(d) Complaint Procedures. Any individual with a disability who believes that he or she has been subjected to discrimination prohibited by this part or by the alleged failure of the agency to provide access to electronic and information technology may file a complaint by following the procedures described herein. A complainant shall first exhaust informal administrative procedures before filing a formal complaint.

(1) Informal complaints relating to Postal Service programs or activities and to EIT. (i) A complainant initiates the informal process by informing the responsible postal manager orally or in writing of the alleged discrimination or inaccessibility of Postal Service programs, activities, or EIT. Postal managers or employees who receive informal complaints that they lack the authority to resolve must promptly refer any such informal complaint to the appropriate postal manager, and at the same time must notify the complainant of the name, address, and telephone number of the person handling the complaint.

(ii) Resolution of the informal complaint and time limits. Within 15 days of receipt of the informal complaint, the responsible postal manager must send the complainant a written acknowledgement of the informal complaint. The written acknowledgment will include the date the complaint was filed and a description of the issue(s). If the matter cannot be resolved within 30 days of its receipt, the complainant must be sent a written interim report which explains the status of the informal complaint and the proposed resolution of the matter. On or before the 60th day from the agency’s receipt of the informal complaint, the appropriate area/functional vice president within the Postal Service shall send a written decision to the complainant detailing the final disposition of the informal complaint and the reasons for that disposition. The decision shall contain the notice that the complainant may challenge an informal decision which denies relief either by proceeding in any other appropriate forum or by filing a formal complaint with the Vice President and Consumer Advocate. The notice will give the address of the Vice President and Consumer Advocate. The notice shall also state that if the complainant chooses to file a formal complaint, the complainant shall exhaust the formal complaint procedures before filing suit in any other forum.
