

§ 242a.5

32 CFR Ch. I (7-1-12 Edition)

(c) Disclose matters specifically exempted from disclosure by statute (other than Title 5, U.S. Code 552), provided that such statute:

(1) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue; or

(2) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(d) Disclose trade secrets and commercial or financial information obtained from a person, privileged or confidential;

(e) Involve accusing any person of a crime or formally censuring any person;

(f) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(g) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would:

(1) Interfere with enforcement proceedings;

(2) Deprive a person of a right to a fair trial or an impartial adjudication;

(3) Constitute an unwarranted invasion of personal privacy;

(4) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source;

(5) Disclose investigative techniques and procedures; or

(6) Endanger the life or physical safety of law enforcement personnel;

(h) Disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions;

(i) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action, except that this subsection shall not apply in any instance where the agency

has already disclosed to the public the content or nature of its proposed action, or where the agency is required by law to make such disclosure on its own initiative prior to taking final agency action on such proposal; or

(j) Specifically concern the issuance of a subpoena, or USUHS participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct, or disposition by the USUHS of a particular case of formal adjudication pursuant to the procedures in Title 5, United States Code, section 554 or otherwise involving a determination on the record after opportunity for a hearing.

§ 242a.5 Procedure for announcing meetings.

(a) Except to the extent such information is exempt from disclosure under the provisions of § 242a.4, in the case of each Board or committee meeting, the Board representative, shall make public announcement, at least 7 days before the meeting, of the following:

(1) Time of the meeting;

(2) Place of the meeting;

(3) Subject matter of the meeting;

(4) Whether the meeting or parts thereof are to be open or closed to the public; and

(5) The name and telephone number of the person designated by the Board or committee to respond to requests for information about the meeting.

(b) The 7 day period for the public announcement required by paragraph (a) of this section may be reduced if a majority of the members of the Board or committee, as applicable, determine by a recorded vote that Board or committee business requires that such expedited meeting be called at an earlier date. The Board or committee shall make public announcement of the time, place, and subject matter of such meeting, and whether open or closed to the public, at the earliest practicable time.

(c) The time or place of a meeting or deletion of subject matter may be changed following the public announcement required by paragraph (a) of this section only if the Board representative publicly announces such change at

the earliest practicable time. Such change need not be voted on by the members.

(d) The subject matter of a meeting or the determination of the Board or committee, as applicable, to open or close a meeting, or portion of a meeting, to the public, may be changed following the public announcement required by paragraph (a) of this section only if:

(1) A majority of the entire voting membership of the Board or a majority of the entire voting membership of a committee, determines by a recorded vote that Board or committee business so requires and that no earlier announcement of the change was possible; and

(2) The Board or committee publicly announces such change and the vote of each member upon such change at the earliest practicable time.

(e) The *earliest practicable time* as used in this section, means as soon as possible, which should in few, if any, instances be no later than commencement of the meeting or portion in question.

(f) Immediately following each public announcement required by this section, notice of the time, place and subject matter of a meeting, whether the meeting is open or closed, any change in one of the preceding, and the name and telephone number of the person designated by the Board or committee to respond to requests for information about the meeting, shall also be submitted for publication in the FEDERAL REGISTER.

§ 242a.6 Procedure for closing meetings.

(a) Action to close a meeting or portion thereof, pursuant to the exemptions set forth in § 242a.4 shall be taken only when a majority of the entire voting membership of the Board or a majority of the entire voting membership of a committee, as applicable, vote to take such action.

(b) A separate vote of the Board or committee members shall be taken with respect to each Board or committee meeting a portion or portions of which are proposed to be closed to the public pursuant to § 242a.4 or with re-

spect to any information which is proposed to be withheld under § 242a.4.

(c) A single vote of the Board or committee may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as each meeting in such series involves the same particular matters and is scheduled to be held no more than 30 days after the initial meeting in such series.

(d) The vote of each member shall be recorded, and may be by notation voting, telephone polling or similar consideration.

(e) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the Board or a committee close such portion to the public under any of the exemptions relating to personal privacy, criminal accusation, or law enforcement information referred to in § 242a.4 (e), (f), and (g), the Board or committee, as applicable, upon request of any one of its members, shall vote by recorded vote whether to close such meeting. Where the Board receives such a request prior to a meeting, the Board's representative may ascertain by notation voting, or similar consideration, the vote of each member of the Board, or committee, as applicable, as to the following:

(1) Whether the business of the Board or committee permits consideration of the request at the next meeting, and delay of the matter in issue until the meeting following, or

(2) Whether the members wish to close such meeting.

(f) Within 1 day following any vote taken pursuant to paragraphs (a), (b), (c), or (e), of this section, the Board or committee shall make publicly available a written copy of such vote reflecting the vote of each member on the question. If a portion of a meeting is to be closed to the public, the Board or committee shall, within 1 day of the vote taken pursuant to paragraphs (a), (b), (c), or (e) of this section, make publicly available a full written explanation of its action closing the portion together with a list of all persons expected to attend the meeting and their affiliation. The information required
