(vi) Table games, including but not limited to, fill and credit procedures, pit credit procedures, rim credit procedures, soft drop/count procedures, and the subsequent transfer of funds, unannounced testing of count room currency counters and/or currency interface, location and control over sensitive keys, the tracing of source documents to summarized documentation and accounting records, and reconciliation to restricted copies;

(vii) Gaming machines, including but not limited to, jackpot payout and gaming machine fill procedures, gaming machine drop/count and bill acceptor drop/count and subsequent transfer of funds, unannounced testing of weigh scale and weigh scale interface, unannounced testing of count room currency counters and/or currency interface, gaming machine drop cabinet access, tracing of source documents to summarized documentation and accounting records, reconciliation to restricted copies, location and control over sensitive keys, compliance with EPROM duplication procedures, and compliance with MICS procedures for gaming machines that accept currency or coin(s) and issue cash-out tickets or gaming machines that do not accept currency or coin(s) and do not return currency or coin(s);

(viii) Cage and credit procedures including all cage, credit, and collection procedures, and the reconciliation of trial balances to physical instruments on a sample basis. Cage accountability shall be reconciled to the general ledger;

(ix) Information technology functions, including review for compliance with information technology standards;

(x) Complimentary service or item, including but not limited to, procedures whereby complimentary service items are issued, authorized, and redeemed; and

(xi) Any other internal audits as required by the Tribe, Tribal gaming regulatory authority, audit committee, or other entity designated by the Tribe.

(2) In addition to the observation and examinations performed under paragraph (b)(1) of this section, follow-up observations and examinations shall be performed to verify that corrective action has been taken regarding all instances of noncompliance cited by internal audit, the independent accountant, and/or the Commission. The verification shall be performed within
National Indian Gaming Commission, Interior

§ 542.33

What are the minimum internal control standards for surveillance for Tier B gaming operations?

(a) The surveillance system shall be maintained and operated from a staffed surveillance room and shall provide surveillance over gaming areas.

(b) The entrance to the surveillance room shall be located so that it is not readily accessible by either gaming operation employees who work primarily on the casino floor, or the general public.

(c) Access to the surveillance room shall be limited to surveillance personnel, designated employees, and other persons authorized in accordance with the surveillance department policy. Such policy shall be approved by the Tribal gaming regulatory authority. The surveillance department shall maintain a sign-in log of other authorized persons entering the surveillance room.

(d) Surveillance room equipment shall have total override capability over all other satellite surveillance equipment located outside the surveillance room.

(e) The surveillance system shall include date and time generators that possess the capability to display the date and time of recorded events on video and/or digital recordings. The displayed date and time shall not significantly obstruct the recorded view.

(f) The surveillance department shall strive to ensure staff is trained in the use of the equipment, knowledge of the games, and house rules.

(g) Each camera required by the standards in this section shall be installed in a manner that will prevent it
