

the agency for handling in accordance with procedures outlined in §1960.28(d). A copy of the response to the originator shall be sent to the Secretary.

(3) Where there is no certified safety and health committee, or when requested by half the members of a committee, the Secretary may initiate an inspection or other appropriate action. When the Secretary determines that an inspection is warranted, the Secretary shall observe the same response times as required of the agencies under the Executive Order and §1960.28(d)(3). When the Secretary determines not to make an inspection, the report shall be forwarded to the agency for handling in accordance with procedures outlined in §1960.28(d). A copy of the response to the originator shall be sent to the Secretary.

§ 1960.29 Accident investigation.

(a) While all accidents should be investigated, including accidents involving property damage only, the extent of such investigation shall be reflective of the seriousness of the accident.

(b) In any case, each accident which results in a fatality or the hospitalization of three or more employees shall be investigated to determine the causal factors involved. Except to the extent necessary to protect employees and the public, evidence at the scene of an accident shall be left untouched until inspectors have an opportunity to examine it.

(c) Any information or evidence uncovered during accident investigations which would be of benefit in developing a new OSHA standard or in modifying or revoking an existing standard should be promptly transmitted to the Secretary.

(d) The investigative report of the accident shall include appropriate documentation on date, time, location, description of operations, description of accident, photographs, interviews of employees and witnesses, measurements, and other pertinent information. A copy of the investigative report required by this section shall be forwarded to the official in charge of the workplace, the appropriate safety and health committee, and the exclusive employee representative, if any. The investigative report shall be made

available to the Secretary or his authorized representative on request.

§ 1960.30 Abatement of unsafe or unhealthful working conditions.

(a) The agency shall ensure the prompt abatement of unsafe and unhealthful conditions. Where a Notice of an Unsafe or Unhealthful Working Condition has been issued, abatement shall be within the time set forth in the notice, or in accordance with the established abatement plan.

(b) The procedures for correcting unsafe or unhealthful working conditions shall include a follow-up, to the extent necessary, to determine whether the correction was made. If, upon the follow-up, it appears that the correction was not made, or was not carried out in accordance with an abatement plan prepared pursuant to paragraph (c) of this section, the official in charge of the establishment and the appropriate safety and health committee shall be notified of the failure to abate.

(c) The official in charge of the establishment shall promptly prepare an abatement plan with the appropriate participation of the establishment's Safety and Health Official or a designee, if in the judgment of the establishment official the abatement of an unsafe or unhealthful working condition will not be possible within 30 calendar days. Such plan shall contain an explanation of the circumstances of the delay in abatement, a proposed timetable for the abatement, and a summary of steps being taken in the interim to protect employees from being injured as a result of the unsafe or unhealthful working condition. A copy of the plan shall be sent to the safety and health committee, and, if no committee exists, to the representative of the employees. Any changes in an abatement plan will require the preparation of a new plan in accordance with the provisions of this section.

(d) When a hazard cannot be abated within the authority and resources of the official in charge of the establishment, that official shall request assistance from appropriate higher authority. The local safety and health official, any established committee and/or
