year-end unaudited financial information after the due date, a PHA shall have 15 days from the date of the rejection to resubmit the information without a penalty being applied, in accordance with §902.62.

(e) Late points and late presumptive failure. Late points and late presumptive failure will only be applied to the financial condition indicator since the management operations information is derived from the financial condition submission.

(f) Score change. A management operations score can change as a result of the audited submission since the management operations information is derived from the financial condition submission.

§ 902.62 Failure to submit data.

(a) Failure to submit data by due date.

(1) If a PHA without a finding of good cause by HUD does not submit its year-end financial information, required by this part, or submits its unaudited year-end financial information more than 15 days past the due date, appropriate sanctions may be imposed, including a reduction of one point in the total PHAS score for each 15-day period past the due date.

(2) If the unaudited year-end financial information is not received within 3 months past the due date, or extended due date, the PHA will receive a presumptive rating of failure for its unaudited information and shall receive zero points for its unaudited financial information and the final financial condition indicator score. The subsequent timely submission of audited information does not negate the score of zero received for the unaudited year-end financial information submission.

(3) The PHA’s audited financial statement must be received no later than 9 months after the PHA’s fiscal year-end, in accordance with the Single Audit Act and OMB Circular A-133 (see §902.33(c)). If the audited financial statement is not received by that date, the PHA will receive a presumptive rating of failure for the financial condition indicator.

(b) Verification of information submitted. (1) A PHA’s year-end financial information and any supporting documentation are subject to review by an independent auditor, as authorized by section 6(j)(6) of the Act (42 U.S.C. 1437(d)(j)(6)). Appropriate sanctions for intentional false certification will be imposed, including civil penalties, suspension or debarment of the signatories, the loss of high performer designation, a lower score under the financial condition indicator, and a lower overall PHAS score.

(2) A PHA that cannot provide justifying documentation to HUD for the assessment under any indicator(s) or subindicator(s) shall receive a score of zero for the relevant indicator(s) or subindicator(s) and its overall PHAS score shall be lowered accordingly.

(c) Failure to submit. If a PHA does not submit its unaudited or audited information, it will receive a zero for management operations.

§ 902.64 PHAS scoring and audit reviews.

(a) Adjustments to PHAS score. (1) Adjustments to the score may be made after a PHA’s audit report for the fiscal year being assessed is transmitted to HUD. If significant differences are noted between unaudited and audited results, a PHA’s PHAS score will be adjusted in accordance with the audited results.

(2) A PHA’s PHAS score under individual indicators or subindicators, or its overall PHAS score, may be changed by HUD in accordance with data included in the audit report or obtained through such sources as HUD project management and other reviews, investigations by HUD’s Office of Fair Housing and Equal Opportunity, investigations or audits by HUD’s Office of Inspector General, or reinspection by HUD, as applicable.

(b) Issuance of a score by HUD. (1) An overall PHAS score will be issued for each PHA after the later of one month after the submission due date for financial data or one month after submission by the PHA of its financial data. The overall PHAS score becomes the PHA’s final PHAS score after any adjustments requested by the PHA and determined necessary under the processes provided in §§902.25(d), 902.35(a), and 902.68; any adjustments resulting from the appeal process provided in
