(a) Except as otherwise provided in paragraph (b) of this section, the term controlled through the Kimberley Process Certification Scheme refers to the following requirements that apply, as appropriate, to the importation into the United States from a Participant, or to the exportation from the United States to a Participant, of any shipment including any rough diamond:

1. Kimberley Process Certificate. A shipment of rough diamonds imported into, or exported from, the United States must be accompanied by an original Kimberley Process Certificate. The term Kimberley Process Certificate means a tamper- and forgery-resistant document that bears the following information in any language, provided that an English translation is incorporated:

A shipment including a parcel of mixed-origin rough diamonds is to be entered into the United States with the Kimberley Process Certificate accompanying the shipment, and the certificate need not indicate the countries of origin of the diamonds. With respect to such a shipment, the country-of-origin field on the certificate must be filled in with asterisks. The shipment must, however, still comply with all other country-of-origin reporting requirements imposed by statute or regulation.
