(9) Then southwesterly along the Yountville Cross Road (denoted as GRANT BDY on the map) approximately 4,700 feet to the main branch of the Napa River, then following the western boundary of the Stags Leap District viticultural area, first southerly down the center of the Napa River approximately 21,000 feet, then leaving the Napa River northeasterly in a straight line approximately 900 feet to the intersection of the Silverado Trail with an intermittent stream at the 60 foot contour line in T6N, R4W, MDM; (10) Then along the Silverado Trail southerly approximately 3,200 feet, passing into the Napa quadrangle, to a point which is east of the confluence of Dry Creek with the Napa River; then west approximately 600 feet to said confluence; then northwesterly along Dry Creek approximately 3,500 feet, passing into the Yountville quadrangle to a fork in the creek; then northwesterly along the north fork of Dry Creek approximately 5,700 feet to the easterly end of the light duty road labeled Ragatz Lane; (11) Then southwesterly along Ragatz Lane to the west side of State Highway 29, then southerly along Highway 29 by 982 feet to the easterly extension of the north line boundary of Napa County Assessor's parcel number 034–170–015, then along the north line of APN 034–170–015 and its extension westerly 1,000 feet to said confluence, then southerly approximately 1,000 feet to the peak denoted as 564 (which is about 5,500 feet easterly of the north-west corner of the Napa quadrangle; then southerly approximately 1,500 feet to the peak northeast of the reservoir gauging station denoted as 835; (12) Then southwesterly approximately 1,500 feet to the reservoir gauging station, then west to the 400 foot contour line on the west side of Dry Creek, then northwesterly along the 400 foot contour line to the point where the contour intersects the north line of Section 10, T6N, R5W, MDM, immediately adjacent to Dry Creek on the Rutherford, CA map; (13) Then northwesterly along Dry Creek approximately 6,500 feet to BM503, then northeasterly approximately 3,000 feet to the peak denoted as 1478, then southeasterly approximately 2,300 feet to the beginning of the creek known locally as Hopper Creek, then southeasterly along Hopper Creek approximately 2,300 feet to the point of beginning.

[T.D. ATF–410, 64 FR 13513, Mar. 19, 1999]

§ 9.161 Oak Knoll District of Napa Valley.

(a) Name. The name of the viticultural area described in this section is “Oak Knoll District of Napa Valley”.

(b) Approved maps. The appropriate maps for determining the boundary of the Oak Knoll District of Napa Valley viticultural area are the following United States Geological Survey Quadrangle maps (7.5 Minute Series):

(1) Napa, California, 1951 (Photo revised 1980); and

(2) Yountville, California, 1951 (Photo revised 1968).

(c) Boundaries. The Oak Knoll District of Napa Valley viticultural area is located entirely within Napa County, California. The boundaries of the Oak Knoll District of Napa Valley viticultural area, using landmarks and points of reference found on the appropriate U.S.G.S. maps, are as follows:

(1) Beginning at the intersection of State Highway 29 and Trancas Road in the city of Napa on the Napa, CA quadrangle map;

(2) Proceed easterly along Trancas Road until it meets the Napa River; (3) Proceed southerly along the Napa River approximately 3,500 feet to its confluence with Milliken Creek;

(4) Continue northerly up Milliken Creek to its intersection with Monticello Road;

(5) Then proceed westerly along Monticello Road to its intersection with Silverado Trail;

(6) Then proceed northerly and then northeasterly along Silverado Trail to its intersection with an unimproved dirt road located approximately 1,300 feet north of the intersection of Silverado Trail and Oak Knoll Avenue; (7) From that point, proceed west in a straight line to the confluence of Dry Creek and the Napa River; (8) Then proceed northwesterly along Dry Creek onto the Yountville map to

(a) Name. The name of the viticultural area described in this section is “Sta. Rita Hills”. For purposes of part 4 of this chapter, “Sta. Rita Hills” is a term of viticultural significance.

(b) Approved Maps. The appropriate maps for determining the boundary of the Sta. Rita Hills viticultural area are five United States Geological Survey (USGS) 7.5 Minute Series maps titled:

(c) Boundary. The Sta. Rita Hills viticultural area is located in Santa Barbara County, California. The boundary is as follows:

1. The beginning point is found on the Solvang, California U.S.G.S. Quadrangle map at an unnamed hilltop, elevation 1600 feet, in section 27, T.6N., R. 32W., on the Solvang, Calif., Quadrangle U.S.G.S. map.
2. Then proceed northwest for 3,550 feet along the northern boundary of Napa County Assessor’s parcel number 034–170–015 and its westerly extension to the dividing line between Range 5 West and Range 4 West on the Napa, CA map;
3. Then proceed west for 3,550 feet along the northern boundary of Napa County Assessor’s parcel number 034–170–015 and its westerly extension to the dividing line between Range 5 West and Range 4 West on the Napa, CA map;
4. Proceed along the 400-foot contour line in a generally southeasterly direction to its intersection with the line dividing Range 5 West and Range 4 West; then proceed south along that dividing line approximately 2,400 feet to the center of Redwood Road;
5. Then proceed southerly and then easterly along Redwood Road to the point of beginning at Highway 29.
