(a) Authority. This part is issued jointly by the Board of Governors of the Federal Reserve System (Board) and the Secretary of the Department of the Treasury (Treasury) under section 802 of the Unlawful Internet Gambling Enforcement Act of 2006 (Act) (enacted as Title VIII of the Security and Accountability For Every Port Act of 2006, Pub. L. No. 109–347, 120 Stat. 1884, and codified at 31 U.S.C. 5361–5367). The Act states that none of its provisions shall be construed as altering, limiting, or extending any Federal or State law or Tribal-State compact prohibiting, permitting, or regulating gambling within the United States. See 31 U.S.C. 5361(b). In addition, the Act states that its provisions are not intended to change which activities related to horseracing may or may not be allowed under Federal law, are not intended to change the existing relationship between the Interstate Horseracing Act of 1978 (IHA) (15 U.S.C. 3001 et seq.) and other Federal statutes in effect on October 13, 2006, the date of the Act’s enactment, and are not intended to resolve any existing disagreements over how to interpret the relationship between the IHA and other Federal statutes. See 31 U.S.C. 5362(10)(D)(iii). This part is intended to be consistent with these provisions.

(b) Purpose. The purpose of this part is to issue implementing regulations as required by the Act. The part sets out necessary definitions, designates payment systems subject to the requirements of this part, exempts certain participants in designated payment systems from certain requirements of this part, provides nonexclusive examples of policies and procedures reasonably designed to identify and block, or otherwise prevent and prohibit restricted transactions, and sets out the Federal entities that have exclusive regulatory enforcement authority with respect to the designated payments systems and non-exempt participants therein.

(c) Collection of information. The Office of Management and Budget (OMB) has approved the collection of information requirements in this part for the Department of the Treasury and assigned OMB control number 1505–0204. The Board has approved the collection of information requirements in this part under the authority delegated to the Board by OMB, and assigned OMB control number 7100–0317.
