EO 13580  Title 3—The President

Executive Order 13580 of July 12, 2011

Interagency Working Group on Coordination of Domestic Energy Development and Permitting in Alaska

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to establish an interagency working group to coordinate the efforts of Federal agencies responsible for overseeing the safe and responsible development of onshore and offshore energy resources and associated infrastructure in Alaska and to help reduce our dependence on foreign oil, it is hereby ordered as follows:

Section 1. Policy. Interagency coordination is important for the safe, responsible, and efficient development of oil and natural gas resources in Alaska, both onshore and on the Alaska Outer Continental Shelf (OCS), while protecting human health and the environment, as well as indigenous populations. A number of executive departments and agencies (agencies) are charged with ensuring that resource development projects in Alaska comply with health, safety, and environmental protection standards. To formalize and promote ongoing interagency coordination, this order establishes a high-level, interagency working group that will facilitate coordinated and efficient domestic energy development and permitting in Alaska while ensuring that all applicable standards are fully met.

Sec. 2. Establishment. There is established an Interagency Working Group on Coordination of Domestic Energy Development and Permitting in Alaska (Working Group), led by the Department of the Interior.

Sec. 3. Membership. (a) The Deputy Secretary of the Interior shall serve as Chair of the Working Group and coordinate its work. The Working Group shall also include deputy-level representatives or officials at the equivalent level, designated by the head of the respective agency, from:

(vi) the Environmental Protection Agency; and
(vii) the Office of the Federal Coordinator for Alaska Natural Gas Transportation Projects.

(b) The Domestic Policy Council shall work closely with the Chair of the Working Group and assist in the interagency coordination functions described in section 4 of this order. (i) the Council on Environmental Quality;

Sec. 4. Functions. Consistent with the authorities and responsibilities of participating agencies, the Working Group shall perform the following functions:

(a) facilitate orderly and efficient decisionmaking regarding the issuance of permits and conduct of environmental reviews for onshore and offshore energy development projects in Alaska;

(b) ensure that the schedules and progress of agency regulatory and permitting activities are coordinated appropriately, that they operate efficiently and effectively, and that agencies assist one another, as appropriate;

(c) facilitate the sharing of application and project information among agencies, including information regarding anticipated timelines and milestones;

(d) ensure the sharing and integrity of scientific and environmental information and cultural and traditional knowledge among agencies to support the permit evaluation process of onshore and offshore energy development projects in Alaska;

Sec. 5. General Provisions. (a) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(b) The Department of the Interior shall provide administrative support for the Working Group to the extent permitted by law.
(c) Nothing in this order shall be construed to impair or otherwise affect:
(i) the authority granted by law to an executive department, agency, or
the head thereof; or
(ii) the functions of the Director of the Office of Management and Budget
relating to budgetary, administrative, or legislative proposals.
(d) This order is not intended to, and does not, create any right or ben-

BARACK OBAMA

The White House,

Executive Order 13581 of July 24, 2011

Blocking Property of Transnational Criminal Organizations

By the authority vested in me as President by the Constitution and the laws
of the United States of America, including the International Emergency
Economic Powers Act (50 U.S.C. 1701 et seq.) (IEEPA), the National Emer-
gencies Act (50 U.S.C. 1601 et seq.) (NEA), and section 301 of title 3,
United States Code,

I, BARACK OBAMA, President of the United States of America, find that
the activities of significant transnational criminal organizations, such as
those listed in the Annex to this order, have reached such scope and gravity
that they threaten the stability of international political and economic
systems. Such organizations are becoming increasingly sophisticated and
dangerous to the United States; they are increasingly entrenched in the op-
erations of foreign governments and the international financial system,
thereby weakening democratic institutions, degrading the rule of law, and
undermining economic markets. These organizations facilitate and aggra-
vate violent civil conflicts and increasingly facilitate the activities of other
dangerous persons. I therefore determine that significant transnational
criminal organizations constitute an unusual and extraordinary threat to the
national security, foreign policy, and economy of the United States, and
thereby declare a national emergency to deal with that threat.

Accordingly, I hereby order:

Section 1. (a) All property and interests in property that are in the United
States, that hereafter come within the United States, or that are or hereafter
come within the possession or control of any United States person, includ-
ing any overseas branch, of the following persons are blocked and may not
be transferred, paid, exported, withdrawn, or otherwise dealt in:

(i) the persons listed in the Annex to this order and

(ii) any person determined by the Secretary of the Treasury, in consulta-
tion with the Attorney General and the Secretary of State:

(A) to be a foreign person that constitutes a significant transnational
criminal organization;
