§ 17.805 Additional terms of loans.

In the operation of each residence established with the assistance of the loan, the recipient must agree to the following:

(a) The use of alcohol or any illegal drugs in the residence will be prohibited;

(b) Any resident who violates the prohibition of alcohol or any illegal drugs will be expelled from the residence;

(c) The cost of maintaining the residence, including fees for rent and utilities, will be paid by residents;

(d) The residents will, through a majority vote of the residents, otherwise establish policies governing the conditions of the residence, including the manner in which applications for residence are approved;

(e) The residence will be operated solely as a residence for not less than six veterans.

§ 17.900 Definitions.

For purposes of §§ 17.900 through 17.905—

Approved health care provider means a health care provider currently approved by the Center for Medicare and Medicaid Services (CMS), Department of Defense TRICARE Program, Civilian Health and Medical Program of the Department of Veterans Affairs (CHAMPVA), Joint Commission on Accreditation of Health Care Organizations (JCAHO), or currently approved for providing health care under a license or certificate issued by a governmental entity with jurisdiction. An entity or individual will be deemed to be an approved health care provider only when acting within the scope of the approval, license, or certificate.

Child for purposes of spina bifida means the same as individual as defined at § 3.814(c)(2) or § 3.815(c)(2) of this title and for purposes of covered birth defects means the same as individual as defined at § 3.815(c)(2) of this title.

Covered birth defect means the same as defined at § 3.815(c)(3) of this title and also includes complications or medical conditions that are associated with the covered birth defect(s) according to the scientific literature.

Habilitation and rehabilitative care means such professional, counseling, and guidance services and such treatment programs (other than vocational training under 38 U.S.C. 1804 or 1814) as are necessary to develop, maintain, or restore, to the maximum extent practicable, the functioning of a disabled person.

Health care means home care, hospital care, nursing home care, outpatient care, preventive care, habilitative and rehabilitative care, case management, and respite care; and includes the training of appropriate members of a child’s family or household in the care of the child; and the provision of such pharmaceuticals, supplies (including continent-related supplies such as catheters, pads, and diapers), equipment (including durable medical equipment), devices, appliances, assistive technology, direct transportation costs to and from approved health care providers (including any necessary costs for meals and lodging en route, and accompaniment by an attendant or attendants), and other materials as the Secretary determines necessary.

Health care provider means any entity or individual that furnishes health care, including specialized clinics, health care plans, insurers, organizations, and institutions.

Home care means medical care, habilitative and rehabilitative care, preventive health services, and health-related services furnished to a child in the child’s home or other place of residence.

Hospital care means care and treatment furnished to a child who has been admitted to a hospital as a patient.

Nursing home care means care and treatment furnished to a child who has been admitted to a nursing home as a resident.

Outpatient care means care and treatment, including preventive health services, furnished to a child other than hospital care or nursing home care.

Preventive care means care and treatment furnished to prevent disability or illness, including periodic examinations, immunizations, patient health education, and such other services as the Secretary determines necessary to provide effective and economical preventive health care.

Respite care means care furnished by an approved health care provider on an intermittent basis for a limited period to an individual who resides primarily in a private residence when such care will help the individual continue residing in such private residence.

Spina bifida means all forms and manifestations of spina bifida except spina bifida occulta (this includes complications or medical conditions that are associated with spina bifida according to the scientific literature).

Veteran with covered service in Korea for purposes of spina bifida means the same as defined at § 3.814(c)(2) of this title.
