§ 644.545

32 CFR Ch. V (7–1–11 Edition)

market value.) Notification that surplus property is available for disposal will be given to eligible public agencies for all airport property and for any other property where there is reason to believe that an eligible public agency may be interested in the property or that the property may be adaptable to the agency’s use (§§ 644.400 through 644.443).

(2) Title 10, United States Code, Section 4682, authorizes the Secretary of the Army to sell obsolete or excess material at fair value to the National Council of the Boy Scouts of America. The Judge Advocate General has held that buildings and other improvements no longer required by the Department be sold to that organization at the appraised fair market value.

(c) Authority to negotiate. (1) The DE is authorized to dispose of land, improvements, related personal property and real property components (including standing timber and embedded sand, gravel, and stone-quarried products in their unmined or natural state) with an estimated fair market value of $1,000 or less by negotiated sale without advertising, provided that such action is within the purview of paragraphs (a) and (b) of this section, and satisfactory terms of disposal can be obtained. Except as provided in §644.543 and paragraph (b) of §644.544 all sales are not less than the appraised fair market value. See paragraph (d) of this section for requirement for appraisal by contract.

(2) All other proposals to negotiate sales without advertising will be submitted to DAEN-REM for advance approval. In submitting such proposals, the nature of the emergency or other situation justifying the waiver of advertising will be clearly stated. The property involved will be adequately defined, and the appraised fair market value and proposed price will be set forth. Negotiated sales of surplus property with an appraised value in excess of $1,000 under provisions of the Federal Property Act cited in paragraph (b)(1) of this section, require submission of an explanatory statement to the Government Operations Committees of Congress. Under the FPMA, a statement must be submitted at least 35 days in advance of each such negotiated disposal. When required, the DE will forward a draft of statement to HQDA (DAEN-REM) for transmittal to GSA for submission to the Committees.

(d) Appraisal by contract. Pursuant to Federal Property Management Regulation, §101–47.304–9(b), where sales are to be negotiated under the authority provided by paragraphs (a) and (b) of this section, a contract appraisal should be obtained provided that the cost of such a contract would not be out of proportion to the recoverable value of the property and is in the best interest of the Government. If such is not the case, the head of the disposal agency, or his designee, may authorize any other appropriate method to obtain an estimate of fair market value. Requests for waiver will be forwarded to DAEN-REM.

(e) Record to justify waiver of advertising. (1) A written justification for negotiated sales made under the authority of these instructions will be prepared and filed by the DE with the record of disposal in each case. A copy of Standard Form 1036 may be used for this purpose.

(2) Except for those cases covered by paragraph (b) of this section, the nature of the emergency compelling waiver of advertising, the reason why it was considered that advertising would serve no useful purpose, or why the negotiated sale was considered to be in the best interest of the Government, will be clearly stated. In cases where an explanatory statement is transmitted to the Committees on Government Operations, a copy of that statement will be furnished the appropriate GSA Regional Office and filed with the record of the case as the required documentation of justification for waiver of advertising. DAEN-REM will make available to the DE necessary copies of such statements for filing or distribution.

§ 644.545 Form of invitation for bids and contract of sale.

Sale contract forms will be prepared by the DE conducting the sale. ENG Form 571–R, Invitation for Bids, Bid and Acceptance, Sale of Surplus Real Property will be used as a guide in sales of bare land or improved land and related personal property. ENG Form
Invitation for Bids, Bid and Acceptance, Sale and Removal of Buildings (or other Real Estate Improvements), will be used as a guide in sales of buildings and other improvements for removal from the site. These forms are designed for use in normal sales of land and real estate improvements pursuant to existing delegations of authority. The DE is authorized to change the formats, to rearrange the sequence of paragraphs, and to add or to delete paragraphs in whole or part, as local circumstances require, but no substantive departure from the forms is authorized without prior specific approval of DAEN-REM. Whenever a sale is to be conducted pursuant to a special delegation of authority, and whenever the circumstances of a sale are such as to render use of these forms inappropriate, a form will be devised by the DE to meet the requirements of the particular sale involved, and forwarded to DAEN-REM for approval. Suggested additional provisions and conditions for use in the sale of standing timber are contained in ENG Form 2140–R, Supplement to Standard Form 114 for use in Timber Sales Contract. In preparing sale contract forms, the following instructions will be followed:
(a) A definite date and time will be set for the opening of bids.
(b) Bids will be prepared in quadruplicate, all copies to be signed by the bidder.
(c) The Invitation for Bids will require each bidder to submit with his bid a certified check, cashier’s check, traveler’s check, or United States postal money order drawn to the order of the ‘‘Treasurer of the United States’’ for at least 20 percent of the bid. When the cash bid may be a small part of the total consideration (where such dismantling and restoration is involved), the DE should set a definite higher amount as a bid deposit. Also, in such cases a performance bond, adequate to discourage breach of contract after only partial performance, may be required.
(d) For real property components the Invitation for Bids will require payment in full within seven days after the successful bidder is notified that his bid is accepted and, in any event, prior to removal of the property. The time specified for completion of payment for land will depend upon the sum of money involved.
(e) Bids may be submitted for one or any number of items. Items or lots of real property will be offered in such reasonable quantities as to permit all bidders, small as well as large, to compete on equal terms. Land, however, will not be subdivided solely for this purpose, and in the case of timber sales or sales of embedded sand, gravel and stone, it may not be feasible to have more than one purchaser operating in the same area. Further, it may not be to the Government’s interest. Buildings will be offered for sale as single items whenever practicable but submission of bids covering specified groups as an item or all of the buildings may be permitted if the DE considers such a procedure is in the best interest of the Government. It may sometimes be advantageous to divide the buildings into appropriate groups and to permit bidding on individual buildings or on specified groups of buildings or on the entire lot. When such bids are permitted, the Invitation for Bids, ENG Form 1038–R, will be flagged to inform bidders that lump sum bids on the entire lot (and specified groupings, if this procedure is appropriate) may be made but will not be accepted unless the lump sum bid exceeds the total of the highest bids received on each item (or on the groupings).

§ 644.546 Credit.

Payment of the purchase price over an extended period of time should be considered only when the price is a considerable amount, and it may be to the Government’s interest to extend credit. Prior to offering property for sale on an extended payment plan basis, approval from DAEN-REM will be obtained. Extension of credit will be within the limitations of FPMR 101–47.304–4. Credit cannot be extended, except to state or local governments, nor can any other special condition be applied, unless provision was made for it in the Invitation for Bids.
