§ 942.707 Exemption for coal extraction incident to government-financed highway or other construction.

Part 707 of this chapter, Exemption for Coal Extraction Incident to Government-Financed Highway or Other Construction, shall apply to surface coal mining and reclamation operations.

§ 942.761 Areas designated unsuitable for surface coal mining by act of Congress.

Part 761 of this chapter, Areas Designated by Act of Congress, shall apply to surface coal mining and reclamation operations.

§ 942.762 Criteria for designating areas as unsuitable for surface coal mining operations.

(a) Part 762 of this chapter, Criteria for Designating Areas as Unsuitable for Surface Coal Mining Operations, shall apply to surface coal mining and reclamation operations.

(b) In addition to the lands defined as fragile lands in §762.5 of this chapter, the Office in evaluating any petition to designate lands as unsuitable or to terminate such designation will consider lands included on the Tennessee Natural Areas Registry under Tennessee Code Annotated (TCA) section 11–14–112, Natural Areas designated by the Tennessee General Assembly under TCA 11–14–108, areas adjoining Tennessee Scenic Rivers designated under TCA 11–13–101, and Scenic Trails designated under TCA 11–11–101.

§ 942.764 Process for designating areas unsuitable for surface coal mining operations.

(a) Part 764 of this chapter, State Process for Designating Areas Unsuitable for Surface Coal Mining Operations, shall apply to surface coal mining and reclamation operations.

(b) The Secretary shall notify the Tennessee Department of Health and Environment of any area designated unsuitable or for which such designation has been requested or terminated.

(c) Unsuitability designations made under the Tennessee State program shall remain valid unless and until terminated.

§ 942.772 Requirements for permits and permit processing.

(a) Part 772 of this chapter, Requirements for Coal Exploration, shall apply to any person who conducts or seeks to conduct coal exploration operations.

(b) The Office shall make every effort to act on an exploration application within 60 days of receipt or such longer time as may be reasonable under the circumstances. If additional time is needed, the Office shall notify the applicant that the application is being reviewed, but that more time is necessary to complete such reviews, setting forth the reasons and the additional time that is needed.

§ 942.773 Requirements for permits and permit processing.

(a) Part 773 of this chapter, Requirements for Permits and Permit Processing, shall apply to any person who applies for a permit for surface coal mining and reclamation operations.

(b) In addition to the requirements of part 773, the following permit application review procedures shall apply:

(1) Any person applying for a permit shall submit five copies of the application to the Office.

(2) The Office shall review an application for administrative completeness and acceptability for further review and shall notify the applicant in writing of the findings. The Office may:

(i) Reject a flagrantly deficient application, notifying the applicant of the findings;

(ii) Request additional information required for completeness stating specifically what information must be supplied and the date by which the information must be submitted; or

(iii) Judge the application administratively complete and acceptable for further review.

(3) Should the applicant not submit the information as required by §942.773(b)(2)(ii) by the specified date, the Office may reject the application. When the applicant submits the required information by the specified date, the Office shall review it and advise the applicant concerning its acceptability.

(4) When the application is judged administratively complete, the applicant
