

persons; that engages in an ongoing pattern of serious criminal activity involving the jurisdictions of at least two foreign states; and that threatens the national security, foreign policy, or economy of the United States.

*Sec. 4.* For those persons whose property and interests in property are blocked pursuant to this order who might have a constitutional presence in the United States, I find that because of the ability to transfer funds or other assets instantaneously, prior notice to such persons of measures to be taken pursuant to this order would render these measures ineffectual. I therefore determine that for these measures to be effective in addressing the national emergency declared in this order, there need be no prior notice of a listing or determination made pursuant to section 1(a) of this order.

*Sec. 5.* The Secretary of the Treasury, in consultation with the Attorney General and the Secretary of State, is hereby authorized to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA, as may be necessary to carry out the purposes of this order. The Secretary of the Treasury may redelegate any of these functions to other officers and agencies of the United States Government consistent with applicable law. All agencies of the United States Government are hereby directed to take all appropriate measures within their authority to carry out the provisions of this order.

*Sec. 6.* The Secretary of the Treasury, in consultation with the Attorney General and the Secretary of State, is hereby authorized to submit the recurring and final reports to the Congress on the national emergency declared in this order, consistent with section 401(c) of the NEA (50 U.S.C. 1641(c)) and section 204(c) of IEEPA (50 U.S.C. 1703(c)).

*Sec. 7.* The Secretary of the Treasury, in consultation with the Attorney General and the Secretary of State, is hereby authorized to determine that circumstances no longer warrant the blocking of the property and interests in property of a person listed in the Annex to this order, and to take necessary action to give effect to that determination.

*Sec. 8.* This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

*Sec. 9.* This order is effective at 12:01 a.m. eastern daylight time on July 25, 2011.

## Subpart A—Relation of This Part to Other Laws and Regulations

### § 592.101 Relation of this part to other laws and regulations.

This part is separate from, and independent of, the other parts of this chapter, with the exception of part 501 of this chapter, the recordkeeping and reporting requirements and procedures of which apply to this part. Actions taken pursuant to part 501 of this chapter with respect to the prohibitions contained in this part are considered actions taken pursuant to this part. Differing foreign policy and national security circumstances may result in differing interpretations of similar language among the parts of this chapter. No license or authorization contained in or issued pursuant to those other parts authorizes any transaction prohibited by this part. No license or authorization contained in or issued pursuant to any other provision of law or regulation authorizes any transaction prohibited by this part.

### Subpart B—Prohibitions

#### § 592.201 Prohibited importation and exportation of any rough diamond; permitted importation or exportation of any rough diamond.

(a) Except to the extent provided in paragraph (b) of this section, and notwithstanding the existence of any rights or obligations conferred or imposed by any contract entered into or any license or permit granted prior to the effective date, the importation

into, or exportation from, the United States on or after July 30, 2003, of any rough diamond, from whatever source, is prohibited, unless the rough diamond has been controlled through the Kimberley Process Certification Scheme.

(b) The prohibitions in paragraph (a) of this section regarding the importation into, or exportation from, the United States of any rough diamond not controlled through the Kimberley Process Certification Scheme do not apply to an importation from, or exportation to, any country with respect to which the Secretary of State has granted a waiver pursuant to section 4(b) of the Clean Diamond Trade Act (Pub. L. 108–19) and section 2(a)(i) of Executive Order 13312.

NOTE TO § 592.201. An importation of any rough diamond from, or an exportation of any rough diamond to, a non-Participant is not controlled through the Kimberley Process Certification Scheme and thus is not permitted, except in the following circumstance. The Secretary of State may, pursuant to section 4(b) of the Clean Diamond Trade Act, waive the prohibitions contained in section 4(a) of that Act with respect to a particular country for periods of not more than one year each. The Secretary of State will publish a notice in the FEDERAL REGISTER identifying any country with respect to which a waiver applies and specifying the relevant time period during which the waiver will apply.

#### § 592.202 Evasions; attempts; conspiracies.

(a) Notwithstanding the existence of any rights or obligations conferred or imposed by any contract entered into or any license or permit granted prior to July 30, 2003, any transaction by a United States person anywhere, or any transaction that occurs in whole or in part within the United States, on or after the effective date that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in this part is prohibited.

(b) Notwithstanding the existence of any rights or obligations conferred or imposed by any contract entered into or any license or permit granted prior to July 30, 2003, any conspiracy formed to violate any of the prohibitions of this part is prohibited.

**Subpart C—General Definitions****§592.301 Controlled through the Kimberley Process Certification Scheme.**

(a) Except as otherwise provided in paragraph (b) of this section, the term *controlled through the Kimberley Process Certification Scheme* refers to the following requirements that apply, as appropriate, to the importation into the United States from a Participant, or to the exportation from the United States to a Participant, of any shipment including any rough diamond:

(1) *Kimberley Process Certificate.* A shipment of rough diamonds imported into, or exported from, the United States must be accompanied by an original Kimberley Process Certificate. The certificate must be presented in connection with an importation or exportation of rough diamonds if demanded by United States customs officials. Pursuant to 31 CFR §§501.601 and 501.602, the person identified as the ultimate consignee (see Customs Directive 3550-079A) on the Customs Form 7501 Entry Summary or its electronic equivalent filed with U.S. Customs and Border Protection in connection with an importation of rough diamonds must retain the original Kimberley Process Certificate for a period of at least five years from the date of importation and must make such certificate available for examination upon demand.

(2) *Tamper-resistant container.* A shipment of rough diamonds imported into, or exported, from the United States must be sealed in a tamper-resistant container;

(3) *Notification requirements for importations into the United States.* The person identified as the ultimate consignee (see Customs Directive 3550-079A) on the Customs Form 7501 Entry Summary or its electronic equivalent filed with U.S. Customs and Border Protection in connection with an importation of rough diamonds must report that person's receipt of a shipment of rough diamonds to the relevant foreign exporting authority within 15 calendar days of the date that the shipment arrived at the U.S. port of entry. The report must refer to the relevant Kimberley Process Certifi-

cate by its unique identifying number; specify the number of parcels in the shipment; specify the total carat weight of the shipment; and identify the importer and exporter of the shipment. The report need not be in any particular form and may be submitted electronically or by mail or courier; and

(4) *Validation of Kimberley Process Certificate for exportations from the United States.* With respect to the exportation of rough diamonds from the United States and regardless of the destination, the U.S. Census Bureau requires the filing of export information through the Automated Export System. Submission of export information through the Automated Export System must be done in advance and must be confirmed by the return of an Internal Transaction Number. The return to the filer of the Internal Transaction Number shall constitute the validation of the Kimberley Process Certificate for an exportation of rough diamonds from the United States to a Participant. The exporter is required to report the Internal Transaction Number on the Kimberley Process Certificate accompanying any exportation from the United States. The Internal Transaction Number is a unique confirmation number generated by the Automated Export System to the filer who provides in a timely manner the complete commodity shipment data when such data have been accepted by the system.

(b) The Secretary of State, consistent with section 3(2)(B) of the Clean Diamond Trade Act (Pub. L. 108-19), may modify the requirements set forth in paragraph (a) of this section upon making a determination that a Participant has established an alternative system of control for rough diamonds that meets substantially the standards, practices, and procedures of the Kimberley Process Certification Scheme.

NOTE 1 TO §592.301. The Secretary of State will periodically publish in the FEDERAL REGISTER an up-to-date listing of all Participants and their importing and exporting authorities. Where appropriate, such listing also will describe any modification of the requirements set forth in paragraph (a) of this section.

NOTE 2 TO §592.301. Pursuant to 31 CFR §§501.601 and 501.602, the recordkeeping and

reporting requirements imposed by § 592.501 apply to all U.S. persons engaged in the importation into, or exportation from, the United States of any shipment of rough diamonds.

NOTE 3 TO § 592.301. Effective November 1, 2004, customs brokers, importers, and filers making entry of a shipment of rough diamonds must either submit through U.S. Customs' Automated Broker Interface (ABI) system the unique identifying number of the Kimberley Process Certificate accompanying the shipment or, for non-ABI entries, indicate the certificate number on the Customs Form 7501 Entry Summary at each entry line.

NOTE 4 TO § 592.301. As of May 21, 2008, any diamond, regardless of value, that is described in subheadings 7102.10, 7102.21 or 7102.31, Harmonized Tariff Schedule of the United States and is imported into the United States shall not be released from the custody of U.S. Customs and Border Protection (CBP) except by a formal entry for consumption, as defined in § 141.0a(f) of the CBP regulations. See 19 CFR 141.0a(f).

(b) Country of origin for shipment of parcels of unmixed (*i.e.*, from the same) origin;

NOTE TO PARAGRAPH (b). A shipment including a parcel of mixed-origin rough diamonds is to be entered into the United States with the Kimberley Process Certificate accompanying the shipment, and the certificate need not indicate the countries of origin of the diamonds. With respect to such a shipment, the country-of-origin field on the certificate must be filled in with asterisks. The shipment must, however, still comply with all other country-of-origin reporting requirements imposed by statute or regulation.

## Subpart D—Interpretations

### § 592.401 Reference to amended sections.

Except as otherwise specified, reference to any provision in this part or chapter or to any other regulation refers to the same as currently amended.

### § 592.402 Effect of amendment.

Unless otherwise specifically provided, any amendment, modification, or revocation of any provision in or appendix to this part or chapter or of any order, regulation, ruling, or instruction issued by or under the direction of the Director of the Office of Foreign Assets Control does not affect any act done or omitted, or any civil or criminal suit or proceeding commenced or pending prior to such amendment, modification, or revocation. All penalties, forfeitures, and liabilities under any such order, regulation, ruling, or instruction continue and may be enforced as if such amendment, modification, or revocation had not been made.

### § 592.403 Transshipment or transit through the United States.

The prohibitions in § 592.201 apply to the importation into, or exportation from, the United States, for transshipment or transit, of any rough diamond intended or destined for any country other than the United States, unless the shipment is sealed in a tamper-resistant container, accompanied by a Kimberley Process Certificate, and leaves the United States in the identical state in which it entered. ### Subpart F—Penalties

#### § 592.601 Penalties.

(a) Attention is directed to section 8 of the Clean Diamond Trade Act (the “Act”) (Pub. L. 108-19), which provides that:

(1) A civil penalty not to exceed \$10,000 per violation may be imposed on any person who violates, or attempts to violate, any order or regulation issued under the Act;

(2) Whoever willfully violates, or willfully attempts to violate, any order or regulation issued under this Act shall, upon conviction, be fined not more than \$50,000, or, if a natural person, may be imprisoned for not more than 10 years, or both; and any officer, director, or agent of any corporation who willfully participates in such violation may be punished by a like fine, imprisonment, or both; and

(3) Those customs laws of the United States, both civil and criminal, including those laws relating to seizure and forfeiture, that apply to articles imported in violation of such laws shall apply with respect to any rough diamond imported in violation of the Act.

NOTE TO PARAGRAPH (a). As reflected in paragraphs (a)(1) and (2) of this section, section 8(a) of the Clean Diamond Trade Act (Pub. L. 108-19) establishes penalties with respect to any violation of any regulation issued under the Act. OFAC prepenalty, penalty, and administrative collection procedures relating to such violations are set forth below in §§ 592.602 through 592.605. Section 8(c) of the Act also authorizes the U.S. Bureau of Customs and Border Protection and the U.S. Bureau of Immigration and Customs Enforcement, as appropriate, to enforce the penalty provisions set forth in paragraph (a) of this section and to enforce the laws

## § 592.602

and regulations governing exports of rough diamonds, including with respect to the validation of the Kimberley Process Certificate by the U.S. Bureau of the Census. The Office of Foreign Assets Control civil penalty procedures set forth below are separate from, and independent of, any penalty procedures that may be followed by the U.S. Bureau of Customs and Border Protection and the U.S. Bureau of Immigration and Customs Enforcement in their exercise of the authorities set forth in section 8(c) of the Clean Diamond Trade Act.

(b) The criminal penalties provided in the Act are subject to increase pursuant to 18 U.S.C. 3571.

(c) Attention is also directed to 18 U.S.C. 1001, which provides that whoever, in any matter within the jurisdiction of the executive, legislative, or judicial branch of the Government of the United States, knowingly and willfully falsifies, conceals, or covers up by any trick, scheme, or device, a material fact, or makes any materially false, fictitious, or fraudulent statement or representation or makes or uses any false writing or document knowing the same to contain any materially false, fictitious, or fraudulent statement or entry shall be fined under title 18, United States Code, or imprisoned not more than five years, or both.

(d) Violations of this part may also be subject to relevant provisions of other applicable laws.

### § 592.602 Prepenalty notice.

(a) *When required.* If the Director of the Office of Foreign Assets Control has reason to believe that there has occurred a violation of any provision of this part or a violation of the provisions of any regulation or order issued by or pursuant to the direction or authorization of the Secretary of the Treasury pursuant to this part or otherwise under the Clean Diamond Trade Act, and the Director determines that further civil proceedings are warranted, the Director shall notify the alleged violator of the agency's intent to impose a monetary penalty by issuing a prepenalty notice. The prepenalty notice shall be in writing. The prepenalty notice may be issued whether or not another agency has taken any action with respect to the matter.

(b) *Contents of notice—(1) Facts of violation.* The prepenalty notice shall de-

## 31 CFR Ch. V (7-1-12 Edition)

scribe the violation, specify the laws and regulations allegedly violated, and state the amount of the proposed monetary penalty.

(2) *Right to respond.* The prepenalty notice also shall inform the respondent of the respondent's right to make a written presentation within the applicable 30-day period set forth in § 592.603 as to why a monetary penalty should not be imposed or why, if imposed, the monetary penalty should be in a lesser amount than proposed.

(c) *Informal settlement prior to issuance of prepenalty notice.* At any time prior to the issuance of a prepenalty notice, an alleged violator may request in writing that, for a period not to exceed sixty (60) days, the agency withhold issuance of the prepenalty notice for the exclusive purpose of effecting settlement of the agency's potential civil monetary penalty claims. In the event the Director grants the request, under terms and conditions within his discretion, the Office of Foreign Assets Control will agree to withhold issuance of the prepenalty notice for a period not to exceed 60 days and will enter into settlement negotiations of the potential civil monetary penalty claim.

### § 592.603 Response to prepenalty notice; informal settlement.

(a) *Deadline for response.* The respondent may submit a response to the prepenalty notice within the applicable 30-day period set forth in this paragraph. The Director of the Office of Foreign Assets Control may grant, at his discretion, an extension of time in which to submit a response to the prepenalty notice. The failure to submit a response within the applicable time period set forth in this paragraph shall be deemed to be a waiver of the right to respond.

(1) *Computation of time for response.* A response to the prepenalty notice must be postmarked or date-stamped by the U.S. Postal Service (or foreign postal service, if mailed abroad) or courier service provider (if transmitted to the Office of Foreign Assets Control by courier) on or before the 30th day after the postmark date on the envelope in which the prepenalty notice was mailed. If the respondent refused delivery or otherwise avoided receipt of the

prepenalty notice, a response must be postmarked or date-stamped on or before the 30th day after the date on the stamped postal receipt maintained at the Office of Foreign Assets Control. If the prepenalty notice was personally delivered to the respondent by a non-U.S. Postal Service agent authorized by the Director, a response must be postmarked or date-stamped on or before the 30th day after the date of delivery.

(2) *Extensions of time for response.* If a due date falls on a federal holiday or weekend, that due date is extended to include the following business day. Any other extensions of time will be granted, at the Director's discretion, only upon the respondent's specific request to the Office of Foreign Assets Control.

(b) *Form and method of response.* The response must be submitted in writing and may be handwritten or typed. The response need not be in any particular form. A copy of the written response may be sent by facsimile, but the original also must be sent to the Office of Foreign Assets Control Civil Penalties Division by mail or courier and must be postmarked or date-stamped, in accordance with paragraph (a) of this section.

(c) *Contents of response.* A written response must contain information sufficient to indicate that it is in response to the prepenalty notice and must include the Office of Foreign Assets Control identification number listed on the prepenalty notice.

(1) A written response must include the respondent's full name, address, telephone number, and facsimile number, if available, or those of the representative of the respondent.

(2) A written response should either admit or deny each specific violation alleged in the prepenalty notice and also state if the respondent has no knowledge of a particular violation. If the written response fails to address any specific violation alleged in the prepenalty notice, that alleged violation shall be deemed to be admitted.

(3) A written response should include any information in defense, evidence in support of an asserted defense, or other factors that the respondent requests the Office of Foreign Assets Control to consider. Any defense or explanation

previously made to the Office of Foreign Assets Control or any other agency must be repeated in the written response. Any defense not raised in the written response will be considered waived. The written response also should set forth the reasons why the respondent believes the penalty should not be imposed or why, if imposed, it should be in a lesser amount than proposed.

(d) *Failure to respond.* Where the Office of Foreign Assets Control receives no response to a prepenalty notice within the applicable time period set forth in paragraph (a) of this section, a penalty notice generally will be issued, taking into account the mitigating and/or aggravating factors present in the record. If there are no mitigating factors present in the record, or the record contains a preponderance of aggravating factors, the proposed prepenalty amount generally will be assessed as the final penalty.

(e) *Informal settlement.* In addition to or as an alternative to a written response to a prepenalty notice, the respondent or respondent's representative may contact the Office of Foreign Assets Control as advised in the prepenalty notice to propose the settlement of allegations contained in the prepenalty notice and related matters. However, the requirements set forth in paragraph (f) of this section as to oral communication by the representative must first be fulfilled. In the event of settlement at the prepenalty stage, the claim proposed in the prepenalty notice will be withdrawn, the respondent will not be required to take a written position on allegations contained in the prepenalty notice, and the Office of Foreign Assets Control will make no final determination as to whether a violation occurred. The amount accepted in settlement of allegations in a prepenalty notice may vary from the civil penalty that might finally be imposed in the event of a formal determination of violation. In the event no settlement is reached, the time limit specified in paragraph (a) of this section for written response to the prepenalty notice will remain in effect unless additional time is granted by the Office of Foreign Assets Control.

## § 592.604

(f) *Representation.* A representative of the respondent may act on behalf of the respondent, but any oral communication with the Office of Foreign Assets Control prior to a written submission regarding the specific allegations contained in the prepenalty notice must be preceded by a written letter of representation, unless the prepenalty notice was served upon the respondent in care of the representative.

### § 592.604 Penalty imposition or withdrawal.

(a) *No violation.* If, after considering any response to the prepenalty notice and any relevant facts, the Director of the Office of Foreign Assets Control determines that there was no violation by the respondent named in the prepenalty notice, the Director shall notify the respondent in writing of that determination and of the cancellation of the proposed monetary penalty.
