§ 7.28 Olympic National Park.

(a) Fishing—(1) General Provisions. All waters within Olympic National Park are open to fishing in conformance with those seasons and limits published annually by the Washington State Department of Game and the Washington State Department of Fisheries applicable in the same watershed in adjoining counties, except as provided for below.

(i) Possession limit. This shall be the same as the daily limit for all species; Provided however, it is lawful to possess four steelhead over 20 inches regardless of weight. In the Queets River and tributaries the summer season possession limit is two steelhead over 20 inches.

(ii) General summer season. Daily steelhead catch limit shall not exceed two fish, Provided however:

(A) The Queets River and tributaries shall have a summer season daily limit of one steelhead over 20 inches in length.

(B) The Quinault River is closed to the taking of steelhead all year above the confluence of the North and East Forks, but is open in its entirety during the general summer season to the taking of two rainbow trout with a minimum six of 10 inches and maximum size of 20 inches.

(ii) Salmon Fishing. Salmon fishing is permitted on the following park waters, exclusive of tributaries, when adjacent State waters are open:

- Dickey River.
- Hoh River below confluence of South Fork.
- Kalaloch Creek.
- Ozette River.
- Queets River below Tshletshy Creek.
- Quillayute River.
- Quinault River below the bridge connecting North Fork and Graves Creek Roads.
- Salmon River.

(b) Conservation waters. After consultation with the State and, where appropriate, the concerned Indian tribe, the superintendent may, by local publication and conspicuous posting of signs, alter the season and change daily limits for spawning, conservation or research purposes.

§ 7.28 Olympic National Park.

(c) Closed waters. That portion of the Morse Creek watershed within the park (except Lake Angeles and P.J. Lake) and that section of Kalaloch Creek which is used as domestic water supply (as posted) are closed to fishing. Fishing from boats is prohibited on the Hoh River upstream from the South Fork Hoh boat launch.

(5) Fishing gear. Fishing with a line, gear or tackle having more than two spinners, spoons, blades, flashers, or like attractions, or with more than one rudder, or more than two hooks (single, double, or treble barbed) attached to such line, gear, or tackle, is prohibited.

(6) Bait. The use of nonpreserved fish eggs is permitted.

(7) License. A license to fish in park waters is not required; however, an individual fishing for steelhead or salmon in park waters, except treaty Indians fishing in the exercise of rights secured by treaties of the United States, shall have in his/her possession a State of Washington punch card for the species being sought. Steelhead and salmon shall be accounted for on these cards as required by State regulations.

(8) Indian treaty fishing. (i) Subject to the limitations set forth below, all waters within the Olympic National Park which have been adjudicated to be usual and accustomed fishing places of an Indian tribe, having treaty-secured off-reservation fishing rights, are open to fishing by members of that tribe in conformance with applicable tribal or State regulations conforming to the orders of the United States District Court.

(ii) Identification cards and tags. Members of the tribes having treaty-secured fishing rights shall carry identification cards conforming to the requirements prescribed by the United States District Court and issued either by the Bureau of Indian Affairs or the applicable...
tribe when fishing in accordance with
the tribe’s reserved treaty fishing
right. Such persons shall produce said
card for inspection upon request of a
National Park Service enforcement of-
ficer. A tribally issued identification
tag shall be attached to any unat-
tended fishing gear in park waters.
(iii) Conservation closures and catch
limits. The superintendent may close a
stream or any portion thereof to Indian
treaty fishing or limit the number of
fish that may be taken when it is found
either that it is:
(A) Reasonable and necessary for the
conservation of a run as those terms
are used by the United States District
Court to determine the permissible
limitations on the exercise of Indian
treaty rights; or
(B) Necessary to secure the proper al-
location of harvest between Indian
treaty fisheries and other fisheries as
prescribed by the court.
(iv) Catch reports. Indian fishermen
shall furnish catch reports in such
form as the superintendent, after con-
sultation with the applicable tribe,
shall have prescribed.
(v) Prohibition of fish cultural activi-
ties. No fish cultural, planting, or prop-
agation activity shall be undertaken in
park waters without prior written per-
mission of the superintendent.
(vi) Applicability of other park regula-
tions. Indian treaty fishing shall be in
conformity with National Park Service
general regulations in parts 1–6 of this
chapter.
(b) Boating. All vessels are prohibited
on park waters except as provided
below:
(1) Hand propelled vessels and sail-
boats are permitted on park waters ex-
cept the following:
Dosewalips River.
(2) Motorboats are permitted on the
following waters:
Lake Crescent.
Lake Cushman.
Lake Mills.
Dickey River in coastal strip.
Hoh River in coastal strip.
Quillayute River in coastal strip.
Quinault River below the bridge connecting
North Fork and Graves Creek Roads.
(c) Dogs and cats. Dogs (except guide
dogs) and cats are prohibited on any
park land or trail, except on designated
park roads and parking areas or within
one-quarter mile of an established
automobile campground or conces-
sioner overnight facility.
(d) [Reserved]
(e) Privately owned lands—(1) Water
supply and sewage disposal systems. The
provisions of this paragraph apply to
the privately owned lands within
Olympic National Park. The provisions
of this paragraph do not excuse compli-
ance by eating, drinking, or lodging es-
establishments with §5.10 of this chapter.
(i) Facilities. (a) Subject to the provi-
sions of paragraph (e)(1)(iii) of this sec-
tion, no person shall occupy any build-
ning or structure, intended for human
habitation or use, unless such building
is served by water supply and sewage
disposal systems that comply with the
standards prescribed by the State and
county laws and regulations applicable
in the county within whose exterior
boundaries such building is located.
(b) No person shall construct, rebuild
or alter any water supply or sewage
disposal system without a written per-
mit issued by the Superintendent. The
Superintendent will issue such permit
only after receipt of written notifica-
tion from the appropriate Federal,
State, or county officer that the plans
for such system comply with the State
or county standards. There shall be no
charge for such permits. Any person
aggrieved by an action of the Super-
intendent with respect to any such per-
mit or permit application may appeal
in writing to the Director, National
Park Service, U.S. Department of the
Interior, Washington, DC 20240.
(ii) Inspections. (a) The appropriate
State or county officer, the Super-
intendent, or their authorized rep-
resentatives or an officer of the U.S.
Public Health Service, may inspect any
water supply or sewage disposal sys-
tem, from time to time, in order to de-
termine whether such system complies
with the State and county standards: Pro-
duced, however, that inspection
shall be made only upon consent of the
occupant of the premises or pursuant
to a warrant.
(b) Any water supply or sewage dis-
sposal system may be inspected without
the consent of the occupant of the
premises or a warrant if there is prob-
able cause to believe that such system
presents an immediate and severe danger to the public health.

(iii) Defective systems. (a) If upon inspection, any water supply system or sewage disposal system is found by the inspecting officer not to be in conformance with applicable State and county standards, the Superintendent will send to the ostensible owner and/or the occupant of such property, by certified mail, a written notice specifying what steps must be taken to achieve compliance. If after 1 year has elapsed from the mailing of such written notice the deficiency has not been corrected, such deficiency shall constitute a violation of this regulation and shall be the basis for court action for the vacation of the premises.

(b) If upon inspection, any water supply or sewage disposal system is found by the inspecting officer not to be in conformance with established State and county standards and it is found further that there is immediate and severe danger to the public health or the health of the occupants or users, the Superintendent shall post appropriate notices at conspicuous places on such premises, and thereafter, no person shall occupy or use the premises on which the system is located until the Superintendent is satisfied that remedial measures have been taken that will assure compliance of the system with established State and county standards.

(2) State forest practice laws. Any person, firm, or corporation harvesting or cutting timber on privately owned lands within that portion of Olympic National Park over which jurisdiction has been ceded by the State of Washington to the United States of America shall comply with the standards concerning forest practices established from time to time by or pursuant to the laws of the State of Washington, specified in paragraphs (e) (1) and (2) of this section, are lower than or conflict with any established by Federal laws or regulations applicable to privately owned lands within Olympic National Park, the latter shall prevail.

(f) Snowmobile use. (1) The use of snowmobiles is prohibited except in areas and on routes designated by the superintendent by the posting of appropriate signs or by marking on a map available at the office of the superintendent, or both. The following routes have been designated for snowmobile use within Olympic National Park:

(i) Staircase Road from the park boundary to the Staircase Ranger Station.

(ii) Whiskey Bend Road from the function of the Elwha Road to the Whiskey Bend trailhead.

(iii) Boulder Creek Road from Glines Canyon Dam to the end of the road.

(iv) North Fork Quinault Road from the end of the plowed portion to the North Fork Ranger Station.

(v) South Shore Road from the end of the plowed portion to the Graves Creek Ranger Station.

(2) [Reserved]
