stamps. The notice will specify the beginning and ending dates of the period during which proposals may be submitted. The notice will also specify the approximate period in which the semipostal stamp for which proposals are solicited is to be sold. The office of Stamp Services may publicize the request for proposals through other means, as it determines in its discretion.

(b) Proposals will be received by the office of Stamp Services, which will review each proposal under §551.4.

(c) Those proposals that the office of Stamp Services determines satisfy the requirements of §551.4 will be forwarded for consideration by the Citizens’ Stamp Advisory Committee, which is described in Administrative Support Manual (ASM) section 644.5. For availability of ASM 644.5, contact the Office of Stamp Services (202) 268–2319.

(d) The Citizens’ Stamp Advisory Committee will review eligible proposals forwarded by the office of Stamp Services. Based on the proposals submitted, the Citizens’ Stamp Advisory Committee will make recommendations on a cause and eligible recipient executive agency(ies) to the postmaster general. If no eligible proposals are recommended, the Postal Service will solicit additional proposals through publication of a notice in the FEDERAL REGISTER and through other means as it determines in its discretion.

(e) Meetings of the Citizens’ Stamp Advisory Committee are closed, and deliberations of the Citizens’ Stamp Advisory Committee are predecisional in nature.

(f) The postmaster general will act on the recommendations of the Citizens’ Stamp Advisory Committee. The decision of the postmaster general shall consist of the final agency decision.

(g) The office of Stamp Services will notify the executive agency(ies) in writing of a decision designating the agency(ies) as recipients of funds from a semipostal stamp.

(h)(1) A proposal submission may designate one or two recipient executive agencies to receive funds, but if more than one executive agency is proposed, the proposal must specify the percentage shares of differential revenue, net of the Postal Service’s reasonable costs, to be given to each agency. If percentage shares are not specified, it is presumed that the proposal intends that the funds be split evenly between the agencies. If more than two recipient executive agencies are proposed to receive funds and the proposal is selected, the proposal is treated as prescribed by paragraph (h)(3) of this section.

(2) If more than one proposal is submitted for the same cause, and the proposals would have different executive agencies receiving funds, the funds would be evenly divided among the executive agencies, with no more than two agencies being designated to receive funds, as determined by the vice president and consumer advocate.

(3) Within 10 days of receipt of a notice indicating that it has been selected to receive funds, a selected agency could request a proportionately larger share if it can demonstrate that its share of total funding of the cause from other sources (excluding any additional funds available as a result of the semipostal stamp) exceeds that of the other recipient executive agency. The request must be in writing and must be sent to the manager of Stamp Services. In those cases, the determination regarding the proportional share to be divided among the recipient executive agencies is made by the Postal Service’s vice president and consumer advocate.

(i) As either a separate matter, or in combination with recommendations on a cause and a recipient executive agency(ies), the Citizens’ Stamp Advisory Committee will recommend to the postmaster general a design (i.e., artwork) for the semipostal stamp. The postmaster general will make a final determination on the design to be featured.

§ 551.4 Submission requirements and selection criteria.

(a) Proposals on recipient executive agencies and causes must satisfy the following requirements:

(1) Interested persons must timely submit an original and 20 copies of the proposal. For purposes of this section, interested persons include, but are not

In extraordinary circumstances, the office of Stamp Services may, in its discretion, consider a late-filed proposal.

(2) The proposal submission must be signed by the individual or a duly authorized representative and must provide the mailing address, phone number, fax number (if available), and email address (if available) of a designated point of contact.

(3) The submission must describe the cause and the purposes for which the funds would be spent.

(4) The submission must demonstrate that the cause to be funded has broad national appeal, and that the cause is in the national public interest and furthers human welfare. (5) The submission must be accompanied by a letter from an executive agency or agencies on agency letterhead representing that:

(i) it is an executive agency as defined under 5 U.S.C. 105,
(ii) it is willing and able to implement the proposal, and
(iii) it is willing and able to meet the requirements of the Semipostal Authorization Act, if it is selected. The letter must be signed by a duly authorized representative of the agency.

(b) Proposal submissions become the property of the Postal Service and are not returned to interested persons who submit them. Interested persons who submit proposals are not entitled to any remuneration, compensation, or any other form of payment, whether their proposal submissions are selected or not, for any reason.

(c) The following persons are disqualified from submitting proposals:

(1) Any contractor of the Postal Service that may stand to benefit financially from the Semipostal Stamp Program; or

(2) Members of the Citizens’ Stamp Advisory Committee and their immediate families, and employees or contractors of the Postal Service, and their immediate families, who are involved in any decision-making related to causes, recipient agencies, or artwork for the Semipostal Stamp Program.

(d) Consideration for evaluation will not be given to proposals that request support for the following: Anniversaries; public works; people; specific organizations or associations; commercial enterprises or products; cities, towns, municipalities, counties, or secondary schools; hospitals, libraries, or similar institutions; religious institutions; causes that do not further human welfare; or causes determined by the Postal Service or the Citizens’ Stamp Advisory Committee to be inconsistent with the spirit, intent, or history of the Semipostal Authorization Act.

(e) Artwork and stamp designs should not be submitted with proposals.

§ 551.5 Frequency and other limitations.

The 10-year period will commence after the sales period of the Breast Cancer Research stamp is concluded in accordance with the Stamp Out Breast Cancer Act, and as amended by the Semipostal Authorization Act, the Breast Cancer Research Stamp Act of 2001, and Public Law 107–67, section 650, 115 Stat. 514. The Office of Stamp Services will determine the date of commencement of the 10-year period.

(b) The Postal Service will offer only one semipostal stamp for sale at any given time during the 10-year period.

(c) The sales period for any given semipostal stamp is limited to no more than 2 years, as determined by the office of Stamp Services.

(d) Prior to or after the issuance of a given semipostal stamp, the Postal Service reserves the right to withdraw the semipostal stamp from sale, or to reduce the sales period, if, inter alia:
