§ 1290.7 Additional guidance.

(a) A government agency, office, or entity includes, for purposes of interpreting and implementing the JFK Act, all current, past, and former departments, agencies, offices, divisions, foreign offices, bureaus, and deliberative bodies of any Federal, state, or local government and includes all inter- or intra-agency working groups, committees, and meetings that possess or created records relating to the assassination of President John F. Kennedy.

(b) The inclusion of artifacts in the scope of the term assassination record is understood to apply solely to the JFK Assassination Records Collection and to implement fully the terms of the JFK Act and has no direct or indirect bearing on the interpretation or implementation of any other statute or regulation.

(c) Whenever artifacts are included in the JFK Assassination Records Collection, it shall be sufficient to comply with the JFK Act if the public is provided access to photographs, drawings, or similar materials depicting the artifacts. Additional display of or examination by the public of artifacts in the JFK Assassination Records Collection shall occur under the terms and conditions established by the National Archives and Records Administration to ensure their preservation and protection for posterity.

(d) The terms and, or, any, all, and the plural and singular forms of nouns shall be understood in their broadest and most inclusive sense and shall not be understood to be terms of limitation.

(e) Nothing in this section shall be interpreted to suggest that additional copies of any assassination records contained in the JFK Assassination Records Collection are not also assassination records that, at the Review Board’s discretion, may also be placed in the JFK Assassination Records Collection.

(f) Nothing in this section shall be interpreted to prevent or to preclude copies of any electronic assassination records from being reformatted electronically in order to conform to different hardware and/or software requirements of audiovisual or machine readable formats if such is the professional judgment of the National Archives and Records Administration.
§ 1290.8 Implementing the JFK Act—
Notice of Assassination Record Designation.

(a) A Notice of Assassination Record Designation (NARD) shall be the mechanism for the Review Board to announce publicly its determination that a record or group of records meets the definition of assassination records.

(b) Notice of all NARDs will be published in the Federal Register within 30 days of the decision to designate such records as assassination records.

(c) In determining to designate such records as assassination records, the Review Board must determine that the record or group of record will more likely than not enhance, enrich, and broaden the historical record of the assassination.
