§ 21.5070

ENTITLEMENT

§ 21.5070 Entitlement.

A participant is entitled to a monthly benefit for periods of time during which the individual is enrolled in, and satisfactorily pursuing, an approved program of education. The amount of the benefit will vary from individual to individual and, in some instances, from month to month as provided in §21.5138.

(Authority: 38 U.S.C. 3231)

§ 21.5071 Months of entitlement allowed.

(a) Entitlement based on monthly contributions. The Department of Veterans Affairs will credit an individual with 1 month of entitlement for each month he or she contributes to the fund up to a maximum of 36 months or its equivalent in part-time training.

(Authority: 38 U.S.C. 3231)

(b) Entitlement based on lump-sum contributions. If an individual elects to make a lump-sum contribution, the Department of Veterans Affairs will credit an individual with 1 month of entitlement for:

1. Every $100 included in the lump sum, or
2. Every amount included in the lump sum which:
   (i) Is at least $25 but no more than $100,
   (ii) Is evenly divisible by five, and
   (iii) Is specifically designated by the individual at the time he or she makes the contribution.

(Authority: 38 U.S.C. 3222(d))

(c) Entitlement based on both monthly and lump-sum contributions. If the individual makes both monthly and lump-sum contributions, the Department of Veterans Affairs will:

1. Compute the entitlement due to each type of contribution separately under paragraphs (a) and (b) of this section, and
2. Will combine the results of the computations to determine the individual’s total entitlement.

(2) In no event will an individual’s entitlement exceed 36 months or its equivalent in part-time training.

(Authority: 38 U.S.C. 3222(d), 3231)

§ 21.5072 Entitlement charge.

The Department of Veterans Affairs shall determine the entitlement charge for each payment in the same manner for all individuals regardless of whether they are on active duty. Unless the circumstances described in paragraph (i) of this section apply to a service-member or veteran, VA will use paragraphs (a) through (h) of this section to determine an entitlement charge.

(a) General. (1) Except as provided in paragraphs (b) through (h) of this section, VA will use paragraphs (a) through (h) of this section to determine an entitlement charge.

(b) Secondary school program. (1) The Department of Veterans Affairs will make no charge against the entitlement of an individual:

1. Who is pursuing a course, courses or a program of education leading to a secondary school diploma or an equivalency certificate, and
2. Whose educational assistance allowance is the monthly rate of tuition and fees being charged to him or her for the course.

(2) The Department of Veterans Affairs will make a charge (in the same manner as for any other residence training) against the entitlement of an individual who:
(i) Is pursuing a course, courses or a program of education leading to a secondary school diploma or an equivalency certificate, and
(ii) Elects to receive educational assistance allowance calculated according to §21.5136.

(Authority: 38 U.S.C. 321, 3491)

c) Correspondence training courses. (1) A charge against the period of entitlement for a program consisting exclusively of correspondence training will be made on the basis of 1 month for each sum of money paid equivalent to the dollar value of a month of entitlement as determined under §21.5138(a)(2)(viii), which is paid to the individual as an educational assistance allowance for this training. When computation results in a period of time other than a full month, the charge will be prorated.

(2) If the individual is contributing to the fund at the same time that benefits are being used or subsequently contributes a sum or sums, the entitlement charges will not be recomputed. Thus, if the monthly rate arrived at by applying the formula is determined to be $150 at the time a benefit program for correspondence training is computed, the individual will be charged 1 month of entitlement for each $150 paid. If a different monthly rate is computed at the time of a subsequent payment for such training, no adjustment will be made in the entitlement charged for the previous payment(s) even though the value of each month’s entitlement may vary from payment to payment.

(Authority: 38 U.S.C. 3231(c))

d) Apprenticeship or other on-job training. (1) The VA will determine the entitlement charge for a veteran in apprenticeship or other on-job training as stated in this paragraph.

(2) The entitlement charge will be—
(i) 75 percent of a month for those months for which the veteran’s monthly payment is based upon 75 percent of the monthly benefit otherwise payable to him or her;
(ii) 55 percent of a month for those months for which the veteran’s monthly payment is based upon 55 percent of the monthly benefit otherwise payable to him or her; and
(iii) 35 percent of a month for those months for which the veteran’s monthly payment is based upon 35 percent of the monthly benefit otherwise payable to him or her.

(3) The charge against the veteran’s entitlement will be prorated if—
(i) The veteran’s enrollment period ends in the middle of a month,
(ii) The veteran’s monthly rate is reduced in the middle of a month, or
(iii) The veteran’s monthly payment is reduced because he or she worked less than 120 hours during the month. In this instance the number of hours worked will be rounded to the nearest multiple of eight, and the entitlement charge will be reduced proportionately.

(Authority: 38 U.S.C. 3233(c); Pub. L. 99–576)

e) Cooperative training. VA will make a charge against entitlement of 80 percent of a month for each month for which a veteran is paid educational assistance allowance at the cooperative training rate as provided in §21.5138(a). If the veteran is paid for a partial month of training, the entitlement charge will be prorated.

(Authority: 38 U.S.C. 3233(c); Pub. L. 100–689)

f) Training while the veteran is incarcerated. If the veteran must be paid educational assistance allowance at a reduced rate because he or she is incarcerated as provided in §21.5139 of this part, VA will make a charge against entitlement of one month for each amount of educational assistance allowance paid to the veteran which is the equivalent of one month’s benefits as provided in §21.5138 of this part for the appropriate type of training pursued.

(Authority: 38 U.S.C. 3231(e); Pub. L. 100–689)

g) Tutorial assistance. If an individual is paid tutorial assistance as provided in §21.5141 of this part, the following provisions will apply.

(1) There will be no charge to entitlement for the first $600 of tutorial assistance paid to an individual.

(2) VA will make a charge against the period of entitlement for each amount of tutorial assistance paid to the individual in excess of $600 that is equal to

Authority: 38 U.S.C. 3231(d); Pub. L. 100–689
the amount of monthly educational assistance the individual is otherwise eligible to receive for full-time pursuit of a residence course as provided in §21.5138(c) of this part. When the amount of tutorial assistance paid to the individual in excess of $600 is less than the amount of monthly educational assistance the individual is otherwise eligible to receive, the entitlement charge will be prorated.

(h) Flight training courses. (1) A charge against the period of entitlement for pursuit of a flight training course will be one month for each sum of money paid equivalent to the dollar value of a month of entitlement as determined under §21.5138(a)(5)(viii). When this computation results in a period of time other than a full month, the charge will be prorated.

(2) If the individual is contributing to the fund at the same time that benefits are being used or subsequently contributes a sum or sums, the entitlement charges will not be recomputed. Thus, if the monthly rate arrived at under §21.5138(a)(5)(viii) is $150 at the time educational assistance allowance is paid for a period of flight training, the individual will be charged one month of entitlement for each $150 paid. If a different monthly rate is computed at the time of a subsequent payment for such training, no adjustment will be made in the entitlement charged for the previous payment(s) even though the value of each month's entitlement may vary from payment to payment.

(i) Entitlement charge may be omitted for course discontinuance due to orders to, or changing, active duty in certain instances. VA will make no charge against the entitlement of a service-member or veteran for a payment of educational assistance when—

(1)(i) A veteran not serving on active duty had to discontinue course pursuit as a result of being ordered, by orders dated after September 10, 2001, to a new duty location or assignment or to perform an increased amount of work; or

(ii) A service-member serving on active duty had to discontinue course pursuit as a result of being ordered, in connection with the Persian Gulf War by orders dated before September 11, 2001, to a new duty location or assignment or to perform an increased amount of work; and

(2) The veteran or service-member failed to receive credit or lost training time toward completion of his or her educational, professional, or vocational objective as a result of having to discontinue course pursuit as described in paragraph (i)(1) of this section.

§ 21.5076 Entitlement charge—overpayment cases.

(a) Overpayment cases. VA will make a charge against an individual’s entitlement of an overpayment of educational assistance allowance only if:

(1) The overpayment is discharged in bankruptcy; or

(2) VA waives the overpayment and does not recover it; or

(3) The overpayment is compromised.
