to give effect to the licensed transaction is also authorized by the license. Except as specifically authorized by the terms of a license, prohibited transactions by specially designated narcotics traffickers and debits to accounts blocked pursuant to §598.202 are not considered incidental to a licensed transaction and therefore remain prohibited.

§ 598.406 Provision of services.
(a) The prohibitions contained in §598.203 apply to services performed by U.S. persons, wherever located:
(1) On behalf of or for the benefit of a specially designated narcotics trafficker; or
(2) With respect to property interests of a specially designated narcotics trafficker.
(b) Example: U.S. persons may not, except as authorized by or pursuant to this part, provide legal, accounting, financial, brokering, freight forwarding, transportation, public relations, or other services to a specially designated narcotics trafficker. See §598.507 on licensing policy with regard to the provision of certain legal services.

§ 598.407 Offshore transactions.
The prohibitions contained in §598.203 apply to transactions by any U.S. person in a location outside the United States with respect to property in which the U.S. person knows, or has reason to know, that a specially designated narcotics trafficker has or has had an interest since the effective date.

§ 598.408 Alleged change in ownership or control of an entity designated as a specially designated narcotics trafficker.
(a) A change or alleged change in ownership or control of an entity designated as a specially designated narcotics trafficker shall not be the basis for removal of that entity from the Office of Foreign Assets Control’s Specially Designated Nationals and Blocked Persons List (“SDN List”) unless, upon investigation by the Office of Foreign Control and submission of evidence by the entity, it is demonstrated to the satisfaction of the Director of the Office of Foreign Assets Control that the transfer to a bona fide purchaser at arm’s length, or other means of changing ownership or control, is legitimate and that the entity no longer meets the criteria for designation under §598.314. Evidence submitted must conclusively demonstrate that all ties with other specially designated narcotics traffickers have been completely severed, and may include, but is not limited to, articles of incorporation; identification of new directors, officers, shareholders, and sources of capital; and contracts evidencing the sale of the entity to its new owners.
(b) Any continuing substantial financial obligations on the part of the new owners to any specially designated narcotics traffickers, including long-term payment plans, leases, or rents, will be considered as evidence of continuing control of the entity by the specially designated narcotics trafficker. Purchase of a designated entity without ongoing substantial financial obligations to a specially designated narcotics trafficker may nonetheless be a basis for subsequent designation of the purchaser, if the transaction is determined materially to assist in or provide financial support for the international narcotics trafficking activities of specially designated narcotics traffickers for purposes of §598.314(b)(1). For example, any acquisition transaction resulting in a direct cash transfer to or other enrichment of a specially designated narcotics trafficker could lead to designation of the purchaser. Mere change in name of an entity will not be considered as constituting a change of the entity’s status.

§ 598.409 Credit extended and cards issued by U.S. financial institutions.
The prohibition in §598.203 on dealing in property in which a specially designated narcotics trafficker has an interest prohibits U.S. financial institutions from performing under any existing credit agreements, including, but not limited to, charge cards, debit cards, or other credit facilities issued by a U.S. financial institution to a specially designated narcotics trafficker.
