§ 972.133 Public and resident consultation process for developing a conversion plan.

(a) The PHA must consult with appropriate public officials and with the appropriate public housing residents in developing the conversion plan.

(b) The PHA may satisfy the requirement for consultation with public officials by obtaining a certification from the appropriate government official that the conversion plan is consistent with the applicable Consolidated Plan. This may be the same certification as is required for the PHA Annual Plan that includes the conversion plan, so long as the certification specifically addresses the conversion plan.

(c) To satisfy the requirement for consultation with the appropriate public housing residents, in addition to the public participation requirements for the PHA Annual Plan, the PHA must:

(1) Hold at least one meeting with the residents of the affected sites (including the duly elected Resident Council, if any, that covers the development in question) at which the PHA must:

(i) Explain the requirements of this section, especially as they apply to the residents of the affected developments; and

(ii) Provide draft copies of the conversion plan to the residents;

(2) Provide a reasonable comment period for residents; and

(3) Summarize the resident comments for HUD, in the conversion plan, and consider these comments in developing the final conversion plan.

§ 972.136 Timing of submission of conversion plans to HUD.

The requirements of this section are on-going requirements. If the PHA must submit a plan for conversion, it must submit the conversion plan as part of the PHA’s Annual Plan, beginning with PHA fiscal years that commence six months after the effective date of HUD’s final rule establishing the cost methodology for required conversions.

§ 972.139 HUD actions with respect to required conversions.

(a) HUD will take appropriate steps to ensure that distressed developments subject to this subpart are properly identified and converted. If a PHA fails to properly identify a development for required conversion, or does not submit a conversion plan for a development in the PHA Annual Plan following the Annual Plan in which the development was identified as subject to required conversion, HUD will take the actions described in paragraph (b) of this section, and may also take any or all of the actions described in paragraph (c) of this section.

(b) If a PHA fails to take the conversion activities described in paragraph (a) of this section, HUD will:

(1) Disqualify the PHA from HUD funding competitions; and

(2) Direct the PHA to cease additional spending in connection with a development that meets, or is likely to meet the statutory criteria, except to the extent that failure to expend such amounts would endanger health or safety.

(c) If a PHA fails to take the conversion activities described in paragraph (a) of this section, HUD may also take any or all of the following actions:

(1) Identify developments that fall within the statutory criteria where the PHA has failed to do so properly;

(2) Take appropriate actions to ensure the conversion of developments where the PHA has failed to adequately develop or implement a conversion plan;

(3) Require the PHA to revise the conversion plan, or prohibit conversion, where HUD has determined that the PHA has erroneously identified a development as being subject to the requirements of this section;

(4) Authorize or direct the transfer of capital or operating funds committed to or on behalf of the development (including comprehensive improvement assistance, comprehensive grant or Capital Fund amounts attributable to the development’s share of funds under the formula, and major reconstruction of obsolete projects funds) to tenant-
