optional rate, the Borrower must request that HUD determine the loan interest rate at the time of the Borrower's request for conditional or firm commitment for direct loan financing.

(i) If the Borrower elects the optional loan interest rate, the loan interest rate shall not exceed:

(A) The average yield on the most recently issued 30-year marketable obligations of the United States during the 3-month period immediately preceding the fiscal year in which the request for commitment is submitted (adjusted to

the nearest one-eighth of one percent), plus an allowance to cover administrative costs and probable losses under the program;

(B) The average yield on the most recently issued 30-year marketable obligations of the United States during the 1-month period immediately preceding the month in which the request for commitment is submitted (adjusted to the nearest one-eighth of one percent), plus an allowance to cover the administrative costs and probable losses under the program; and (C) Any applicable statutory ceiling on the loan interest rate including an allowance to cover administrative costs and probable losses under the program.

(ii) The date of submission of a request for conditional or firm commitment is the date that the Borrower submits the complete and acceptable request to HUD. The date of the submission of a request for commitment will not be affected by any subsequent resubmission of the request by the Borrower or by any reprocessing of the request by HUD.

(iii) The Borrower may withdraw its election of the optional interest rate at any time before initial loan closing. If the Borrower elected the optional interest rate with its request for conditional commitment and withdraws its election, the loan will bear interest at the rate determined under paragraph (g)(1) of this section, unless the Borrower elects an optional interest rate with its request for firm commitment. If the Borrower withdraws its election after the date of submission of its request for firm commitment, the loan will bear interest at the rate determined under paragraph (g)(1) of this section.

(iv) If initial loan closing has not occurred within 18 months after the Notice of Section 202 Fund Reservation is issued, the Borrower's election of the optional rate will be cancelled and the loan will bear interest at the rate determined under paragraph (g)(1) of this section.

(3) *Allowance for administrative costs and probable losses.* For the purpose of computing the loan interest rate under paragraphs (g) (1) and (2) of this section, the allowance to cover administrative costs and probable losses under

the program is one-fourth of one percent (.25%) per annum for both the construction and permanent loan periods.

(h) *Announcement of interest rates.* (1) HUD will annually announce the loan interest rate determination under paragraph (g)(1) of this section by publishing notice of the rate in the FEDERAL REGISTER. The FEDERAL REGISTER notice will include a statement explaining the basis for the interest rate determination.

(2) Upon the Borrower's request, HUD will provide available current information concerning the determination of the interest rate under paragraph (g)(2) of this section.

(i) The loan shall be secured by a first mortgage on real estate in fee simple or long term leasehold. The mortgage shall be repayable during a term not to exceed 40 years and shall be subject to such terms and conditions as shall be determined by the Assistant Secretary.

(j) In order to assure HUD of the Borrower's continued commitment to the development, management, and operation of the project, a minimum capital investment is required of Section 202 Borrowers of one-half of one percent (0.5%) of the mortgage amount committed to be disbursed, not to exceed the amount of \$10,000. Section 106(b) loans made pursuant to section 106 of the Housing Act of 1968 may not be utilized to meet the minimum capital investment requirement. Such minimum capital investment shall be placed in escrow at the initial closing of the Section 202 loan and shall be held by HUD or other escrow agent acceptable to the field office for not less than a 3-year period from the date of initial occupancy and may be used for operating expenses or deficits as may be directed by the field office. Any unexpended balance remaining in the minimum capital investment account at the end of the escrow period shall be returned to the Borrower.

§ 891.530 Prepayment privileges.

(a) The prepayment (whether in whole or in part) or the assignment or transfer of physical and financial assets of any Section 202 project is prohibited, unless the Secretary gives prior written approval.

(b) The Secretary may not grant approval unless he or she has determined that the prepayment or transfer of the loan is part of a transaction that will ensure the continued operation of the project, until the original maturity date of the loan, in a manner that will provide rental housing for the elderly and handicapped on terms at least as advantageous to existing and future tenants as the terms required by the original Section 202 loan agreement and any other loan agreements entered into under other provisions of law.

§ 891.535 Requirements for awarding construction contracts.

(a) Awards shall be made only to responsible contractors that possess the potential ability to perform successfully under the terms and conditions of a proposed construction contract. Consideration shall be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(b) Each Borrower is permitted to use either competitive bidding (formal advertising) in selecting a construction contractor or the negotiated non-competitive method of contract award under paragraph (c) of this section. In competitive bidding, sealed bids are publicly solicited and a firm, fixed-price contract is awarded (in accordance with the requirements of this paragraph (b)) to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is lowest in price. Regardless of which method a Borrower uses, there should be an opportunity for minority owned and women owned businesses to be awarded a contract.

(1) Bids shall be solicited from an adequate number of known contractors a reasonable time prior to the date set forth for opening of bids. In addition, the invitation shall be publicly advertised.

(2) The invitation for bids shall specify:

- (i) The name of the Borrower;
- (ii) A brief description of the proposed project and the proposed construction contract;
- (iii) A preliminary estimate of cost;

(iv) That bids will be received at a specified place until a specified time at which time and place all bids will be publicly opened;

(v) The location where the proposed forms of contract and bid documents, including plans and specifications, are on file and may be obtained on payment of a specified returnable deposit;

(vi) That a certified check or bank draft or satisfactory bid bond in the amount of 5 percent of the bid shall be submitted with the bid;

(vii) That the successful bidder will be required to provide assurance of completion in the form of a performance and payment bond or cash escrow; and

(viii) That the Borrower reserves the right to reject any or all bids and to waive any informality.

(3) The bid form, which must be submitted by all bidders, must specify:

- (i) The name of the project;
- (ii) The name and address of the bidder;

(iii) That the bidder proposes to furnish all labor, materials, equipment and services required to construct and complete the project, as described in the invitation for bids (including the contents of all documents on file), for a specified lump-sum price;

(iv) That the security specified in paragraph (b)(2)(vi) of this section accompanies the bid;

(v) The period after the bid opening during which the bid shall not be withdrawn without the consent of the Borrower;

(vi) That the bidder will, if notified of acceptance of such bid within a specified period after the opening, execute and deliver a contract in the prescribed form and furnish the required bond within ten days thereafter;

(vii) That the bidder acknowledges any amendments to the invitation for bids; and

(viii) That the bidder certifies that the bid is in strict accordance with all terms of the invitation for bids (including the contents of all documents on file) and that the bid is signed by a person authorized to bind the bidder.

(4) Bidding shall be open to all general contractors who furnish the security guaranteeing their bid, as described in paragraph (b)(2)(vi) of this section.

(5) All bids shall be opened publicly at the time and place stated in the invitation for bids, in the presence of the HUD Regional Administrator or his designee.

(6) A firm, fixed-price contract award shall be made by written notice to the responsible bidder whose bid, conforming to the invitation for bids, is lowest. The contract may provide for an incentive payment to the contractor for an early completion.

(c) A Sponsor or Borrower may award a negotiated, noncompetitive construction contract.

§ 891.540 Loan disbursement procedures.

(a) Disbursements of loan proceeds shall be made directly by HUD to or for the account of the Borrower and may be made through an approved lender, mortgage servicer, title insurance company, or other agent satisfactory to the Borrower and HUD.

(b) All disbursements to the Borrower shall be made on a periodic basis in an amount not to exceed the HUD-approved cost of portions of construction or rehabilitation work completed and in place (except as modified in paragraph (d) of this section), minus the appropriate holdback, as determined by the field office.

(c) Requisitions for loan disbursements shall be submitted by the Borrower on forms to be prescribed by the Assistant Secretary and shall be accompanied by such additional information as the field office may require in order to approve loan disbursements under subpart E of this part, including but not limited to evidence of compliance with the Davis-Bacon Act, Department of Labor regulations, all applicable zoning, building, and other governmental requirements, and such evidence of continued priority of the mortgage of the Borrower as the Assistant Secretary may prescribe.

(d) In loan disbursements for building components stored off-site, the term *building component* shall mean any manufactured or preassembled part of

a structure as defined by HUD and that the Assistant Secretary has designated for off-site storage because it is of such size or weight that storage of the components required for timely construction progress at the construction site is impractical, or weather damage or other adverse conditions prevailing at the construction site would make storage at the site impractical or unduly costly. Each building component must be specifically identified for incorporation into the property as provided under paragraph (d)(1)(ii) of this section.

(1) *Storage.* (i) A loan disbursement may be made for up to 90 percent of the invoice value (to exclude costs of transportation and storage) of the building components stored off-site if the components are stored at a location approved by HUD.

(ii) Each building component shall be adequately marked so as to be readily identifiable in the inventory of the off-site location. It shall be kept together with all other building components of the same manufacturer intended for use in the same project for which loan disbursements have been made and separate and apart from similar units not for use in the project.

(iii) Storage costs, if any, shall be borne the general contractor.

(2) *Responsibility for transportation, storage and insurance of off-site building components.* The general contractor of the project shall have the responsibility for:

(i) Insuring the components in the name of the Borrower while in transit and storage; and

(ii) Delivering or contracting for the delivery of the components to the storage area and to the construction site, including payment of freight.

(3) *Loan disbursements.* (i) Before a loan disbursement for a building component stored off-site is made, the Borrower shall:

(A) Obtain a bill of sale for the component;

(B) Provide HUD with a security agreement pledged by a first lien on the building components with the exception of such other liens or encumbrances as may be approved by HUD; and

(C) File a financing statement in accordance with the Uniform Commercial Code.

(ii) Before each loan disbursement for building components stored off-site is made the manufacturer and the general contractor shall certify to HUD that the components, in their intended use, comply with HUD-approved contract plan and specifications.

(iii) Loan disbursements may be made only for components stored off-site in a quantity required to permit uninterrupted installation at the site.

(iv) At no time shall the invoice value of building components being stored off-site, for which advances have been insured, represent more than 25 percent of the total estimated construction costs for the insured mortgaged project as specified in the construction contract. Notwithstanding the preceding sentence and other regulatory requirements that set bonding requirements, the percentage of total estimated construction costs insured by advances under this section may exceed 25 percent but not 50 percent if the mortgagor furnishes assurance of completion in the form of a corporate surety bond for the payment and performance each in the amount of 100 percent of the amount of the construction contract. In no event will insurance of components stored off-site be made in the absence of a payment and performance bond.

(v) No single loan disbursement which is to be made shall be in an amount less than ten thousand (\$10,000) dollars.

§ 891.545 Completion of project, cost certification, and HUD approvals.

(a) The Borrower must satisfy the requirements for completion of construction and substantial rehabilitation and approvals by HUD before submission of a final requisition for disbursement of loan proceeds.

(b) The Borrower shall submit to the field office all documentation required for final disbursement of the loan, including:

(1) A Borrower's/Mortgagor's Certificate of Actual Cost, showing the actual cost to the mortgagor of the construction contract, architectural, legal, organizational, offsite costs, and all

other items of eligible expense. The certificate shall not include as actual cost any kickbacks, rebates, trade discounts, or other similar payments to the mortgagor or to any of its officers, directors, or members.

(2) A verification of the Certificate of Actual Cost by an independent Certified Public Accountant or independent public accountant acceptable to the field office.

(3) In the case of projects not subject to competitive bidding, a certification of the general contractor (and of such subcontractors, material suppliers, and equipment lessors as the Assistant Secretary or field office may require), on a form prescribed by the Assistant Secretary, as to all actual costs paid for labor, materials, and subcontract work under the general contract exclusive of the builder's fee and kickbacks, rebates, trade discounts, or other similar payments to the general contractor, the mortgagor, or any of its officers, directors, stockholders, partners, or members.

(c) In lieu of the requirements set forth in paragraphs (c)(1) and (3) of this section, a simplified form of cost certification prescribed by the Secretary may be completed and submitted by the Borrower for projects with mortgages of \$500,000 or less. The simplified cost certification shall be verified by an independent Certified Public Accountant or an independent public accountant in a manner acceptable to the Secretary.

(d) If the Borrower's certified costs provided in accordance with paragraph (c) or (d) of this section and as approved by HUD are less than the loan amount, the contract rents will be reduced accordingly.

(e) If the contract rents are reduced pursuant to paragraph (e) of this section, the maximum annual HAP Contract commitment will be reduced. If contract rents are reduced based on cost certification after HAP Contract execution, any overpayment after the effective date of the Contract will be recovered from the Borrower by HUD.

(Approved by the Office of Management and Budget under control number 2502-0044)

§ 891.555 Smoke detectors.

(a) *Performance requirement.* After October 30, 1992, each dwelling unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each level of the unit. If the unit is occupied by hearing-impaired persons, smoke detectors must have an alarm system designed for hearing-impaired persons in each bedroom occupied by a hearing-impaired person.

(b) *Acceptability criteria.* The smoke detector must be located, to the extent practicable, in a hallway adjacent to a bedroom, unless the unit is occupied by a hearing-impaired person, in which case each bedroom occupied by a hearing-impaired person must have an alarm system connected to the smoke detector installed in the hallway.

§ 891.560 HAP contract.

(a) *HAP contract.* The housing assistance payments contract sets forth rights and duties of the Borrower and HUD with respect to the project and the housing assistance payments.

(b) *HAP contract execution.* (1) Upon satisfactory completion of the project, the Borrower and HUD shall execute the HAP contract on the form prescribed by HUD.

(2) The effective date of the HAP contract may be earlier than the date of execution, but no earlier than the date of HUD's issuance of the permission to occupy.

(3) If the project is completed in stages, the procedures of paragraph (b) of this section shall apply to each stage.

(c) *Housing assistance payments to owners under the HAP contract.* The housing assistance payments made under the HAP contract are:

(1) *Payments to the Borrower to assist eligible families leasing assisted units.* The amount of the housing assistance payment made to the Borrower for an assisted unit leased to an eligible family is equal to the difference between the contract rent for the unit and the tenant rent payable by the family.

(2) *Payments to the Borrower for vacant assisted units (vacancy payments).* The amount of and conditions for vacancy payments are described in § 891.650. The housing assistance payments are made

monthly by HUD upon proper requisition by the Borrower, except payments for vacancies of more than 60 days, which are made semiannually by HUD upon requisition by the Borrower.

(d) *Payment of utility reimbursement.* As applicable, a utility reimbursement will be paid to a family occupying an assisted unit as an additional housing assistance payment. The HAP contract will provide that the Borrower will make this payment on behalf of HUD. Funds will be paid to the Borrower in trust solely for the purpose of making the additional payment. The Borrower may pay the utility reimbursement jointly to the family and the utility company, or, if the family and utility company consent, directly to the utility company.

§ 891.565 Term of HAP contract.

The term of the HAP contract for assisted units shall be 20 years. If the project is completed in stages, the term of the HAP contract for assisted units in each stage shall be 20 years. The term of the HAP contract for all assisted units in all stages of a project shall not exceed 22 years.

§ 891.570 Maximum annual commitment and project account.

(a) *Maximum annual commitment.* The maximum annual amount that may be committed under the HAP contract is the total of the contract rents and utility allowances for all assisted units in the project.

(b) *Project account.* (1) HUD will establish and maintain a specifically identified and segregated project account for each project. The project account will be established out of the amounts by which the maximum annual commitment exceeds the amount actually paid out under the HAP contract each year. HUD will make payments from this account for housing assistance payments as needed to cover increases in contract rents or decreases in tenant income and other payments for costs specifically approved by the Secretary.

(2) If the HUD-approved estimate of required annual payments under the HAP contract for a fiscal year exceeds the maximum annual commitment for

that fiscal year plus the current balance in the project account, HUD will, within a reasonable time, take such steps authorized by section 8(c)(6) of the United States Housing Act of 1937 (42 U.S.C. 1437f note), as may be necessary, to assure that payments under the HAP contract will be adequate to cover increases in contract rents and decreases in tenant income.

§ 891.575 Leasing to eligible families.

(a) *Availability of assisted units for occupancy by eligible families.* (1) During the term of the HAP contract, a Borrower shall make available for occupancy by eligible families the total number of units for which assistance is committed under the HAP contract. For purposes of this section, making units available for occupancy by eligible families means that the Borrower:

- (i) Is conducting marketing in accordance with § 891.600(a);
- (ii) Has leased or is making good faith efforts to lease the units to eligible and otherwise acceptable families, including taking all feasible actions to fill vacancies by renting to such families;
- (iii) Has not rejected any such applicant family except for reasons acceptable to HUD.

(2) If the Borrower is temporarily unable to lease all units for which assistance is committed under the HAP contract to otherwise eligible families, one or more units may, with the prior approval of HUD, be leased to otherwise eligible families that do not meet the income eligibility requirements of part 813 of this chapter. Failure on the part of the Borrower to comply with these requirements is a violation of the HAP contract and grounds for all available legal remedies, including an action for specific performance of the HAP contract, suspension or debarment from HUD programs, and reduction of the number of units under the HAP contract as set forth in paragraph (b) of this section.

(b) *Reduction of number of units covered by the HAP contract.* HUD may reduce the number of units covered by the HAP contract to the number of units available for occupancy by eligible families if:

(1) The Borrower fails to comply with the requirements of paragraph (a) of this section; or

(2) Notwithstanding any prior approval by HUD, HUD determines that the inability to lease units to eligible families is not a temporary problem.

(c) *Restoration.* HUD will agree to an amendment of the HAP contract to provide for subsequent restoration of any reduction made under paragraph (b) of this section if:

- (1) HUD determines that the restoration is justified by demand;
- (2) The Borrower otherwise has a record of compliance with the Borrower's obligations under the HAP contract; and
- (3) Contract and budget authority is available.

(d) *Applicability.* In accordance with section 555 of the Cranston-Gonzalez National Affordable Housing Act of 1990, paragraphs (a) and (b) of this section apply to all contracts. An owner who had leased an assisted unit to an ineligible family consistent with the regulations in effect at the time will continue to lease the unit to that family. However, the owner must make the unit available for occupancy by an eligible family when the ineligible family vacates the unit.

(e) *Occupancy by families that are not elderly or handicapped.* HUD may permit units in the project to be leased to other than elderly or handicapped families if:

- (1) The Borrower has made reasonable efforts to lease assisted and unassisted units to eligible families;
- (2) The Borrower has been granted HUD approval under paragraph (a) of this section; and
- (3) The Borrower is temporarily unable to achieve or maintain a level of occupancy sufficient to prevent financial default and foreclosure under the Section 202 loan documents. HUD approval under paragraph (e)(3) of this section will be of limited duration. HUD may impose terms and conditions to this approval that are consistent with program objectives and necessary to protect its interest in the Section 202 loan.

(f) Subpart L of 24 CFR part 5 applies to selection of tenants and occupancy requirements in cases where there is

involved or claimed to be involved incidents of, or criminal activity related to, domestic violence, dating violence, or stalking.

[61 FR 11956, Mar. 22, 1996, as amended at 73 FR 72343, Nov. 28, 2008; 75 FR 66262, Oct. 27, 2010]

§ 891.580 HAP contract administration.

HUD is responsible for the administration of the HAP contract.

§ 891.585 Default by Borrower.

(a) *HAP contract provisions.* The HAP contract will provide:

(1) That if HUD determines that the Borrower is in default under the HAP contract, HUD will notify the Borrower of the actions required to be taken to cure the default and of the remedies to be applied by HUD including an action for specific performance under the HAP contract, reduction or suspension of housing assistance payments and recovery of overpayments, where appropriate; and

(2) That if the Borrower fails to cure the default, HUD has the right to terminate the HAP contract or to take other corrective action.

(b) *Loan provisions.* Additional provisions governing default under the section 202 loan are included in the regulatory agreement and other loan documents.

§ 891.590 Notice upon HAP contract expiration.

(a) *Notice required.* The HAP contract will provide that the Borrower will, at least one year before the end of the HAP contract term, notify each family leasing an assisted unit of any increase in the amount the family will be required to pay as rent as a result of the expiration.

(b) *Service requirements.* The notice under paragraph (a) of this section shall be accomplished by sending a letter by first class mail, properly stamped and addressed, to the family at its address at the project, with a proper return address; and serving a copy of the notice on any adult person answering the door at the leased dwelling unit, or if no adult responds, by placing the notice under or through the door, if possible, or else by affixing the notice to the door. Service shall not be

considered to be effective until both required notices have been accomplished. The date on which the notice shall be considered to be received by the family shall be the date on which the Borrower mails the first class letter provided for in paragraph (b) of this section, or the date on which the notice provided for in paragraph (b) of this section is properly given, whichever is later.

(c) *Contents of notice.* The notice shall advise each affected family that, after the expiration date of the HAP contract, the family will be required to bear the entire cost of the rent and that the Borrower may, subject to requirements and restrictions contained in the regulatory agreement, the lease, and State or local law, change the rent. The notice also shall state:

(1) The actual (if known) or the estimated rent that will be charged following the expiration of the HAP contract;

(2) The difference between the new rent and the total tenant payment toward rent under the HAP contract; and

(3) The date the HAP contract will expire.

(d) *Certification to HUD.* The Borrower shall give HUD a certification that families have been notified in accordance with this section and shall attach to the certification an example of the text of the notice.

(e) *Applicability.* This section applies to all HAP contracts entered into under an agreement to enter into a housing assistance payments contract executed on or after October 1, 1981, or entered into under such an agreement executed before October 1, 1981 but renewed or amended after February 9, 1995.

(Approved by the Office of Management and Budget under control number 2502-0371)

§ 891.595 HAP contract extension or renewal.

Upon expiration of the term of the HAP contract, HUD and the Borrower may agree (subject to available funds) to extend the term of the HAP contract or to renew the HAP contract. The number of assisted units under the extended or renewed HAP contract shall equal the number of assisted units

§ 891.600

24 CFR Ch. VIII (4–1–12 Edition)

under the original HAP contract, except that:

(a) HUD and the Borrower may agree to reduce the number of assisted units by the number of assisted units that are not occupied by eligible families at the time of the extension or renewal; and

(b) HUD and the Borrower may agree to permit reductions in the number of assisted units during the term of the extended or renewed HAP contract as assisted units are vacated by eligible families. Nothing in this section shall prohibit HUD from reducing the number of units covered under the extended or renewed HAP contract in accordance with § 891.575(b).

§ 891.600 Responsibilities of Borrower.

(a) *Marketing.* (1) The Borrower must commence and continue diligent marketing activities not later than 90 days before the anticipated date of availability for occupancy of the first unit of the project. Market activities shall include the provision of notices of availability of housing under the program to operators of temporary housing for the homeless in the same housing market.

(2) Marketing must be done in accordance with the HUD-approved affirmative fair housing marketing plan and all Federal, State, or local fair housing and equal opportunity requirements. The purpose of the plan and requirements is to achieve a condition in which eligible families of similar income levels in the same housing market have a like range of housing choices available to them regardless of discriminatory considerations, such as their race, color, creed, religion, familial status, disability, sex or national origin. Marketing must also be done in accordance with the communication and notice requirements of Section 504 at 24 CFR 8.6 and 24 CFR 8.54.

(3) At the time of HAP contract execution, the Borrower must submit to HUD a list of leased and unleased assisted units, with a justification for the unleased units, in order to qualify for vacancy payments for the unleased units.

(b) *Management and maintenance.* The Borrower is responsible for all management functions. These functions in-

clude selection and admission of tenants, required reexaminations of incomes for families occupying assisted units (or residential spaces, as applicable), collection of rents, termination of tenancy and eviction, and all repair and maintenance functions (including ordinary and extraordinary maintenance and replacement of capital items). All functions must be performed in compliance with equal opportunity requirements.

(c) *Contracting for services.* (1) With HUD approval, the Borrower may contract with a private or public entity for performance of the services or duties required in paragraphs (a) and (b) of this section. However, such an arrangement does not relieve the Borrower of responsibility for these services and duties. All such contracts are subject to the restrictions governing prohibited contractual relationships described in §§ 891.130 and 891.505, if applicable. (These prohibitions do not extend to management contracts entered into by the Borrower with the Sponsor or its nonprofit affiliate).

(2) Consistent with the objectives of Executive Order No. 11625 (36 FR 19967, 3 CFR, 1971–1975 Comp., p. 616; as amended by Executive Order No. 12007 (42 FR 42839, 3 CFR, 1977 Comp., p. 139; unless otherwise noted); Executive Order No. 12432 (48 FR 32551, 3 CFR, 1983 Comp., p. 198; unless otherwise noted); and Executive Order No. 12138 (44 FR 29637, 3 CFR, 1979 Comp., p. 393; unless otherwise noted), the Borrower will promote awareness and participation of minority and women's business enterprises in contracting and procurement activities.

(d) *Submission of financial and operating statements.* The Borrower must submit to HUD:

(1) Within 60 days after the end of each fiscal year of project operations, financial statements for the project audited by an independent public accountant and in the form required by HUD; and

(2) Other statements regarding project operation, financial conditions and occupancy as HUD may require to administer the housing assistance payments contract (HAP contract) or the project assistance contract (PAC), as

applicable, and to monitor project operations.

(e) *Use of project funds.* The Borrower shall maintain a separate project fund account in a depository or depositories that are members of the Federal Deposit Insurance Corporation or National Credit Union Share Insurance Fund and shall deposit all rents, charges, income and revenues arising from project operation or ownership to this account. All project funds are to be deposited in Federally-insured accounts. All balances shall be fully insured at all times, to the maximum extent possible. Project funds must be used for the operation of the project (including required insurance coverage), to make required principal and interest payments on the Section 202 loan, and to make required deposits to the replacement reserve under §§ 891.605 and 891.745 (as applicable), in accordance with a HUD-approved budget. Any project funds in the project funds account (including earned interest) following the expiration of the fiscal year shall be deposited in a Federally-insured residual receipts account within 60 days following the end of the fiscal year. Withdrawals from this account may be made only for project purposes and with the approval of HUD. If there are funds remaining in the residual receipts account when the mortgage is satisfied, such funds shall be returned to HUD.

(f) *Reports.* The Borrower shall submit such reports as HUD may prescribe to demonstrate compliance with applicable civil rights and equal opportunity requirements.

(Approved by the Office of Management and Budget under control number 2502-0371)

§ 891.605 Replacement reserve.

(a) *Establishment of reserve.* The Borrower shall establish and maintain a replacement reserve to aid in funding extraordinary maintenance, and repair and replacement of capital items.

(b) *Deposits to reserve.* The Borrower shall make monthly deposits to the replacement reserve in an amount determined by HUD. Further requirements regarding the amount of the deposits for projects funded under §§ 891.655 through 891.790 are provided in § 891.745.

(c) *Level of reserve.* The reserve must be built up to and maintained at a level determined by HUD to be sufficient to meet projected requirements. Should the reserve reach that level, the amount of the deposit to the reserve may be reduced with the approval of HUD.

(d) *Administration of reserve.* Replacement reserve funds must be deposited with HUD or in a Federally-insured depository in an interest-bearing account(s) whose balances are fully insured at all times. All earnings including interest on the reserve must be added to the reserve. Funds may be drawn from the reserve and used only in accordance with HUD guidelines and with the approval of, or as directed by, HUD.

§ 891.610 Selection and admission of tenants.

(a) *Written procedures.* The Owner shall adopt written tenant selection procedures that ensure nondiscrimination in the selection of tenants and that are consistent with the purpose of improving housing opportunities for very low-income elderly or handicapped persons; and reasonably related to program eligibility and an applicant's ability to perform the obligations of the lease. Owners shall promptly notify in writing any rejected applicant of the grounds for any rejection. Additionally, owners shall maintain a written, chronological waiting list showing the name, race, gender, ethnicity and date of each person applying for the program.

(b) *Application for admission.* The Borrower must accept applications for admission to the project in the form prescribed by HUD and is obligated to confirm all information provided by the applicant families on the application. Applicant families must be requested to complete a release of information consent for verification of information. Applicants applying for assisted units must complete a certification of eligibility as part of the application for admission. Applicant families must meet the disclosure and verification requirements for Social Security Numbers, and sign and submit consent forms for the obtaining of wage and claim information from State Wage Information

Collection Agencies, as provided by 24 CFR part 5, subpart B. Both the Borrower and the applicant must complete and sign the application for admission. On request, the Borrower must furnish copies of all applications for admission to HUD.

(c) *Determination of eligibility and selection of tenants.* The Borrower is responsible for determining whether applicants are eligible for admission and for selection of families. To be eligible for admission, an applicant must be an elderly or handicapped family as defined in § 891.505; meet any project occupancy requirements approved by HUD; meet the disclosure and verification requirement for Social Security Numbers and sign and submit consent forms for obtaining of wage and claim information from State Wage Information Collection Agencies, as provided by 24 CFR part 5, subpart B; and, if applying for an assisted unit, be eligible for admission under subpart F of 24 CFR part 5, which governs selection of tenants and occupancy requirements. For cases involving, or allegedly involving, domestic violence, dating violence, stalking, or criminal activity directly relating to such violence, the provisions of 24 CFR part 5, subpart L, apply.

(d) *Unit assignment.* If the Borrower determines that the family is eligible and is otherwise acceptable and units are available, the Borrower will assign the family a unit. The Borrower will assign the family a unit of the appropriate size in accordance with HUD's general occupancy guidelines. If no suitable unit is available, the Borrower will place the family on a waiting list for the project and notify the family of when a suitable unit may become available. If the waiting list is so long that the applicant would not be likely to be admitted within the next 12 months, the Borrower may advise the applicant that no additional applications for admission are being considered for that reason, except that the Borrower may not refuse to place an applicant on the waiting list if the applicant is otherwise eligible for assistance and claims that he or she qualifies for a Federal preference as provided in 24 CFR part 5, subpart D.

(e) *Ineligibility determination.* If the Borrower determines that an applicant is ineligible for admission or the Borrower is not selecting the applicant for other reasons, the Borrower will promptly notify the applicant in writing of the determination, the reasons for the determination, and that the applicant has a right to request a meeting with the Borrower or managing agent to review the rejection, in accordance with HUD requirements. The review, if requested, may not be conducted by a member of the Borrower's staff who made the initial decision to reject the applicant. The applicant may also exercise other rights (e.g., rights granted under Federal, State, or local civil rights laws) if the applicant believes he or she is being discriminated against on a prohibited basis. The informal review provisions for the denial of a Federal preference are provided in § 5.410(g) of this title.

(f) *Records.* Records on applicants and approved eligible families, which provide racial, ethnic, gender, handicap status, and place of previous residency data required by HUD, must be retained for three years.

(g) *Reexamination of family income and composition—*(1) *Regular reexaminations.* The Borrower must reexamine the income and composition of the family at least every 12 months. Upon verification of the information, the Borrower shall make appropriate adjustments in the total tenant payment in accordance with part 813 of this chapter and determine whether the family's unit size is still appropriate. The Borrower must adjust tenant rent and the housing assistance payment and must carry out any unit transfer in accordance with the administrative instructions issued by HUD. At the time of reexamination under paragraph (g)(1) of this section, the Borrower must require the family to meet the disclosure and verification requirements for Social Security Numbers, as provided by 24 CFR part 5, subpart B.

(2) *Interim reexaminations.* The family must comply with the provisions in its lease regarding interim reporting of changes in income. If the Borrower receives information concerning a change in the family's income or other circumstances between regularly

scheduled reexaminations, the Borrower must consult with the family and make any adjustments determined to be appropriate. Any change in the family's income or other circumstances that results in an adjustment in the total tenant payment, tenant rent and housing assistance payment must be verified.

(3) *Continuation of housing assistance payments.* (i) A family shall remain eligible for housing assistance payments until the total tenant payment equals or exceeds the gross rent. The termination of subsidy eligibility will not affect the family's other rights under its lease. Housing assistance payments may be resumed if, as a result of changes in income, rent or other relevant circumstances during the term of the HAP contract, the family meets the income eligibility requirements of part 813 of this chapter and housing assistance is available for the unit under the terms of the HAP contract. The family will not be required to establish its eligibility for admission to the project under the remaining requirements of paragraph (c) of this section.

(ii) A family's eligibility for housing assistance payments may be terminated in accordance with HUD requirements for such reasons as failure to submit requested verification information, including information related to disclosure and verification of Social Security Numbers, or failure to sign and submit consent forms for the obtaining of wage and claim information from State wage information collection agencies, as provided by 24 CFR part 5, subpart B.

§ 891.615 Obligations of the family.

The obligations of the family are provided in § 891.415.

§ 891.620 Overcrowded and underoccupied units.

If the Borrower determines that because of change in family size, an assisted unit is smaller than appropriate for the eligible family to which it is leased, or that the assisted unit is larg-

er than appropriate, housing assistance payments or project assistance payments (as applicable) with respect to the unit will not be reduced or terminated until the eligible family has been relocated to an appropriate alternate unit. If possible, the Borrower will, as promptly as possible, offer the family an appropriate alternate unit. The Borrower may receive vacancy payments for the vacated unit if the Borrower complies with the requirements of § 891.650.

§ 891.625 Lease requirements.

The lease requirements are provided in § 891.425.

§ 891.630 Denial of admission, termination of tenancy, and modification of lease.

(a) The provisions of part 5, subpart I, of this title apply to Section 202 direct loan projects.

(b) The provisions of part 247 of this title apply to all decisions by a Borrower to terminate the tenancy or modify the lease of a family residing in a unit.

(c) In actions or potential actions to terminate tenancy, the Owner shall follow 24 CFR part 5, subpart L, in all cases where domestic violence, dating violence, stalking, or criminal activity directly related to domestic violence, dating violence, or stalking is involved or claimed to be involved.

§ 891.635 Security deposits.

The general requirements for security deposits on assisted units are provided in § 891.435. For purposes of subpart E of this part, the additional requirements apply:

(a) The Borrower may require each family occupying an unassisted unit (or residential space in a group home) to pay a security deposit equal to one month's rent payable by the family.

(b) The Borrower shall maintain a record of the amount in the segregated interest-bearing account that is attributable to each family in residence in the project. Annually for all families, and when computing the amount available for disbursement under

§ 891.640

§ 891.435(b)(3), the Borrower shall allocate to the family's balance the interest accrued on the balance during the year. Unless prohibited by State or local law, the Borrower may deduct for the family, from the accrued interest for the year, the administrative cost of computing the allocation to the family's balance. The amount of the administrative cost adjustment shall not exceed the accrued interest allocated to the family's balance for the year.

§ 891.640 Adjustment of rents.

(a) *Contract rents*—(1) *Adjustment based on approved budget.* If the HAP contract provides, or has been amended to provide, that contract rents will be adjusted based upon a HUD-approved budget, HUD will calculate contract rent adjustments based on the sum of the project's operating costs and debt service (as calculated by HUD), with adjustments for vacancies, the project's nonrental income, and other factors that HUD deems appropriate. The calculation will be made on the basis of information provided by the Borrower on a form acceptable to the Secretary. The automatic adjustment factor described in part 888 of this chapter is not used to adjust contract rents under paragraph (a)(1) of this section, except to the extent that the amount of the replacement reserve deposit is adjusted under § 880.602 of this chapter.

(2) *Annual and special adjustments.* If the HAP contract provides that contract rents will be adjusted based on the application of an automatic adjustment factor and by special additional adjustments:

(i) Consistent with the HAP contract, contract rents may be adjusted in accordance with part 888 of this chapter;

(ii) Special additional adjustments will be granted, to the extent determined necessary by HUD, to reflect increases in the actual and necessary expenses of owning and maintaining the assisted units that have resulted from substantial general increases in real property taxes, assessments, utility rates or similar costs (i.e., assessments and utilities not covered by regulated rates), and that are not adequately compensated for by an annual adjustment. The Borrower must submit to

24 CFR Ch. VIII (4–1–12 Edition)

HUD required supporting data, financial statements, and certifications for the special additional adjustment.

(b) *Rent for unassisted units.* The rent payable by families occupying units that are not assisted under the HAP contract shall be equal to the contract rent computed under paragraph (a) of this section.

(Approved by the Office of Management and Budget under control number 2502-0371)

§ 891.645 Adjustment of utility allowances.

In connection with adjustments of contract rents as provided in § 891.640(a), the requirements for the adjustment of utility allowances provided in § 891.440 apply.

§ 891.650 Conditions for receipt of vacancy payments for assisted units.

(a) *General.* Vacancy payments under the HAP contract will not be made unless the conditions for receipt of these housing assistance payments set forth in this section are fulfilled.

(b) *Vacancies during rent-up.* For each unit that is not leased as of the effective date of the HAP contract, the Borrower is entitled to vacancy payments in the amount of 80 percent of the contract rent for the first 60 days of vacancy, if the Borrower:

(1) Complied with § 891.600;

(2) Has taken and continues to take all feasible actions to fill the vacancy; and

(3) Has not rejected any eligible applicant except for good cause acceptable to HUD.

(c) *Vacancies after rent-up.* If an eligible family vacates a unit, the Borrower is entitled to vacancy payments in the amount of 80 percent of the contract rent for the first 60 days of vacancy if the Borrower:

(1) Certifies that it did not cause the vacancy by violating the lease, the HAP contract, or any applicable law;

(2) Notified HUD of the vacancy or prospective vacancy and the reasons for the vacancy immediately upon learning of the vacancy or prospective vacancy;

(3) Has fulfilled and continues to fulfill the requirements specified in § 891.600(a)(2) and (3), and in paragraphs (b)(2) and (3) of this section; and

(4) For any vacancy resulting from the Borrower's eviction of an eligible family, certifies that it has complied with § 891.630.

(d) *Vacancies for longer than 60 days.* If a unit continues to be vacant after the 60-day period specified in paragraph (b) or (c) of this section, the Borrower may apply to receive additional vacancy payments in an amount equal to the principal and interest payments required to amortize that portion of the debt service attributable to the vacant unit for up to 12 additional months for the unit if:

(1) The unit was in decent, safe, and sanitary condition during the vacancy period for which payment is claimed;

(2) The Borrower has fulfilled and continues to fulfill the requirements specified in paragraph (b) or (c) of this section, as appropriate; and

(3) The Borrower has demonstrated to the satisfaction of HUD that:

(i) For the period of vacancy, the project is not providing the Borrower with revenues at least equal to project expenses (exclusive of depreciation) and the amount of payments requested is not more than the portion of the deficiency attributable to the vacant unit; and

(ii) The project can achieve financial soundness within a reasonable time.

(e) *Prohibition of double compensation for vacancies.* If the Borrower collects payments for vacancies from other sources (tenant rent, security deposits, payments under § 891.435(c), or governmental payments under other programs), the Borrower shall not be entitled to collect vacancy payments to the extent these collections from other sources plus the vacancy payment exceed contract rent.

SECTION 202 PROJECTS FOR THE NON-ELDERLY HANDICAPPED FAMILIES AND INDIVIDUALS—SECTION 162 ASSISTANCE

§ 891.655 Definitions applicable to 202/162 projects.

The following definitions apply to projects for eligible families receiving project assistance payments under section 202(h) of the Housing Act of 1959 in

addition to reservations under section 202 (202/162 projects):

Annual income is defined in part 813 of this chapter. In the case of an individual residing in an intermediate care facility for the mentally retarded that is assisted under Title XIX of the Social Security Act and subpart E of this part, the annual income of the individual shall exclude protected personal income as provided under that Act. For the purposes of determining the total tenant payment, the income of such individuals shall be imputed to be the amount that the family would receive if assisted under Title XVI of the Social Security Act.

Assisted unit means a dwelling unit that is eligible for assistance under a project assistance contract (PAC).

Contract rent means the total amount of rent specified in the PAC as payable by HUD and the family to the Borrower for an assisted unit or residential space.

Family (eligible family) means a handicapped family (as defined in § 891.505) that meets the project occupancy requirements approved by HUD and, if the family occupies an assisted unit, meets the low-income requirements described in § 813.102 of this chapter, as modified by the definition of “*annual income*” in this section.

Gross rent is defined in part 813 of this chapter.

Group home means a single family residential structure designed or adapted for occupancy by nonelderly handicapped individuals.

Housing for handicapped families means housing and related facilities occupied by handicapped families that are primarily nonelderly handicapped families.

Independent living complex means a project designed for occupancy by nonelderly handicapped families in separate dwelling units where each dwelling unit includes a kitchen and a bath.

Operating costs means expenses related to the provision of housing and excludes expenses related to administering, or managing the provision of, supportive services. Operating costs include:

(1) Administrative expenses, including salary and management expenses related to the provision of shelter;

§ 891.660

(2) Maintenance expenses, including routine and minor repairs and groundskeeping;

(3) Security expenses;

(4) Utilities expenses, including gas, oil, electricity, water, sewer, trash removal, and extermination services. Operating costs exclude telephone services for families;

(5) Taxes and insurance; and

(6) Allowances for reserves.

PAC (project assistance contract) means the contract entered into by the Borrower and HUD setting forth the rights and duties of the parties with respect to the project and the payments under the PAC.

Project account means a specifically identified and segregated account for each project which is established in accordance with § 891.715(b) out of the amounts by which the maximum annual commitment exceeds the amount actually paid out under the PAC each year.

Project assistance payment means the payment made by HUD to the Borrower for assisted units as provided in the PAC. The payment is the difference between the contract rent and the tenant rent. An additional payment is made to a family occupying an assisted unit in an independent living complex when the utility allowance is greater than the total tenant payment. A project assistance payment, known as a “vacancy payment,” may be made to the Borrower when an assisted unit (or residential space in a group home) is vacant, in accordance with the terms of the PAC.

Rent is defined in § 891.505.

Tenant rent means the monthly amount defined in, and determined in accordance with part 813 of this chapter.

Total tenant payment means the monthly amount defined in, and determined in accordance with part 813 of this chapter.

Utility allowance is defined in part 813 of this chapter and is determined or approved by HUD.

Utility reimbursement is defined in part 813 of this chapter.

Vacancy payment means the project assistance payment made to the Borrower by HUD for a vacant assisted unit (or residential space in a group

24 CFR Ch. VIII (4–1–12 Edition)

home) if certain conditions are fulfilled, as provided in the PAC. The amount of the vacancy payment varies with the length of the vacancy period and is less after the first 60 days of any vacancy.

§ 891.660 Project standards.

(a) *Property standards.* The property standards for 202/162 projects are provided in § 891.120(a).

(b) *Minimum group home standards.* The minimum group home standards for 202/162 projects are provided in § 891.310(a).

(c) *Accessibility requirements.* The accessibility requirements for 202/162 projects are provided in §§ 891.120(b) and 891.310(b).

(d) *Smoke detectors.* The requirements for smoke detectors for 202/162 projects are provided in § 891.120(d).

§ 891.665 Project size limitations.

(a) *Maximum project size.* Projects funded under §§ 891.655 through 891.790 are subject to the following project size limitations:

(1) Group homes may not be designed to serve more than 15 persons on one site;

(2) Independent living complexes for chronically mentally ill individuals may not be designed to serve more than 20 persons on one site; and

(3) Independent living complexes for handicapped families in the developmental disability or physically handicapped occupancy categories may not have more than 24 units nor more than 24 households on one site. For the purposes of this section, *household* has the same meaning as *handicapped family*, except that unrelated handicapped individuals sharing a unit (other than a handicapped person living with another person who is essential to the handicapped person’s well-being) are counted as separate households. For independent living complexes for handicapped families in the developmental disability or physically handicapped occupancy categories, units with three or more bedrooms may only be developed to serve handicapped families of one or two parents with children.

(b) *Additional limitations.* Based on the amount of loan authority appropriated

for a fiscal year, HUD may have imposed additional limitations on the number of units or residents that may be proposed under an application for Section 202 loan fund reservation, as published in the annual notice of funding availability or the invitation for Section 202 fund reservation.

(c) *Exemptions.* On a case-by-case basis, HUD may approve independent living complexes that do not comply with the project size limitations prescribed in paragraphs (a)(2), (a)(3), or (b) of this section. HUD may approve such projects if the Sponsor demonstrates:

(1) The increased number of units is necessary for the economic feasibility of the project;

(2) A project of the size proposed is compatible with other residential development and the population density of the area in which the project is to be located;

(3) A project of the size proposed can be successfully integrated into the community; and

(4) A project of the size proposed is marketable in the community.

§ 891.670 Cost containment and modest design standards.

(a) *Restrictions on amenities.* Projects must be modest in design. Except as provided in paragraph (d) of this section, amenities must be limited to those amenities, as determined by HUD, that are generally provided in unassisted decent, safe, and sanitary housing for low-income families in the market area. Amenities not eligible for HUD funding include balconies, atriums, decks, bowling alleys, swimming pools, saunas, and jacuzzis. Dishwashers, trash compactors, and washers and dryers in individual units will not be funded in independent living complexes. The use of durable materials to control or reduce maintenance, repair, and replacement costs is not an excess amenity.

(b) *Unit sizes.* For independent living complexes, HUD will establish limitations on the size of units and number of bathrooms, based on the number of bedrooms that are in the unit.

(c) *Special spaces and accommodations.*

(1) The costs of construction of special spaces and accommodations may not

exceed 10 percent of the total cost of construction, except as provided in paragraph (d) of this section. Special spaces and accommodations include multipurpose rooms, game rooms, libraries, lounges, and, in independent living complexes, central kitchens and dining rooms.

(2) Special spaces and accommodations exclude offices, halls, mechanical rooms, laundry rooms, and parking areas; dwelling units and lobbies in independent living complexes; and bedrooms, living rooms, dining and kitchen areas, shared bathrooms, and resident staff dwelling units in group homes.

(d) *Exceptions.* HUD may approve a project that does not comply with the cost containment and modest design standards of paragraphs (a) through (c) of this section if:

(1) The Sponsor demonstrates a willingness and ability to contribute the incremental development cost and continuing operating costs associated with the additional amenities or design features; or

(2) The proposed project involves substantial rehabilitation or acquisition with or without moderate rehabilitation, the additional amenities or design features were incorporated into the existing structure before the submission of the application, and the total development cost of the project with the additional amenities or design features does not exceed the cost limits.

§ 891.675 Prohibited facilities.

The requirements for prohibited facilities for 202/162 projects are provided in § 891.315, except that Section 202/162 projects may not include commercial spaces.

§ 891.680 Site and neighborhood standards.

The general requirements for site and neighborhood standards for 202/162 projects are provided in §§ 891.125 and 891.320. In addition to the requirements in §§ 891.125 and 891.320, the following requirements apply to 202/162 projects:

(a) The site must promote greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons.

§ 891.685

24 CFR Ch. VIII (4–1–12 Edition)

(b) Projects must be located in neighborhoods where other family housing is located. Except as provided below, projects may not be located adjacent to the following facilities, or in areas where such facilities are concentrated: schools or day care centers for handicapped persons, workshops, medical facilities, or other housing primarily serving handicapped persons. Projects may be located adjacent to other housing primarily serving handicapped persons if the projects together do not exceed the project size limitations under § 891.665(a).

§ 891.685 Prohibited relationships.

The requirements for prohibited relationships for 202/162 projects are provided in § 891.130.

§ 891.690 Other Federal requirements.

In addition to the Federal requirements set forth in 24 CFR part 5, other Federal requirements for the 202/162 projects are provided in §§ 891.155 and 891.325.

§ 891.695 Operating cost standards.

The requirements for the operating cost standards are provided in § 891.150.

§ 891.700 Prepayment of loans.

(a) *Prepayment prohibition.* The prepayment (whether in whole or in part) or the assignment or transfer of physical and financial assets of any Section 202 project is prohibited, unless the Assistant Secretary gives prior written approval.

(b) *HUD-approved prepayment.* Approval for prepayment or transfer will not be granted unless HUD determines that the prepayment or transfer of the loan is a part of a transaction that will ensure the continued operation of the project until the original maturity date of the loan in a manner that will provide rental housing for the handicapped families on terms at least as advantageous to existing and future tenants as the terms required by the original Section 202 loan agreement and any other loan agreements entered into under other provisions of law.

§ 891.705 Project assistance contract.

(a) *Project assistance contract (PAC).* The PAC sets forth rights and duties of

the Borrower and HUD with respect to the project and the project assistance payments.

(b) *PAC execution.* (1) Upon satisfactory completion of the project, the Borrower and HUD shall execute the PAC on the form prescribed by HUD.

(2) The effective date of the PAC may be earlier than the date of execution, but no earlier than the date of HUD's issuance of the permission to occupy.

(3) If the project is completed in stages, the procedures of paragraph (b) of this section shall apply to each stage.

(c) *Project assistance payments to owners under the PAC.* The project assistance payments made under the PAC are:

(1) Payments to the Borrower to assist eligible families leasing assisted units. The amount of the project assistance payment made to the Borrower for an assisted unit (or residential space in a group home) that is leased to an eligible family is equal to the difference between the contract rent for the unit (or pro rata share of the contract rent in a group home) and the tenant rent payable by the family.

(2) Payments to the Borrower for vacant assisted units ("vacancy payments"). The amount of and conditions for vacancy payments are described in § 891.790. HUD makes the project assistance payments monthly upon proper requisition by the Borrower, except payments for vacancies of more than 60 days, which HUD makes semiannually upon requisition by the Borrower.

(d) *Payment of utility reimbursement.* If applicable, a utility reimbursement will be paid to a family occupying an assisted unit in an independent living complex as an additional project assistance payment. The PAC will provide that the Borrower will make this payment on behalf of HUD. Funds will be paid to the Borrower in trust solely for the purpose of making the additional payment. The Borrower may pay the utility reimbursement jointly to the family and the utility company, or, if the family and utility company consent, directly to the utility company.

§ 891.710 Term of PAC.

The term of the PAC shall be 20 years. If the project is completed in

stages, the term of the PAC for each stage shall be 20 years. The term of the PAC for stages of a project shall not exceed 22 years.

§ 891.715 Maximum annual commitment and project account.

(a) *Maximum annual commitment.* The maximum annual amount that may be committed under the PAC is the total of the initial contract rents and utility allowances for all assisted units in the project.

(b) *Project account.* (1) HUD will establish and maintain a specifically identified and segregated project account for each project. The project account will be established out of the amounts by which the maximum annual commitment exceeds the amount actually paid out under the PAC each year. HUD will make payments from this account for project assistance payments as needed to cover increases in contract rents or decreases in tenant income and other payments for costs specifically approved by the Secretary.

(2) If the HUD-approved estimate of required annual payments under the PAC for a fiscal year exceeds the maximum annual commitment for that fiscal year plus the current balance in the project account, HUD will, within a reasonable time, take such steps authorized by section 202(h)(4)(A) of the Housing Act of 1959, as may be necessary, to assure that payments under the PAC will be adequate to cover increases in contract rents and decreases in tenant income.

§ 891.720 Leasing to eligible families.

(a) *Availability of assisted units for occupancy by eligible families.* During the term of the PAC, a Borrower shall make all units (or residential spaces in a group home) available for eligible families. For purposes of this section, making units or residential spaces available for occupancy by eligible families means that the Borrower:

(1) Is conducting marketing in accordance with § 891.740(a);

(2) Has leased or is making good faith efforts to lease the units or residential spaces to eligible and otherwise acceptable families, including taking all feasible actions to fill vacancies by renting to such families; and (3) Has not re-

jected any such applicant family except for reasons acceptable to HUD. If the Borrower is temporarily unable to lease all units or residential spaces to eligible families, one or more units or residential spaces may, with the prior approval of HUD, be leased to otherwise eligible families that do not meet the income requirements of part 813 of this chapter, as modified by § 891.505. Failure on the part of the Borrower to comply with these requirements is a violation of the PAC and grounds for all available legal remedies, including an action for specific performance of the PAC, suspension or debarment from HUD programs, and reduction of the number of units (or in the case of group homes, reduction of the number of residential spaces) under the PAC as set forth in paragraph (b) of this section.

(b) *Reduction of number of units covered by the PAC.* HUD may reduce the number of units (or in the case of group homes, the number of residential spaces) covered by the PAC to the number of units or residential spaces available for occupancy by eligible families if:

(1) The Borrower fails to comply with the requirements of paragraph (a) of this section; or

(2) Notwithstanding any prior approval by HUD, HUD determines that the inability to lease units or residential spaces to eligible families is not a temporary problem.

(c) *Restoration.* HUD will agree to an amendment of the PAC to provide for subsequent restoration of any reduction made under paragraph (b) of this section if:

(1) HUD determines that the restoration is justified by demand;

(2) The Borrower otherwise has a record of compliance with the Borrower's obligations under the PAC; and

(3) Contract and budget authority is available.

(d) *Occupancy by families that are not handicapped.* HUD may relieve the Borrower of the requirement that all units in the project (or residential spaces in a group home) must be leased to handicapped families if:

(1) The Borrower has made reasonable efforts to lease to eligible families;

§ 891.725

24 CFR Ch. VIII (4–1–12 Edition)

(2) The Borrower has been granted HUD approval under paragraph (a) of this section; and

(3) The Borrower is temporarily unable to achieve or maintain a level of occupancy sufficient to prevent financial default and foreclosure under the Section 202 loan documents. HUD approval under this paragraph will be of limited duration. HUD may impose terms and conditions to this approval that are consistent with program objectives and necessary to protect its interest in the Section 202 loan.

§ 891.725 PAC administration.

HUD is responsible for the administration of the PAC.

§ 891.730 Default by Borrower.

(a) *PAC provisions.* The PAC will provide:

(1) That if HUD determines that the Borrower is in default under the PAC, HUD will notify the Borrower of the actions required to be taken to cure the default and of the remedies to be applied by HUD, including an action for specific performance under the PAC, reduction or suspension of project assistance payment and recovery of overpayments, as appropriate; and

(2) That if the Borrower fails to cure the default, HUD has the right to terminate the PAC or to take other corrective action.

(b) *Loan provisions.* Additional provisions governing default under the Section 202 loan are included in the regulatory agreement and other loan documents.

§ 891.735 Notice upon PAC expiration.

The PAC will provide that the Borrower will, at least 90 days before the end of the PAC contract term, notify each family occupying an assisted unit (or residential space in a group home) of any increase in the amount the family will be required to pay as rent as a result of the expiration. The notice of expiration will contain such information and will be served in such manner as HUD may prescribe.

§ 891.740 Responsibilities of Borrower.

(a) *Marketing.* (1) The Borrower must commence and continue diligent marketing activities not later than 90 days

before the anticipated date of availability for occupancy of the group home or the anticipated date of availability of the first unit in an independent living complex. Market activities shall include the provision of notices of the availability of housing under the program to operators of temporary housing for the homeless in the same housing market.

(2) Marketing must be done in accordance with the HUD-approved affirmative fair housing marketing plan and all fair housing and equal opportunity requirements. The purpose of the plan and requirements is to achieve a condition in which eligible families of similar income levels in the same housing market have a like range of housing choices available to them regardless of their race, color, creed, religion, sex, or national origin.

(3) At the time of PAC execution, the Borrower must submit to HUD a list of leased and unleased assisted units (or in the case of a group home, leased and unleased residential spaces) with a justification for the unleased units or residential spaces, in order to qualify for vacancy payments for the unleased units or residential spaces.

(b) *Management and maintenance.* The responsibilities of the Borrower with regard to management and maintenance are provided in § 891.600(b).

(c) *Contracting for services.* The responsibilities of the Borrower with regard to contracting for services are provided in § 891.600(c).

(d) *Submission of financial and operating statements.* The responsibilities of the Borrower with regard to the submission of financial and operating statements are provided in § 891.600(d).

(e) *Use of project funds.* The responsibilities of the Borrower with regard to the use of project funds are provided in § 891.600(e).

(f) *Reports.* The responsibilities of the Borrower with regard to reports are provided in § 891.600(f).

§ 891.745 Replacement reserve.

The general requirements for the replacement reserve are provided in § 891.605. For projects funded under §§ 891.655 through 891.790, the amount of the deposits for the initial year of operation shall be an amount equal to 0.6

percent of the cost of the total structures (for new construction projects), 0.4 percent of the cost of the initial mortgage amount (for all other projects), or such higher rate as required by HUD. For the purposes of this section, total structures include main buildings, accessory buildings, garages, and other buildings. The amount of the deposits will be adjusted each year by the amount of the annual adjustment factor as described in part 888 of this chapter.

§ 891.750 Selection and admission of tenants.

(a) *Application for admission.* The Borrower must accept applications for admission to the project in the form prescribed by HUD. Applicant families applying for assisted units (or residential spaces in a group home) must complete a certification of eligibility as part of the application for admission. Applicant families must meet the disclosure and verification requirements for Social Security Numbers, and sign and submit consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies, as provided by 24 CFR part 5, subpart B. Both the Borrower and the applicant family must complete and sign the application for admission. On request, the Borrower must furnish copies of all applications for admission to HUD.

(b) *Determination of eligibility and selection of tenants.* The Borrower is responsible for determining whether applicants are eligible for admission and for the selection of families. To be eligible for admission, an applicant family must be a handicapped family (as defined in § 891.505); meet any project occupancy requirements approved by HUD; meet the disclosure and verification requirements for Social Security Numbers, as provided by 24 CFR part 5, subpart B; and be a low-income family, as defined in § 813.102 of this chapter (as modified by § 891.505). Under certain circumstances, HUD may permit the leasing of units (or residential space in a group home) to ineligible families under § 891.720.

(1) *Local residency requirements are prohibited.* Local residency preferences may be applied in selecting tenants

only to the extent that they are not inconsistent with affirmative fair housing marketing objectives and the Borrower's HUD-approved affirmative fair housing marketing plan. Preferences may not be based on the length of time the applicant has resided in the jurisdiction. With respect to any residency preference, persons expected to reside in the community as a result of current or planned employment will be treated as residents.

(2) If the Borrower determines that the family is eligible and is otherwise acceptable and units (or residential spaces in a group home) are available, the Borrower will assign the family a unit or residential space in a group home. If the family will occupy an assisted unit the Borrower will assign the family a unit of the appropriate size in accordance with HUD standards. If no suitable unit (or residential space in a group home) is available, the Borrower will place the family on a waiting list for the project and notify the family when a suitable unit or residential space may become available. If the waiting list is so long that the applicant would not be likely to be admitted within the next 12 months, the Borrower may advise the applicant that no additional applications for admission are being considered for that reason.

(3) If the Borrower determines that an applicant is ineligible for admission or the Borrower is not selecting the applicant for other reasons, the Borrower will promptly notify the applicant in writing of the determination, the reasons for the determination, and that the applicant has a right to request a meeting to review the rejection, in accordance with HUD requirements. The review, if requested, may not be conducted by the member of the Borrower's staff who made the initial decision to reject the applicant. The applicant may also exercise other rights if the applicant believes the applicant is being discriminated against on the basis of race, color, creed, religion, sex, handicap, or national origin.

(4) Records on applicants and approved eligible families, which provide racial, ethnic, gender and place of previous residency data required by HUD, must be maintained and retained for three years.

§ 891.755

(c) *Reexamination of family income and composition*—(1) *Regular reexaminations.* If the family occupies an assisted unit (or residential space in a group home), the Borrower must reexamine the income and composition of the family at least every 12 months. Upon verification of the information, the Borrower shall make appropriate adjustments in the total tenant payment in accordance with part 813 of this chapter, as modified by § 891.505, and determine whether the family's unit size is still appropriate. The Borrower must adjust tenant rent and the project assistance payment and must carry out any unit transfer in accordance with HUD standards. At the time of the annual reexamination of family income and composition, the Borrower must require the family to meet the disclosure and verification requirements for Social Security Numbers, as provided by 24 CFR part 5, subpart B.

(2) *Interim reexamination.* If the family occupies an assisted unit (or residential space in a group home) the family must comply with provisions in the lease regarding interim reporting of changes in income. If the Borrower receives information concerning a change in the family's income or other circumstances between regularly scheduled reexaminations, the Borrower must consult with the family and make any adjustments determined to be appropriate. Any change in the family's income or other circumstances that results in an adjustment in the total tenant payment, tenant rent, and project assistance payment must be verified.

(3) *Continuation of project assistance payment.* (i) A family occupying an assisted unit (or residential space in a group home) shall remain eligible for project assistance payment until the total tenant payment equals or exceeds the gross rent (or a pro rata share of the gross rent in a group home). The termination of subsidy eligibility will not affect the family's other rights under its lease. Project assistance payment may be resumed if, as a result of changes in income, rent, or other relevant circumstances during the term of the PAC, the family meets the income eligibility requirements of part 813 of

24 CFR Ch. VIII (4–1–12 Edition)

this chapter (as modified in § 891.505) and project assistance is available for the unit or residential space under the terms of the PAC. The family will not be required to establish its eligibility for admission to the project under the remaining requirements of paragraph (b) of this section.

(ii) A family's eligibility for project assistance payment may also be terminated in accordance with HUD requirements for such reasons as failure to submit requested verification information, including failure to meet the disclosure and verification requirements for Social Security Numbers, or failure to sign and submit consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies, as provided by 24 CFR part 5, subpart B.

§ 891.760 Overcrowded and underoccupied units.

The requirements for overcrowded and underoccupied units are provided in § 891.620.

§ 891.765 Lease requirements.

The lease requirements are provided in § 891.425.

§ 891.770 Denial of admission, termination of tenancy, and modification of lease.

(a) The provisions of part 5, subpart I, of this title apply to Section 202 direct loan projects with Section 162 assistance for disabled families.

(b) The provisions of part 247 of this title apply to all decisions by a Borrower to terminate the tenancy or modify the lease of a family residing in a unit (or residential space in a group home).

[66 FR 28798, May 24, 2001]

§ 891.775 Security deposits.

The general requirements for security deposits on assisted units are provided in § 891.435. For purposes of subpart E of this part, the additional requirements in § 891.635 apply.

§ 891.780 Adjustment of rents.

(a) *Contract rents.* HUD will calculate contract rent adjustments based on the sum of the project's operating costs and debt service (as calculated by HUD), with adjustments for vacancies, the project's nonrental income, and other factors that HUD deems appropriate. The calculation will be made on the basis of information provided by the Borrower on a form prescribed by HUD.

(b) *Rent for unassisted units.* The rent payable by families occupying units or residential spaces that are not assisted under the PAC shall be equal to the contract rent computed under paragraph (a) of this section.

§ 891.785 Adjustment of utility allowances.

In connection with adjustments of contract rents as provided in § 891.780(a), the requirements for the adjustment of utility allowances provided in § 891.440 apply.

§ 891.790 Conditions for receipt of vacancy payments for assisted units.

(a) *General.* Vacancy payments under the PAC will not be made unless the conditions for receipt of these project assistance payments set forth in this section are fulfilled.

(b) *Vacancies during rent-up.* For each unit (or residential space in a group home) that is not leased as of the effective date of the PAC, the Borrower is entitled to vacancy payments in the amount of 80 percent of the contract rent (or pro rata share of the contract rent for a group home) for the first 60 days of vacancy, if the Borrower:

(1) Complied with § 891.740;

(2) Has taken and continues to take all feasible actions to fill the vacancy; and

(3) Has not rejected any eligible applicant except for good cause acceptable to HUD.

(c) *Vacancies after rent-up.* If an eligible family vacates an assisted unit (or

residential space in a group home) the Borrower is entitled to vacancy payments in the amount of 80 percent of the contract rent (or pro rata share of the contract rent in a group home) for the first 60 days of vacancy if the Borrower:

(1) Certifies that it did not cause the vacancy by violating the lease, the PAC, or any applicable law;

(2) Notified HUD of the vacancy or prospective vacancy and the reasons for the vacancy immediately upon learning of the vacancy or prospective vacancy;

(3) Has fulfilled and continues to fulfill the requirements specified in § 891.740(a)(2) and (3), and in paragraphs (b)(2) and (3) of this section; and

(4) For any vacancy resulting from the Borrower's eviction of an eligible family, certifies that it has complied with § 891.770.

(d) *Vacancies for longer than 60 days.* If an assisted unit (or residential space in a group home) continues to be vacant after the 60-day period specified in paragraph (b) or (c) of this section, HUD may approve additional vacancy payments for 60-day periods up to a total of 12 months in an amount equal to the principal and interest payments required to amortize that portion of the debt service attributable to the vacant unit (or, in the case of group homes, the residential space). Such payments may be approved if:

(1) The unit was in decent, safe, and sanitary condition during the vacancy period for which payment is claimed;

(2) The Borrower has fulfilled and continues to fulfill the requirements specified in paragraph (b) or (c) of this section, as appropriate; and

(3) The Borrower has demonstrated to the satisfaction of HUD that:

(i) For the period of vacancy, the project is not providing the Borrower with revenues at least equal to project expenses (exclusive of depreciation) and the amount of payments requested is not more than the portion of the deficiency attributable to the vacant unit (or residential space in a group home); and

(ii) The project can achieve financial soundness within a reasonable time.

(e) *Prohibition of double compensation for vacancies.* If the Borrower collects

§ 891.800

24 CFR Ch. VIII (4–1–12 Edition)

payments for vacancies from other sources (tenant rent, security deposits, payments under § 891.435(c), or governmental payments under other programs), the Borrower shall not be entitled to collect vacancy payments to the extent these collections from other sources plus the vacancy payment exceed contract rent.

Subpart F—For-Profit Limited Partnerships and Mixed-Finance Development for Supportive Housing for the Elderly or Persons with Disabilities

SOURCE: 70 FR 54210, Sept. 13, 2005, unless otherwise noted.

§ 891.800 Purpose.

The purpose of this subpart is to establish rules allowing for, and regulating the participation of, for-profit limited partnerships, of which the sole general partner is a Nonprofit Organization meeting the requirements of 12 U.S.C. 1701q(k)(4) or 42 U.S.C. 8032(k)(6), in the development of housing for the elderly and persons with disabilities using mixed-finance development methods. These rules are intended to develop more supportive housing for the elderly and persons with disabilities by allowing the use of federal assistance, private capital and expertise, and low-income housing tax credits.

§ 891.802 Applicability of other provisions.

The provisions of 24 CFR part 891, subparts A through D, apply to this subpart F unless otherwise stated.

§ 891.805 Definitions.

In addition to the definitions at § 891.105, the following definitions apply to this subpart:

Mixed-finance owner, for the purpose of the mixed-finance development of housing under this subpart, means a single-purpose, for-profit limited partnership of which a Private Nonprofit Organization with a 501(c)(3) or 501(c)(4) tax exemption (in the case of supportive housing for the elderly), or a Nonprofit Organization with a 501(c)(3) tax exemption (in the case of supportive housing for the disabled) is the

sole general partner. The purpose of the mixed-finance owner must include the promotion of the welfare of the elderly or persons with disabilities, as appropriate.

Private Nonprofit Organization (in the case of supportive housing for the elderly) or *Nonprofit Organization* (in the case of supportive housing for persons with disabilities) (for the purposes of this subpart, both types of organizations are referred to as “Nonprofit Organization”), for the purpose of this subpart, means any institution or foundation (and includes a corporation wholly owned and controlled by an organization meeting the requirements of this section):

(1) In the case of supportive housing for the elderly, that meets the requirements of the definition of “private nonprofit organization” found in § 891.205 of this title; or

(2) In the case of supportive housing for persons with disabilities, that meets the requirements of the definition of “nonprofit organization” in § 891.305 of this title; and that

(3) Is the general partner of a for-profit limited partnership, if the Nonprofit Organization meets the requirements of this definition and owns at least one-hundredth of one percent of the partnership assets. If the project will include units financed with the use of federal Low-Income Housing Tax Credits and the organization is a limited partnership, the limited partnership must meet the requirements of section 42 of the IRS code, including the requirements of section 42(h)(5). The general partner may also be the sponsor so long as it meets the requirements of this rule for sponsors and general partners.

§ 891.808 Capital advance funds.

(a) HUD is authorized to provide capital advance funds to expand the supply of supportive housing for the elderly and persons with disabilities in accordance with the rules and regulations of the Section 202 and Section 811 supportive housing programs. For mixed-finance projects, HUD provides a capital advance funds reservation to the sponsor, which transfers the fund reservation to the mixed-finance owner

meeting the requirements of this subpart. The sponsor may transfer the fund reservation directly to the owner or to the general partner of the owner, or the sponsor may be the general partner of the mixed-finance owner if the sponsor meets the applicable statutory and regulatory requirements.

(b) Developments built with mixed-finance funds may combine Section 202 or Section 811 units with other units, which may or may not benefit from federal assistance. The number of Section 202 or Section 811 supportive housing units must not be less than the number specified in the agreement letter for a capital advance. In the case of a Section 811 mixed-finance project, the additional units cannot cause the project to exceed the applicable Section 811 project size limit if they will also house persons with disabilities.

§ 891.809 Limitations on capital advance funds.

Capital advances are not available in connection with:

(a) Acquisition of facilities currently owned and operated by the sponsor as housing for the elderly, except with rehabilitation as defined in 24 CFR 891.105;

(b) The financing or refinancing of federally assisted or insured projects;

(c) Facilities currently owned and operated by the sponsor as housing for persons with disabilities, except with rehabilitation as defined in 24 CFR 891.105; or

(d) Units in Section 202 direct loan projects previously refinanced under the provisions of section 811 of the American Homeownership and Economic Opportunity Act of 2000, 12 U.S.C. 1701q note.

§ 891.810 Project rental assistance.

Project Rental Assistance is defined in § 891.105. Project Rental Assistance is provided for operating costs, not covered by tenant contributions, attributable to the number of units funded by capital advances under the Section 202 and Section 811 supportive housing programs, subject to the provisions of 24 CFR 891.445. The sponsor of a mixed-finance development must obtain the necessary funds from a source other than project rental assistance funds for

operating costs related to non-202 or -811 units.

§ 891.813 Eligible uses for assistance provided under this subpart.

(a) Assistance under this subpart may be used to finance the construction, reconstruction, or rehabilitation of a structure or a portion of a structure; or the acquisition of a structure to be used as supportive housing for the elderly; or the acquisition of housing to be used as supportive housing for persons with disabilities. Such assistance may also cover the cost of real property acquisition, site improvement, conversion, demolition, relocation, and other expenses that the Secretary determines are necessary to expand the supply of supportive housing for the elderly and persons with disabilities.

(b) Assistance under this subpart may not be used for excess amenities, as stated in 24 CFR 891.120(c). Such amenities may be included in a mixed-finance development only if:

(1) The amenities are not financed with funds provided under the Section 202 or Section 811 program;

(2) The amenities are not maintained and operated with Section 202 or 811 funds;

(3) The amenities are designed with appropriate safeguards for the residents' health and safety; and

(4) The assisted residents are not required to use, participate in, or pay a fee for the use or maintenance of the amenities, although they are permitted to do so voluntarily. Any fee charged for the use, maintenance, or access to amenities by residents must be reasonable and affordable for all residents of the development.

(c) Notwithstanding any other provision of this section, §§ 891.220 and 891.315 on "prohibited facilities" apply to mixed-finance projects containing units assisted under section 202 or 811.

§ 891.815 Mixed-finance developer's fee.

(a) *Mixed-finance developer's fee.* A mixed-finance developer may include, on an up-front or deferral basis, or a combination of both, a fee to cover reasonable profit and overhead costs.

§ 891.818

(b) *Mixed-finance developer's fee cap.* No mixed-finance developer's fee may be a greater percentage of the total project replacement costs than the percentage allowed by the state housing finance agency or other tax credit allocating agency in the state in which the mixed-finance development is sited. In no event may the mixed-finance developer's fee exceed 15 percent of the total project replacement cost.

(c) *Sources of mixed-finance developer's fee.* The mixed-finance developer's fee may be paid from project income or project sources of funding other than Section 202 or 811 capital advances, project rental assistance, or tenant rents.

§ 891.818 Firm commitment application.

The sponsor will submit the firm commitment application including the mixed-finance proposal in a form described by HUD.

§ 891.820 Civil rights requirements.

The mixed-finance development must comply with the following: all fair housing and accessibility requirements, including the design and construction requirements of the Fair Housing Act; the requirements of section 504 of the Rehabilitation Act of 1973; accessibility requirements, project standards, and site and neighborhood standards under 24 CFR 891.120, 891.125, 891.210, 891.310, and 891.320, as applicable; and 24 CFR 8.4(b)(5), which prohibits the selection of a site or location which has the purpose or effect of excluding persons with disabilities from federally assisted programs or activities.

§ 891.823 HUD review and approval.

HUD will review and may approve or disapprove the firm commitment application and mixed finance proposal.

§ 891.825 Mixed-finance closing documents.

The mixed-finance owner must submit the mixed-finance closing documents in the form prescribed by HUD. The materials shall be submitted after the firm commitment has been issued and prior to capital advance closing.

24 CFR Ch. VIII (4–1–12 Edition)

§ 891.830 Drawdown.

(a) Upon its approval of the executed mixed-finance closing documents and other documents submitted and upon determining that such documents are satisfactory, and after the capital advance closing, HUD may approve the drawdown of capital advance funds in accordance with the HUD-approved drawdown schedule.

(b) The capital advance funds may be drawn down only in an approved ratio to other funds, in accordance with a drawdown schedule approved by HUD. The mixed-finance owner shall certify, in a form prescribed by HUD, prior to the initial drawdown of capital advance funds, that they will not draw down more capital advance funds than necessary to meet the pro rata share of the development costs for the 202 or 811 supportive housing units. The mixed-finance owner shall draw down capital advance funds only when payment is due and after inspection and acceptance of work covered by the drawdown.

(c) Each drawdown of funds constitutes a certification by the mixed-finance owner that:

(1) All the representations and warranties submitted in accordance with this subpart continue to be valid, true, and in full force and effect;

(2) All parties are in compliance with their obligations pursuant to this subpart, which, by their terms, are applicable at the time of the drawdown of funds;

(3) All conditions precedent to the drawdown of the funds by the mixed-finance owner have been satisfied;

(4) The capital advance funds drawn down will be used only for eligible costs actually incurred in accordance with the provisions of this subpart and the approved mixed-finance project, which include the types of costs stated in 12 U.S.C. 1701q(h), and 42 U.S.C. 8013(h), and do not include paying off bridge or construction financing, or repaying or collateralizing bonds; and

(5) The amount of the drawdown is consistent with the ratio of 202 or 811 supportive housing units to other units.

§ 891.832 Prohibited relationships.

Section 891.130 applies, except that in the mixed-finance program only, in

FHA-insured or risk-sharing projects under this rule, the conflict-of-interest and identity-of-interest rules applicable to the FHA program apply. In the case of FHA insured or risk-sharing projects, the nonprofit general partner must continue to adhere to the provisions of § 891.130.

§ 891.833 Monitoring and review.

HUD shall monitor and review the development during the construction and operational phases in accordance with the requirements that HUD prescribes. In order for units assisted under the 202 and 811 programs to continue to receive project rental assistance, they must be operated in accordance with all contractual agreements among the parties and other HUD regulations and requirements. It is the responsibility of the mixed-finance owner and Nonprofit Organization to ensure compliance with the preceding sentence.

§ 891.835 Eligible uses of project rental assistance.

(a) Section 202 or 811 project rental assistance may be used to pay the necessary and reasonable operating costs, as defined in 24 CFR 891.105 and approved by HUD, not met from project income and attributed to Section 202 or 811 supportive housing units. Operating cost standards under 24 CFR 891.150 apply to developments under this part.

(b) Section 202 or 811 project rental assistance may not be used to pay for:

(1) Debt service on construction or permanent financing, or any refinancing thereof, for any units in the development, including the 202 or 811 supportive housing units;

(2) Cash flow distributions to owners; or

(3) Creation of reserves for non-202 or -811 units.

(c) HUD-approved operating costs attributable to common areas or to the development as a whole, such as groundskeeping costs and general administrative costs, may be paid from project rental assistance on a pro-rata basis according to the percentage of 202 or 811 supportive housing units as compared to the total number of units.

§ 891.840 Site and neighborhood standards.

For section 202 or 811 mixed-finance developments, the site and neighborhood standards described at § 891.125 and § 891.320 apply to the entire mixed-finance development.

§ 891.848 Project design and cost standards.

The project design and cost standards at § 891.120 apply to mixed-finance developments under this subpart. Sections 891.220 and 891.315 on prohibited facilities shall apply to mixed-finance developments under this subpart.

§ 891.853 Development cost limits.

The Development Cost Limits for development activities, as established at § 891.140, apply to Section 202 or 811 supportive housing units in mixed-finance developments under this subpart.

§ 891.855 Replacement reserves.

(a) The mixed-finance owner shall establish and maintain a replacement reserve account for Section 202 or 811 supportive housing units. This account must meet all the requirements of 24 CFR 891.405.

(b) The mixed-finance owner may obtain a disbursement from the reserve only if the funds will be used to pay for capital replacement costs for the Section 202 or 811 supportive housing units in the mixed-finance development and in accordance with the terms of the regulatory and operating agreement. In the case of repairs to common elements, the Section 202/811 replacement reserve can be used on a pro rata basis based on the percentage of Section 202 or 811 units in the building whose common elements are being repaired. In the event of a disposition of the mixed-finance development, or the dissolution of the owner, any Section 202 or 811 funds remaining in the replacement reserve account must remain dedicated to the Section 202 or 811 supportive housing units to ensure their long-term viability, or as otherwise agreed by HUD.

(c) Subject to HUD's approval, reserves may be used to reduce the number of Section 202 or 811 dwelling units in the development for the purpose of

§ 891.860

retrofitting units that are obsolete or unmarketable.

§ 891.860 Operating reserves.

(a) The mixed-finance owner shall maintain an operating reserve account in an amount sufficient to cover the operating expenses of the development for at least a three-month period.
