§ 219.52 Giving notice of a plan, plan amendment, or plan revision subject to objection before approval.

(a) The responsible official shall disclose during the NEPA scoping process and in the appropriate NEPA documents that the proposed plan, plan amendment, or plan revision is subject to objection under this subpart. This disclosure is in addition to the public notice that begins the objection filing period, as required at §219.16. When a responsible official chooses to use the objection process of this subpart for a plan, plan amendment, or plan revision process initiated before the effective date of this rule, notice that the objection process will be used must be given prior to an opportunity to provide substantive formal comment on a proposed plan, plan amendment, or revision and associated environmental analysis.

(b) The responsible official shall make available the public notice for the beginning of the objection period for a plan, plan amendment, or plan revision (§219.16(a)(3)) to those who have requested the environmental documents or are eligible to file an objection consistent with §219.53.

(c) The content of the public notice for the beginning of the objection period for a plan, plan amendment, or plan revision before approval (§219.16(a)(3)) must:

(1) Inform the public of the availability of the plan, plan amendment, or plan revision, the appropriate final environmental documents, the draft plan decision document, and any relevant assessment or monitoring evaluation
