
Outpatient dental treatment may be authorized by the Chief, Dental Service, for beneficiaries defined in 38 U.S.C. 1712(b) and 38 CFR 17.93 to the extent prescribed and in accordance with the applicable classification and provisions set forth in this section.

(a) **Class I.** Those having a service-connected compensable dental disability or condition, may be authorized any dental treatment indicated as reasonably necessary to maintain oral health and masticatory function. There is no time limitation for making application for treatment and no restriction as to the number of repeat episodes of treatment.

(b) **Class II.** (1)(i) Those having a service-connected noncompensable dental condition or disability shown to have been in existence at time of discharge or release from active service, which took place after September 30, 1981, may be authorized any treatment indicated as reasonably necessary for the one-time correction of the service-connected noncompensable condition, but only if:

(A) They served on active duty during the Persian Gulf War and were discharged or released, under conditions other than dishonorable, from a period of active military, naval, or air service of not less than 90 days, or they were discharged or released under conditions other than dishonorable, from any other period of active military, naval, or air service of not less than 180 days;

(B) Application for treatment is made within 180 days after such discharge or release.

(ii) Those veterans discharged from their final period of service before August 13, 1981, who had reentered active military service within 90 days after the date of a discharge or release from a prior period of active military service, may apply for treatment of service-connected noncompensable dental conditions relating to any such periods of service within 180 days after the date of their final discharge or release.

(iii) If a disqualifying discharge or release has been corrected by competent authority, application may be made within 180 days after the date of correction.

(ii) Those having a service-connected noncompensable dental condition or disability shown to have been in existence at time of discharge or release from active service, which took place before October 1, 1981, may be authorized any treatment indicated as reasonably necessary for the one-time correction of the service-connected noncompensable condition, but only if:

(A) They were discharged or released, under conditions other than dishonorable, from a period of active military, naval or air service of not less than 180 days.

(B) Application for treatment is made within one year after such discharge or release.

(C) Department of Veterans Affairs dental examination is completed within 14 months after discharge or release, unless delayed through no fault of the veteran.

(iii) If a disqualifying discharge or release has been corrected by competent authority, application may be made within one year of the date of the final discharge or release.
§ 17.162 Eligibility for Class II dental treatment without rating action.

When an application has been made for class II dental treatment under §17.161(b), the applicant may be deemed eligible and dental treatment authorized on a one-time basis without rating action if:

(a) The examination to determine the need for dental care has been accomplished within the specified time limit after date of discharge or release unless delayed through no fault of the veteran, and sound dental judgment warrants a conclusion the condition originated in or was aggravated during service and the condition existed at the time of discharge or release from active service, and
