§ 74.2 What are the eligibility requirements a concern must meet for VetBiz VIP Verification Program?

(a) Ownership and control. A small business concern must be unconditionally owned and controlled by one or more eligible veterans, service-disabled veterans or surviving spouses, have completed the online Vendor Information Pages database forms at http://www.VetBiz.gov, and has been examined by VA’s Center for Veterans Enterprise. Such businesses appear in the VIP database as “verified.”

(b) Good character. Veterans, service-disabled veterans and surviving spouses with ownership interests in VetBiz verified businesses must have good character. Debarred or suspended concerns or concerns owned or controlled by debarred or suspended persons are ineligible for VetBiz VIP Verification.

Department of Veterans Affairs

(iv) The date on which the business concern is no longer small under Federal small business size standards.

(3) The veteran must have had a 100 percent service-connected disability or died as a direct result of a service-connected disability.

NOTE TO DEFINITION OF SURVIVING SPOUSE: For program eligibility purposes, the surviving spouse has the same rights and entitlements of the service-disabled veteran who transferred ownership upon his or her death.

Unconditional ownership means ownership that is not subject to conditions precedent, conditions subsequent, executory agreements, voting trusts, restrictions on or assignments of voting rights, or other arrangements causing or potentially causing ownership benefits to go to another (other than after death or incapacity). The pledge or encumbrance of stock or other ownership interest as collateral, including seller-financed transactions, does not affect the unconditional nature of ownership if the terms follow normal commercial practices and the owner retains control absent violations of the terms.

VA is the U.S. Department of Veterans Affairs.

Vendor Information Pages (VIP) is a database of businesses eligible to participate in VA’s Veteran-owned Small Business Program. The online database may be accessed at no charge via the Internet at http://www.VetBiz.gov.

Verification eligibility period is a 12-month period that begins on the date the Center for Veterans Enterprise issues the approval letter establishing verified status. The participant must submit a new application each year to continue eligibility.

Veteran is a person who served on active duty with the U.S. Army, Air Force, Navy, Marine Corps or Coast Guard, for any length of time and at any place and who was discharged or released under conditions other than dishonorable. Reservists or members of the National Guard called to Federal active duty or disabled from a disease or injury incurred or aggravated in line of duty or while in training status also qualify as a veteran.

Veteran-owned small business concern (VOSB) is a small business concern that is not less than 51 percent owned by one or more veterans, or in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more veterans; the management and daily business operations of which are controlled by one or more veterans and qualifies as “small” for Federal business size standard purposes. All service-disabled veteran-owned small business concerns (SDVOSBs) are also, by definition, veteran-owned small business concerns. When used in these guidelines, the term “VOSB” includes SDVOSBs.

Veterans Affairs Acquisition Regulation (VAAR) is the set of rules that specifically govern requirements exclusive to the U.S. Department of Veterans Affairs (VA) prime and subcontracting actions. The VAAR is chapter 8 of title 48, Code of Federal Regulations, and supplements the Federal Acquisition Regulation (FAR), which contains guidance applicable to most Federal agencies.

§ 74.3 Who does the Center for Veterans Enterprise (CVE) consider to own a veteran-owned small business?

An applicant or participant must be at least 51 percent unconditionally and directly owned by one or more veterans or service-disabled veterans.

(a) Ownership must be direct. Ownership by one or more veterans or service-disabled veterans must be direct ownership. An applicant or participant owned principally by another business entity or by a trust (including employee stock ownership plans [ESOP]) that is in turn owned by one or more veterans or service-disabled veterans does not meet this requirement. However, ownership by a trust, such as a living trust, may be treated as the functional equivalent of ownership by a veteran or service-disabled veteran where the trust is revocable, and the veteran or service-disabled veteran is the grantor, a trustee, and the sole current beneficiary of the trust. For employee stock ownership plans where 5 or fewer persons who are individuals, estates, or trusts own 50 percent or more of the total combined voting power of the corporation, eligible parties must control 51 percent or more of the combined voting power of the corporation. For employee stock ownership plans where greater than 5 persons who are individuals, estates, or trusts own 50 percent or more of the total stock, eligible parties must control 51 percent or more of the combined voting power of the corporation, including the ESOP stock.

(b) Ownership must be unconditional. Ownership by one or more veterans or service-disabled veterans must be unconditional ownership. Ownership must not be subject to conditions precedent, conditions subsequent, executory agreements, voting trusts, restrictions on assignments of voting rights, or other arrangements causing or potentially causing ownership benefits to go to another (other than after death or incapacity). The pledge or encumbrance of stock or other ownership interest as collateral, including seller-financed transactions, does not affect the unconditional nature of ownership if the terms follow normal commercial practices and the owner retains control absent violations of the terms. In particular, CVE will evaluate ownership according to the following criteria for specific types of small business concerns.

(1) Ownership of a partnership. In the case of a concern that is a partnership, at least 51 percent of every class of partnership interest must be unconditionally owned by one or more veterans.
