§ 225.24

Environmental studies.

(a) The Secretary shall ensure that all environmental studies are prepared as required by the National Environmental Policy Act of 1969 (NEPA) and the regulations promulgated by the Council on Environmental Quality (CEQ) found at 40 CFR parts 1500–1508.

(b) The Secretary shall ensure that all necessary surveys are performed and clearances obtained in accordance with 36 CFR parts 60, 63, and 800 and with the requirements of the Archaeological and Historic Preservation Act (16 U.S.C. 469 et seq.), the American Indian Religious Freedom Act (42 U.S.C. 1996), and Executive Order 11593 (3 CFR 1971–1975 Comp., p. 559, May 13, 1971). If these surveys indicate that a mineral development will have an adverse effect on a property listed on or eligible for listing on the National Register of Historic Places, the Secretary shall:

§ 225.23 Economic assessments.

The Secretary shall prepare or cause to be prepared an economic assessment that shall address, among other things:

(a) Whether there are assurances in the minerals agreement that operations shall be conducted with appropriate diligence;

(b) Whether the production royalties or other form of return on mineral resources is adequate; and

(c) Whether the minerals agreement is likely to provide the Indian mineral owner with a return on the production comparable to what the owner might otherwise obtain through competitive bidding, when such a comparison can reasonably be made.

§ 225.24 Environmental studies.

(a) The Secretary shall ensure that all environmental studies are prepared as required by the National Environmental Policy Act of 1969 (NEPA) and the regulations promulgated by the Council on Environmental Quality (CEQ) found at 40 CFR parts 1500–1508.

(b) The Secretary shall ensure that all necessary surveys are performed and clearances obtained in accordance with 36 CFR parts 60, 63, and 800 and with the requirements of the Archaeological and Historic Preservation Act (16 U.S.C. 469 et seq.), the American Indian Religious Freedom Act (42 U.S.C. 1996), and Executive Order 11593 (3 CFR 1971–1975 Comp., p. 559, May 13, 1971). If these surveys indicate that a mineral development will have an adverse effect on a property listed on or eligible for listing on the National Register of Historic Places, the Secretary shall:
§ 225.25 Resolution of disputes.

A minerals agreement shall contain provisions for resolving disputes that may arise between the parties. However, no such provision shall limit the Secretary's authority or ability to ensure that the rights of an Indian mineral owner are protected in the event of a violation of the provisions of the minerals agreement by any other party to the minerals agreement.

§ 225.26 Auditing and accounting.

The Secretary may conduct audits relating to the scope, nature and extent of compliance with the minerals agreement and with applicable regulations and orders to lessees, operators, revenue payors, and other persons with rental, royalty, net profit share and other payment requirements arising from the provisions of a minerals agreement. Procedures and standards used for accounting and auditing of minerals agreements will be in accordance with audit standards established by the Comptroller General of the United States, in “Standards for Auditing of Governmental Organizations, Programs, Activities, and Functions, 1981,” and standards established by the American Institute of Certified Public Accountants.

§ 225.27 Forms and reports.

Any forms required to be filed pursuant to a minerals agreement may be obtained from the Superintendent or Area Director. Prescribed forms for filing geothermal production reports required by the BLM (43 CFR part 3260, §§3264.1, 3264.2–4 and 3264.2–5) may be obtained from the Superintendent, Area Director, or the Authorized Officer. Applicable reports required by the MMS shall be filed using the forms prescribed in 30 CFR part 210, which are available from MMS. Guidance on how to prepare and submit required information, collection reports, and forms to MMS is available from: Minerals Management Service, Attention: Lessee (or Reporter) Contact Branch, P.O. Box 5760, Denver, Colorado 80217. Additional reporting requirements may be required by the Secretary.

§ 225.28 Approval of amendments to minerals agreements.

An amendment, modification or supplement to a minerals agreement entered into pursuant to the regulations in this part, whether the minerals agreement was approved before or after the effective date of these regulations, must be approved in writing by all parties before being submitted to the Secretary for approval. The provisions of §225.22 apply to approvals of amendments, modifications, or supplements to minerals agreements entered into under the regulations in this part. However, amendments, modifications, or supplements that do not substantially alter or affect the factors listed in §225.22(c), may be approved by referencing materials previously submitted for the initial review and approval of the minerals agreement. The Secretary may approve an amendment, modification, or supplement if it is determined that the underlying minerals agreement, as amended, modified, or supplemented meets the criteria for approval set forth in §225.22(c).

§ 225.29 Corporate qualifications and requests for information.

(a) The signing in a representative capacity of minerals agreements or assignments, bonds, or other instruments required by a minerals agreement or these regulations, constitutes certification that the individual signing (except a surety agent) is authorized to act in such a capacity. An agent for a surety shall furnish a power of attorney.

(b) A prospective corporate operator proposing to acquire an interest in a minerals agreement shall have on file with the Superintendent a statement showing:

(1) The State(s) in which the corporation is incorporated, and a notarized
