§ 70.187 Effect of junior encumbrances.

A certificate of sale of personal property given or a deed to real property executed pursuant to 26 U.S.C. 6338 discharges the property from all liens, encumbrances, and titles over which the lien of the United States, with respect to which the levy was made, has priority. For example, a mortgage on real property executed after a notice of a Federal tax lien has been filed is extinguished when the appropriate TTB officer executes a deed to the real property to a purchaser thereof at a sale pursuant to 26 U.S.C. 6335 following the seizure of the property by the United States. The proceeds of such a sale are distributed in accordance with priority of the liens, encumbrances, or titles. See 26 U.S.C. 6342(b) and 7426(a)(2) and §§70.170 and 70.207(a)(2) of this part with respect to surplus proceeds.

§ 70.188 Expense of levy and sale.

The appropriate TTB officer shall determine the expenses to be allowed in all cases of levy and sale. Such expenses shall include the expenses of protection and preservation of the property during the period subsequent to the levy, as well as the actual expenses incurred in connection with the sale thereof. In case real and personal property (or several tracts of real property) are sold in the aggregate, the appropriate TTB officer shall properly apportion the expenses to the real property (or to each tract).

§ 70.191 Authorization.

(a) In general. A civil action for the collection or recovery of taxes, or of any fine, penalty, or forfeiture (with respect to the provisions of 26 U.S.C. enforced and administered by the Bureau) will be commenced when the appropriate TTB officer directs that the action be commenced.

(b) Property held by banks. The appropriate TTB officer shall not authorize or sanction any civil action for the collection or recovery of taxes, or of any fine, penalty, or forfeiture, from any deposits held in a foreign office of a bank engaged in the banking business in the United States or a possession of the United States unless the appropriate TTB officer believes:

(1) That the taxpayer is within the jurisdiction of a U.S. court at the time the civil action is authorized or sanctioned and that the bank is in possession of (or obligated with respect to) deposits of the taxpayer in an office of the bank outside the United States or a possession of the United States; or

(2) That the taxpayer is not within the jurisdiction of a U.S. court at the time the civil action is authorized or sanctioned, that the bank is in possession of (or obligated with respect to) deposits of the taxpayer in an office of the bank outside the United States or
