(iv) Any person issued a permit shall comply with all terms and conditions of the permit. Failure to do so will constitute cause for the Superintendent to terminate the permit at any time.

(4) An immobilized or legally inoperative vehicle left in excess of 30 days without a permit will be removed at the owner's expense.

(5) An immobilized or legally inoperative vehicle constituting a safety hazard, causing an obstruction to roads or trails, or interfering with maintenance operations will be removed immediately at the owner's expense. Such interference or impairment may include, but shall not be limited to, the creation of a safety hazard, traffic congestion, visual pollution, or fuel and lubricant drip pollution.
