§ 982.504  Voucher tenancy: Payment standard for family in restructured subsidized multifamily project.

(a) This section applies to tenant-based assistance under the voucher

most recent examinations of family income.

(e) HUD approval of success rate payment standard amounts. In order to increase the number of voucher holders who become participants, HUD may approve requests from PHAs whose FMRs are computed at the 40th percentile rent to establish higher, success rate payment standard amounts. A success rate payment standard amount is defined as any amount between 90 percent and 110 percent of the 50th percentile rent, calculated in accordance with the methodology described in § 888.113 of this title.

(1) A PHA may obtain HUD Field Office approval of success rate payment standard amounts provided the PHA demonstrates to HUD that it meets the following criteria:

(i) Fewer than 75 percent of the families to whom the PHA issued rental vouchers during the most recent 6 month period for which there is success rate data available have become participants in the voucher program;

(ii) The PHA has established payment standard amounts for all unit sizes in the entire PHA jurisdiction within the FMR area at 110 percent of the published FMR for at least the 6 month period referenced in paragraph (e)(1)(i) of this section and up to the time the request is made to HUD; and

(iii) The PHA has a policy of granting automatic extensions of voucher terms to at least 90 days to provide a family who has made sustained efforts to locate suitable housing with additional search time.

(2) In determining whether to approve the PHA request to establish success rate payment standard amounts, HUD will consider whether the PHA has a SEMAP overall performance rating of “troubled”. If a PHA does not yet have a SEMAP rating, HUD will consider the PHA’s SEMAP certification.

(3) HUD approval of success rate payment standard amounts shall be for all unit sizes in the FMR area. A PHA may opt to establish a success rate payment standard amount for one or more unit sizes in all or a designated part of the PHA jurisdiction within the FMR area.

(f) Payment standard protection for PHAs that meet deconcentration objectives. Paragraph (f) of this section applies only to a PHA with jurisdiction in an FMR area where the FMR had previously been set at the 50th percentile rent to provide a broad range of housing opportunities throughout a metropolitan area, pursuant to § 888.113(c), but is now set at the 40th percentile rent.

(1) Such a PHA may obtain HUD Field Office approval of a payment standard amount based on the 50th percentile rent if the PHA scored the maximum number of points on the deconcentration bonus indicator in § 885.3(h) in the prior year, or in two of the last three years.

(2) HUD approval of payment standard amounts based on the 50th percentile rent shall be for all unit sizes in the FMR area that had previously been set at the 50th percentile rent pursuant to § 888.113(c). A PHA may opt to establish a payment standard amount based on the 50th percentile rent for one or more unit sizes in all or a designated part of the PHA jurisdiction within the FMR area.

(g) HUD review of PHA payment standard schedules. (1) HUD will monitor rent burdens of families assisted in a PHA’s voucher program. HUD will review the PHA’s payment standard for a particular unit size if HUD finds that 40 percent or more of such families occupying units of that unit size currently pay more than 30 percent of adjusted monthly income as the family share. Such determination may be based on the most recent examinations of family income.

(2) After such review, HUD may, at its discretion, require the PHA to modify payment standard amounts for any unit size on the PHA payment standard schedule. HUD may require the PHA to establish an increased payment standard amount within the basic range.

§ 982.505 Voucher tenancy: How to calculate housing assistance payment.

(a) Use of payment standard. A payment standard is used to calculate the monthly housing assistance payment for a family. The “payment standard” is the maximum monthly subsidy payment.

(b) Amount of monthly housing assistance payment. The PHA shall pay a monthly housing assistance payment on behalf of the family that is equal to the lower of:

(1) The payment standard for the family minus the total tenant payment; or

(2) The gross rent minus the total tenant payment.

(c) Payment standard for family. (1) The payment standard for the family is the lower of:

(i) The payment standard amount for the family unit size; or

(ii) The payment standard amount for the size of the dwelling unit rented by the family.

(2) If the PHA has established a separate payment standard amount for a designated part of an FMR area in accordance with §982.503 (including an exception payment standard amount as determined in accordance with §982.503(b)(2) and §982.503(c)), and the dwelling unit is located in such designated part, the PHA must use the appropriate payment standard amount for such designated part to calculate the payment standard for the family. The payment standard for the family shall be calculated in accordance with this paragraph and paragraph (c)(1) of this section.

(3) Decrease in the payment standard amount during the HAP contract term. If the amount on the payment standard schedule is decreased during the term of the HAP contract, the lower payment standard amount generally must be used to calculate the monthly housing assistance payment for the family beginning at the effective date of the family’s second regular reexamination following the effective date of the decrease in the payment standard amount. The PHA must determine the payment standard for the family as follows.

(i) Step 1: At the first regular reexamination following the decrease in the payment standard amount, the PHA shall determine the payment standard for the family in accordance with paragraphs (c)(1) and (c)(2) of this section (using the decreased payment standard amount).

(ii) Step 2 (first reexamination payment standard amount): The PHA shall compare the payment standard amount from step 1 to the payment standard amount last used to calculate the monthly housing assistance payment for the family. The payment standard amount used by the PHA to calculate
